THE

OF

MARKS ISRAEL

THE MARKS OF ISRAEL

Compared Between The Jews and Anglo-Saxondom

by Pastor Sheldon Emry

Before we start this study, I would like to state a premise, and tell you a little story that you can relate to this. Suppose the Authorities announced that a well-known and wealthy man had passed away and left his entire fortune to a son, who was known only to him. In other words, the attorneys, the courts and the local people did not know the son. However, the rich man's will included a detailed description of the son, from which he could be recognized.

If the father's description said that the son was six feet tall, with blue eyes and blond hair, and gave forty or fifty other physical characteristics, the Authorities would certainly be derelict in their duties, if they awarded the estate to some fellow who was five feet tall and had black hair; even if he came in with a thousand witnesses, saying: this is the son of the man who has died. They would be derelict in their duty if they did not examine the individual claiming to be the son, to see whether he matched the description given in the will.

We have a book, which we call the Bible, that is really the will of God. It states God's purpose, gives the promises, the covenants and the things God was going to bestow on the descendants of Abraham. It, also, describes these descendants of Abraham. We could, conceivably, establish a court, bring in witnesses, and identify the descendants of Abraham by the marks and descriptions written in the will (the Bible). That is what I am going to try to do, to some extent, in this study.

If you know something about American history, you know that Thomas Paine, in the years just before the Revolutionary War, wrote a number of articles, including his booklet called "Common Sense." These writings helped the American colonists decide that they wanted independence from England. Yet, Thomas Paine has been condemned as a non-Christian because he had said, at one point, he did not believe in the Bible.

The history books, usually, do not tell us what Thomas Paine actually stated. He actually said: since the Jews were supposed to be Israel, and the things that were supposed to happen to Israel were not happening to them, then the Bible could not be true. He dismissed the Bible because it did not appear as if God was keeping His covenants with what was supposed to be the Israel people.

Others have written about the marks of Israel, and have given over one hundred specific marks, from the Bible, that would be found upon the descendants of Abraham. Let us closely examine thirty-three of these identifying marks, and discover what people are the descendants of Abraham.

The First Four Marks of Israel

We find four marks in the twelfth chapter of Genesis:

"Now the Lord had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's

house, unto a land that I will shew thee:

And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:

And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."

Genesis 12:1-3

The first mark is that Abraham would be made into a great nation. The Hebrew word translated "nation" is "Goy." It is translated in the King James Bible into the word "nation, " "people, " and, in a few places, into the word "gentile."

You could confound the fundamentalists and the Jews, right here, if you were to translate "nation" into "gentile," because it would, then, read that God had said unto Abram: "I will make of thee a great GENTILE." Obviously, the correct interpretation would be "nation" or "people" - a great people. That could be either people who were renowned or who were great in numbers, or both. Most-probably, it means "great in numbers" since that phrase is repeated so often.

For comparison, the Jews, today, claim to be less than twenty million people, of which about two and one-half million are in Palestine. Whereas, the Anglo-Saxon and kindred peoples, in the nations which follow Jesus Christ the Redeemer of Israel, number somewhere between four hundred and six hundred million people. It is hard to give an exact number because the Anglo-Saxon people are in nations where they are mixed in with other races. Sometimes the census shows the total population, instead of breaking the numbers down to show the total of each race. Certainly, there are a much greater num-

ber of Anglo-Saxon and kindred people than Jews.

Also, remember, that this promise was given before Abram's name was changed to Abraham. At the time the promise was given, Abram

had other descendants than those we call Israelites today. These descendants are, also, Abraham's seed.

Genesis, chapter sixteen, states:

"Now Sarai Abram's wife bare him no children: and she had an handmaid, an Egyptian, whose name was Hagar. And Sarai said unto Abram, Behold now, the Lord hath restrained me from bearing: I pray thee, go in unto my maid; it may be that I may obtain children by her. And Abram hearkened to the voice of Sarai.

And Sarai Abram's wife took Hagar her maid the Egyptian, after Abram had dwelt ten years in the land of Canaan, and gave her to her husband Abram to be his wife.

And he went in unto Hagar, and she conceived. . . "

Genesis 16:1-4

So Hagar actually bore a child, which was Abram's first-born. God had promised a son, of course, through Sarai. Read on in Genesis, chapter seventeen:

"And God said unto Abraham, As for Sarai thy wife, thou shalt not call her name Sarai, but Sarah shall her name be.

And I will bless her, and give thee a son also of her: yea. I will bless her, and she shall be a mother of nations; kings of people shall be of her.

Then Abraham fell upon his face, and laughed, and said in his heart, Shall a child be born unto him that is an

hundred years old? and shall Sarah, that is ninety years old, bear? And Abraham said unto God, O that Ishmael might live before thee!"

Genesis 17:15-18

So Abraham was saying: I don't believe that I will have a son with Sarah, so why don't you take Ishmael and make him my true son?

"And God said, Sarah thy wife shall bear thee a son indeed: and thou shalt call his name Isaac: and I will establish my covenant with him for an everlasting covenant, and with his seed after him."

Genesis 17:19

There was going to be a specific covenant with Isaac who would be the true seed of Abraham. but God goes on:

"And as for Ishmael, I have heard thee: Behold, I have blessed him, and will make him fruitful, and will multiply him exceedingly: twelve princes shall he beget, and I will make him a great nation."

Genesis 17:20

Here is a specific promise to descendants of Abraham, OTHER TffAN ISRAELITES, who are to be a great nation or a great people.

"But my covenant will I establish with Isaac, which Sarah shall bear unto thee at this set time In the next year."

Genesis 17:21

After Isaac was born, Sarah in jealousy cast out Hagar and Ishmael.

"And Sarah saw the son of Hagar the Egyptian, which she had bom unto Abraham, mocking.

Wherefore she said unto Abraham, Castout this bondwoman and her son: for the son of this bondwoman shall not be heir with my son, even with Isaac.

And the thing was very grievous in Abraham's sight because of his son.

And God said unto Abraham, Let it not be grievous in thy sight because of the lad, and because of thy bondwoman; In all that Sarah hath said unto thee, hearken unto her voice: for In Isaac shall thy seed be called.

And also of the son of the bondwoman will I make a nation, because he is thy seed."

Genesls 21:9-13

God states again that these descendants through Hagar and Ishmael are Abraham's seed, and would be made into a great people.

"And Abraham rose up early In the morning, and took bread, and a bottle of water, and gave it unto Hagar, putting it on her shoulder, and the child, and sent her away: and she departed, and wandered in the wilderness of Beer-sheba.

And the water was spent In the bottle, and she cast the child under one of the shrubs.

And she went, and sat her down over against him a good way off, as it were a bowshot: for she said, Let me not see the death of the child. And she sat over against him, and lift up her voice, and wept."

Genesis 21:14-16

Here is Ishmael, in effect, going through the same type of crisis that Isaac did. Remember, Isaac was put on the altar and brought almost to the point of death. Ishmael is laid out in the sand under a bush and he is going to die.

Continuing:

"And God heard the voice of the lad; and the angel of God called to Hagar out of heaven, and said unto her, What aileth thee, Hagar? fear not; for God hath heard the voice of the lad where he is.

Arise, lift up the lad, and hold him in thine hand; for I will make him a great nation."

Genesis 21:17-18

Then God gave her the lad back and saved his life.

Now, most people in that part of the world today, know that the Arabs are descendants of Ishmael. There are about two-hundred million Arabs who know who they are. There probably is not one Christian in a hundred in America that has ever had it brought to his mind that these Arabs are descendants of Abraham; and, therefore, have a covenant with God Almighty. God promised to make them a great people and promised He would bless them.

In spite of much light shed by the Bible to the contrary, the fundamentalists in America are always parading the words: "the Jews are the descendants of Abraham," and "the Jews are Israel." In fact, they spout over the airwaves, day after day and year after year, that because the Jews are the descendants of Abraham they have a God given right to all the land from the river Nile to the Euphrates.

Jerry Falwell, Robinson, Adrian Rodgers (president of the Southern Baptist Convention), and several other ministers, met with Menachim Begin. This meeting was reprinted in Falwell's publication, "The Moral Majority." They, in effect, promised him the support of all

American Fundamentalist Christians in the Jewish claim to the lands in Palestine. This support even extended to lands which they still do not have.

To justify their support these ministers quote Genesis:

"In the same day the Lord made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates."

Genesis 15:18

It is significant that today, most of the Arabs, the descendants of Ishmael, live in the area between the Nile and the Euphrates. Ignoring this fact, the fundamentalists tell us the Jews have a Biblical right to that land. In truth, this promise was made to Abraham's seed, not necessarily to Israel. Remember, Ishmael was born to Abram before his name was changed to Abraham. Abraham has other seed than those of Jacob-Israel.

Fundamentalists never mention that these Arabs follow a religion called Mohammedanism. The Mohammedans claim Abraham for their father and teach that Jesus Christ was a great prophet of God. They honor Jesus Christ, whereas, the people who follow the religion of Judaism (and who also claim they are Abraham's seed), actually curse Jesus Christ and do not even consider Him a prophet in any shape or manner.

What has happened is these fundamentalists have, in effect, cast the United States on the side of the Jewish claim to the land in the Middle East. This is in opposition to what we know from history and the Bible. These two-hundred million, or more, people in the Arab lands are truly Abraham's seed.

There are other non-Israelitish descendants of Abraham besides the Arabic people. I suspect that not one church-goer in a thousand even knows about them, or has ever read these verses of Scripture:

“And Sarah was an hundred and seven and twenty years old: these were the years of the life of Sarah. And Sarah died In Kirjath-arba; the same is Hebron In the land of Canaan: and Abraham came to mourn for Sarah, and to weep for her.”

Genesis 2.3:1-2

Sarah had died, and then in chapter twenty-five of Genesis we read:

“Then again Abraham took a wife, and her name was Keturah. And she bare him Zimran, and Jokshan, and Medan, and Midian, and Ishbak, and Shuah.

And Jokshan begat Sheba, and Dedan. And the sons of Dedan were Assburim, and Letushim, and Leummim.

And the sons of Midian: Ephah, and Ephraim and Hanoch, and Abida, and Eldaah. All these were the children of Keturah. And Abraham gave all that he had unto Isaac.”

Genesis 25:1-5

Here are listed six sons of a woman named, Keturah, whom Abraham had as a wife after Sarah had died. Then in verse six, we read:

“But unto the sons of the concubines, which Abraham had, Abraham gave gifts, and sent them away from Isaac his son, while he yet lived, eastward, unto the east country.”

Genesis 25:6

Abraham had other sons by his concubines. That means there are possibly another fifty million, or more, people descended from Abraham. They would be in the land of Iran, Iraq, and Pakistan. They would, also, include the Persians, and those people in the east country.

Who are they? Descendants of Abraham who would, therefore, come under the covenant that God made with Abraham in the twelfth chapter of Genesis. This is the same covenant that the fundamentalists claim is the exclusive property of the Jews. We have not even discussed the descendants of Isaac and Jacob, and, already, we have at least a quarter of a billion descendants of Abraham, who now occupy the land that was promised to them.

Let's examine some other marks found in the twelfth chapter of Genesis.

“And I will make of thee a great nation, and I will bless thee, and make thy name great; and thou shalt be a blessing:”

Genesis 12:2

They were to be blessed by God. Strangely, these people we have just been discussing — these descendants of Keturah, known as the Arabic nations of today — are becoming exceedingly wealthy through the oil that has been found in their lands. There is NO OIL in Jewish occupied Palestine! Not one single solitary well! In fact, when the Jews drilled for oil they got salt water. I do not believe that was just a coincidence.

Golda Meir was complaining, some years ago, about Moses leading the Jews out of Egypt into a land that had very little water and no oil. She felt they would have been more satisfied if they had had

oil. She recognized that oil has been a much greater blessing to the Arabs than the small amount of water in the land of Palestine has been to the Jews.

Some economists estimate that, if the present trend continues, the wealth from the oil could, conceivably, put many of these Arab nations in control of what are currently Jewish World Banks. They could either cause the Jewish banks to collapse or take them over. I believe that is why the communists have gone into Afghanistan and, probably, will try to take over Iran and other Arab nations. The communists must keep this Arabian wealth from being used against them. They must keep the Arab nations, which are very anti-communist, under control. Some nations, such as Egypt, have actually expelled the communists. They are not even allowed inside the country.

As descendants of Abraham, these Arabs come under the first covenants. They do have some of the marks that were given to Abraham's descendants. They have been blessed of God all down through the ages; far above India, for instance, and far above the black nations of Africa, and of the Mongols of Asia. Even considering the last several so-called "world" wars, the Arab nations were not affected. They had very few victims of those wars, compared to even our own people. The Arab nations have had centuries of peace, compared to the Anglo-Saxon countries. Is it because they are of Abrahamic heritage?

"And I will make of thee a great nation and I will bless thee, and make thy name great; and thou shalt be a blessing: And I will bless them that bless thee, and curse him that curseth thee: and in thee shall all families of the earth be blessed."

Genesis 12:2-3

They were not only to be blessed of God, they were, also, to be a blessing to other races. Others would be blessed or cursed by God, depending on their attitude towards Abraham's seed. Although it is common for ministers of today to say that nations are blessed or cursed according to their attitude towards the Jews, it does not say that in the Bible. It just says Abraham.

The two realms in which a nation can be blessed are in the material and in the spiritual. The vast majority of the earth's people are sadly-lacking in both of these realms. Most of the world's people believe, or are controlled by those who believe, false religions. However, one race of people upon the earth does have in its possession the key to the true religion. That race of people, also, have an abundance of both the material wealth of the world and the ability to produce more for itself and other nations. That race is quite obviously the White European race.

If the Jews are the people spoken of in Genesis 12:2, then we are asked to believe that for two-thousand years God has withheld from them the blessings of the true religion. He has, also, left them with the fables and contradictions of Judaism, which curses and denies the very one that God Almighty sent to redeem Israel: the Lord Jesus Christ. That is not much of a blessing, is it?

The third mark is that they were to be a blessing to all the families of the earth. Not only do we Anglo-Saxons have in our possession Christianity, the true religion, which we practice to some extent; but, tens of thousands of our race have carried the rudiments of that religion to untold millions of other races in all corners of the globe. Wherever Christianity has been accepted, to any extent, it has been a

blessing to that people. Along with that, food, clothing, inventions, technology and machinery have been poured out in abundance from our White nations to other races of the earth.

You can search the pages of history in every library in the world and you will find no record of the people of any other race making any effort to help those of a race other than their own. It is only the White race which has given its religion, its talents, its money and its material wealth to every race on the globe.

Concerning the first half of verse three, quoted above: "I will bless them that bless thee, and curse him that curseth thee," it is rather common for radio preachers to comment on this by claiming that every nation that has mistreated the Jews has been destroyed. They will start with Egypt, Babylon and Assyria, and they always end up with Germany, of course. As far as I know, they never follow by telling us that it was the Germans who drove out the Jews, prior to World War II.

Today, forty years later, what is the most prosperous nation in Europe? GERMANY. It was England that supposedly went to the rescue of the Jews and saved them from the Germans in that war. What is happening to Britain? Spiritually and materially they are being destroyed, they have lost their empire. The nation is corrupt and in debt to the extent that Britain can have an economic collapse at any time. Some blessing!

Another thing that the fundamentalists do not tell us is that, from the twelfth century to the fourteenth century, most of the nations of Europe drove the Jews out of their countries. Europe, then, had a Renaissance, and, with the Reformation,

came the age of invention and discovery. God blessed them more than they had ever been blessed in the years prior to driving the Jews out of their land.

In a book entitled, "The Thirteenth Tribe" the author, Jewish historian Arthur Koestler, states on pages 152 through 161 that during what was called the dark ages the Jews were:

"mint-masters, administrators of the royal revenue, tax collectors and 'money lenders' — i.e. bankers.... foreign trade and the levying of customs duties had been the Khazars' principal source of income. . ."

He, also, says that during that time they lost the name KHAZAR, and became known as "Jews."

During the dark ages, commerce was largely in Jewish hands, including the slave trade. As you study history, you will find that the probable cause of what we call "the dark ages" was twofold. Number one: the false religion, called the Catholic Church; and number two: all trade, commerce and politics was in the hands of the Jews, who oppressed the people and made them live literally as paupers.

It was not until the Jews were removed from Europe, by these various nations, that we had what is called the Renaissance. Then, as the Jews have come back, these nations have gone back under false religion, debt, and bondage. I have heard it said, specifically, that the United States has been blessed because we have helped the Jews. In order to continue God's blessing, we must continue to help the Jews. What is not mentioned is that the blessing on these people in North America came in great abundance long before the Jews ever came to these shores.

In fact, the Jews were not allowed to reside in most of the early colonies. In some colonies, where they were allowed to live, they were not allowed to vote, own property or hold political office. Yet, at that time, God gave great blessings to this land.

Today, we help the Jews more than any other nation in the Christian West. In fact, Golda Meir stated on national television: "The United States is the best friend the Jews have in the world." That is a direct quote. Yet, what is happening to America? We are being crushed with debt, crime, immorality, disease and political corruption. We are now disarmed and almost helpless before the communist juggernaut.

The blessings that we had in past centuries are disappearing; as we allow the Jews to move into high government offices, the medical and law professions and into education. The more we help them the worse off we are.

Something is wrong with the theory or philosophy that God will bless those that bless the Jews, and curse those that curse them. Of course, it did not say that in the first place, did it? It said that God would bless those who blessed ABRAHAM and would curse those who cursed Abraham. That would either mean Abraham personally, or his descendants. The non-Israelite descendants of Abraham cannot possibly be called Jews, but are the Arabic and related peoples.

"And I will make thy seed as the dust of the earth: so that if a man can number the dust of the earth, then shall thy seed also be numbered."

Genesis 13:16

More Marks of Israel

This is mark number five — Abraham's seed was not only to be a great multitude of people, but, here specifically, they CANNOT be numbered. They are uncountable.

"And he brought him forth abroad, and said, Look now toward heaven, and tell the stars, if thou be able to number them: and he said unto him, So shall thy seed be."

Genesis 15:5

Abraham would be unable to number his seed anymore than you can number the stars.

Strangely enough, of all the people of the earth who keep a record of their numbers, the Jews keep the most detailed record. In fact, the Jewish Statistical Bureau in New York City will tell you, as of any one date, the exact number of Jews in any city in America, the Soviet Union or anywhere else. They keep a very accurate record through the Rabbis.

From what little we have studied here, it is obvious we cannot number Abraham's descendants. The numbering in the Arab countries is very poorly done and quite inefficient. They make estimates of their population. We try to keep some fairly accurate records in the nations of Anglo-Saxondom; but because we are mixed up with so many other people, it is still impossible for us to tell exactly how many Anglo-Saxon, Scandinavian, Germanic and kindred peoples there really are. According to the Bible, the descendants of Abraham would have the mark of not being able to be accurately-numbered. Obviously, the Jews cannot possibly have this mark since they keep such accurate count of their numbers.

The next mark is in Genesis fifteen, beginning in verse twelve,

“And when the sun was going down, a deep sleep fell upon Abram; and, lo, an horror of great darkness fell upon him. And he said unto Abram, Know of a surety that thy seed shall be a stranger in a land that is not theirs, and shall serve them; and they shall afflict them four hundred years; And also that nation, whom they shall serve, will I judge: and afterward shall they come out with great substance.”

Genesis 15:12-14

Of course, that prophecy was fulfilled by Joseph going down into Egypt. Then, the rest of the twelve sons of Jacob, and Jacob himself, grew into a multitude in Egypt. They were placed in bondage in Egypt and then were brought out, led by Moses. This is all told in the book of Exodus exactly as it happened. Mark number six would be their captivity in Egypt.

In the eighth chapter of John, there is another passage never read by the proponents of the "Jews are Israel" theory or doctrine. Here Jesus is speaking to the ancestors of the modern Jews:

“Then said Jesus to those Jews which believed on him, If ye continue in my word, then are ye my disciples indeed; And ye shall know the truth, and the truth shall make you free. They answered him, We be Abraham's seed, and were never in bondage to any man: how sayest thou, Ye shall be made free?”

John 8:31-33

They could not have made that statement if they had been Israelites. Israel was not

only in bondage in Egypt, but the book of Judges lists six captivities. They were taken to Assyria, then into Babylon, all before Christ's time. Yet, here are the Jews saying: "we were never in bondage to any man." Jesus spoke further to them in verse thirty-seven:

“I know that ye are Abraham's seed; but ye seek to kill me, because my word hath no place in you. I speak that which I have seen with my Father: and ye do that which ye have seen with your father. They answered and said unto him, Abraham is our father. Jesus saith unto them, If ye were Abraham's children, ye would do the works of Abraham. But now ye seek to kill me, a man that hath told you the truth, which I have heard of God: this did not Abraham.”

John 8:37-40

Jesus acknowledged that these people, the ancestors of the modern Jews, were talking to Him. The Jews had some ancestry in Abraham, but Christ said: you are NOT Abraham's children.

These modern Jews, and even the Jews speaking to Jesus in that day, were descendants of Jacob's brother, Esau. Therefore, they could claim ancestry in Abraham, but they could, also, say "we were never in bondage to any man." The descendants of Esau did not go into Egypt, therefore, they were not in the six captivities written of in Judges. Nor were they captives in Assyria or Babylon. Yet, they could still claim they were the seed of Abraham.

You are aware that, in the book of Genesis, Esau sold the birthright to Jacob. Then, in chapter thirty-six of Genesis, we find that Esau married

Canaanite wives. The descendants of Esau would be the Canaanites and Idumeans (Edom). They are known today as the modern Jews. They can claim ancestry in Abraham, but were not in Egypt nor in the captivities in any other place where ISRAEL was captive, so they do not have the mark of the Egyptian captivity.

Mark number seven is found in a verse we have already read in the fifteenth chapter of Genesis - they were to be given a great land area in the Middle East.

“In the same day the Lord made a covenant with Abram, saying, Unto thy seed have I given this land, from the river of Egypt unto the great river, the river Euphrates.”

Genesis 15:18

It would be the non-Israelitish descendants of Abram, the people descended from Keturah and Hagar, who now have that property. If you leave only the Jews in that prophecy, as the ministers do, and say they should have all the land between the Nile and the Euphrates, then you are going to have to push the OTHER descendants of Abraham out of their lands.

Mark number eight is, also, in Genesis, chapter seventeen, where God is speaking to Abram:

“As for me, behold, my covenant is with thee, and thou shalt be a father of many nations. Neither shall thy name anymore be called Abram, but thy name shall be Abraham; for a father of many nations have I made thee.”

Genesis 17:4-5

Most Bibles state, in the marginal reference, that "many nations" means a

"multitude of nations." So, no matter what you do with that, you cannot make the Jews the sole beneficiaries or descendants of Abraham. The Jews have never been a "multitude of nations."

The Arabic nations would constitute a multitude. The sons of Keturah, who would be further east, also, could be considered a multitude. Then, Isaac-sons, the Anglo-Saxons, are many nations.

“And I will establish my covenant between me and thee and thy seed after thee in their generations for an everlasting covenant, to be a God unto thee, and to thy seed after thee.”

Genesis 17:7

God made a covenant with Abraham that He would be the God of the seed of Abraham. We would have to deny all that the New Testament teaches about Jesus Christ, if we were to say that the Jews actually-worship the God of the Old Testament. Jesus Christ, according to both the Old and the New Testament was "Immanuel, God with us, God Incarnate, God in the flesh." The basic doctrine of Christianity is that none can come to the Father EXCEPT through Jesus Christ. Anyone worshipping any other god than Jesus Christ, is NOT worshipping the God of the Bible. The Jews, by new Testament definition, are worshipping a FALSE GOD. Yet, we have the promise of God to Abraham, that he would be the God of these descendants and they would receive these covenants and promises all through the age.

The whole world recognizes that it is only the Anglo-Saxon nations whose God, whose ONLY GOD, is the Redeemer of Israel, the Lord Jesus Christ. We are the only people who really have that mark. that God has always been our God, and we have always been His people.

The Jews Are Usurpers of Israel's Inheritance

I have gotten through only nine of the thirty-three marks I wish to discuss. It should be rather plain that the Jews do not fit very well in any of these marks. They are usurpers of the name of Israel and they simply do not have any of the marks that were to be upon God's people, especially upon the Israel people in this age.

Mark number ten is also found in the seventeenth chapter of Genesis:

“And I will give unto thee, and to thy seed after thee, the land wherein thou art a stranger, all the land of Canaan, for an everlasting possession; and I will be their God.”

Genesis 17:8

That was fulfilled when Israel came out of Egypt and was given the land of Canaan. They possessed it for a little over nine hundred years and then most of them were gone for good. Some were gone for seventy years, in the Babylonian captivity, and then came back. They were in the land again for five hundred years until about thirty years after Jesus. If the word "everlasting" means "age-long," as it does in most cases where it is translated from the Hebrew, then that prophecy has been fulfilled. Israel did have the land of Canaan in that age. They had it just a few years into the next age, which was the age following Jesus Christ. The Jews have been there now, in the end of this age, for a little over thirty years, and they seem to be hanging on by the skin of their teeth. However, it is possible that they are there because of prophecy.

In the thirty-sixth chapter of Ezekiel there is a prophecy about that ancient

land. God is speaking through the prophet:

“Also, thou son of man, prophesy unto the mountains (or nations) of Israel, and say, Ye mountains of Israel, bear the word of the Lord:

Thus saith the Lord God; Because the enemy hath said against you. Aba, even the ancient high places are ours in possession:

Therefore prophesy and say. Thus saith the Lord God; Because they have made you desolate, and swallowed you up on every side that ye might be a possession unto the residue of the heathen, and ye are taken up in the lips of talkers. and are an infamy of the people:”

Ezekiel 36:1-3

There would be a time, according to this prophecy, that the enemies of Israel would say in derision, “Israel we have the ancient high places in our possession.” The ancient high places are the ancient places of worship in old Canaan land, in what was the Israel land. Is that the Jews position, or is that the position of the Anglo-Saxon and kindred peoples? Who has the high places in their possession? The enemies of Israel. The Anglo-Saxons are the ones who are being brought low. We are the ones being swallowed up on every side. We are the ones whose wealth is being given to the heathen; we are disgraced, abused and talked about in all the nations of the world, and blamed for all the world's ills. God is saying this of Israel: the time would come when YOU, Israel, were like that, and at the same time the enemies of Israel would be in possession of the ancient high places.

“Therefore, ye mountains of Israel, hear the word of the Lord God; Thus saith the Lord God to the mountains,

and to the hills, to the rivers, and to the valleys, to the desolate wastes, and to the cities that are forsaken, which became a prey and derision to the residue of the heathen that are round about;”

Ezekiel 36:4

There, again, what nations, what peoples, what cities are being taken over by aliens to their race? The heathen are occupying the cities of America and are literally taking control of our nation.

“Therefore thus saith the Lord God; Surely in the fire of my jealousy have I spoken against the residue of the heathen, and against all Idumea, which have appointed my land into their possession with the joy of all their heart, with despiteful minds, to cast it out for a prey.”

Ezekiel 36:5

Here some people are named Idumea. This is the word for the people of Edom. Here is a prophesy that Edom would take God's land in order to divide it, conquer it and cast it out for a prey. That brings up this question: is Palestine God's land? Who has that land? The Jews have it. If Palestine is God's land, then the Jews must be Edom. If God's land is the United States, or all of the Christian West, who again controls it? The Jews control it. Whichever land you think is God's land, you will find that the Jews are in control of that land. You then come to the conclusion that Edom wants to take control of whatever would be God's land. The Jews have that control. Therefore, the Jews are fulfilling the prophecies concerning Edom, not Israel. Especially the prophecy that says they would have the ancient high places in their possession.

Is Circumcision a Mark of Israel?

Let's go on with the next mark, number eleven, also found in the seventeenth chapter of Genesis:

“And God said unto Abram, Thou shalt keep my covenant therefore, thou, and thy seed after thee in their generations. This is my covenant, which ye shall keep, between me and you and thy seed after thee; Every man child among you shall be circumcised. And ye shall circumcise the flesh of your foreskin; and it shall be a token of the covenant betwixt me and you.”

Genesis 17:9-11

At that point, someone says: aha, we have you there, the Jews are the ones who circumcise, therefore, they are the Israel people. The Arabs, also, practice circumcision. They are the descendants of Ishmael and, of course, the descendants of Abraham, in that manner.

What does the New Testament have to say about circumcision?

“For circumcision verily profiteth, if thou keep the law: but if thou be a breaker of the law, thy circumcision is made uncircumcision.”

Romans 2:25

Do you know of a people who violate God's law with more diligence than the people we call the Jews?

Continuing in Romans:

“Therefore if the uncircumcision keep the righteousness of the law, shall not his uncircumcision be counted for circumcision?”

And shall not uncircumcision which is by nature, if it fulfil the law, judge

thee, who by the letter and circumcision dost transgress the law? For he is not a Jew [Judean], which is one outwardly; neither is that circumcision, which is outward in the flesh: But he is a Jew [Judean], which is one inwardly; and circumcision is that of the heart, in the spirit, and not in the letter; whose praise is not of men, but of God."

Romans 2:26-29

In other words, heart circumcision is the mark of circumcision, the covenant of circumcision. Then, it would be obvious that the Israel of this age would have heart circumcision, not flesh circumcision. Flesh circumcision in disobedience is uncircumcision according to the above verses.

Let us see if anyone was promised circumcision of the heart in the end of this age. Moses, still speaking to the children of Israel, in the tenth chapter of Deuteronomy, says:

"And now, Israel, what doth the Lord thy God require of thee, but to fear the Lord thy God, to walk in all his ways, and to love him, and to serve the Lord thy God with all thy heart and with all thy soul, To keep the commandments of the Lord, and his statutes, which I command thee this day for thy good? Behold, the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is. Only the Lord had a delight In thy fathers to love them, and he chose their seed after them, even you above all people, as it is this day. Circumcise therefore the foreskin of your heart, and be no more stiff-necked."

Deuteronomy 10:12-16

Here is a command, way back when the Israelites were still in the wilderness, that to obey the law they were to circumcise the foreskin of their heart. Then, in chapter thirty of Deuteronomy, after Moses has taught Israel the law, he begins to give them a prophecy:

"And it shall come to pass, when all these things are come upon thee, the blessing and the curse, which I have set before thee, and thou shalt call them to mind among all the nations, whither the Lord thy God hath driven thee."

Deuteronomy 30:1

In other words, this is a prophecy which will come to pass after some future dispersion, or driving out of the Israel people. In verse six of the same chapter is one of the things that would come to pass:

"And the Lord thy God will circumcise thine heart, and the heart of thy seed, to love the Lord thy God with all thine heart, and with all thy soul, that thou mayest live."

Deuteronomy 30:6

Who was promised circumcision of the heart by God Almighty? The Israel people. That Biblical or Scriptural mark of Israel is upon our race, NOT upon the race of the Jews. At least ninety-five percent of all professing Christians in the world come from the race of Anglo-Saxon, Celtic and kindred people. They have the Biblical mark of circumcision of the heart, which was a mark of Israel.

The twelfth mark is in the eighteenth chapter of Genesis:

"And the Lord said, Shall I hide from Abraham that thing which I do; Seeing that Abraham shall surely

become a great and mighty nation, and all the nations of the earth shall be blessed in him?

For I know him, that he will command his children and his household after him, and they shall keep the way of the Lord, to do justice and judgment; that the Lord may bring upon Abraham that which he hath spoken of him."

Genesis 18:1719

This is a mark of Israel: they were to keep the way of the Lord, to do justice and judgment. This mark was passed on to Isaac and Jacob Israel. Which nation, or nations, have that mark upon them? Which ones try to do righteousness according to God's way or God's law? Is it Jewish occupied Palestine — or is it America? Who, in America, are the greatest violators of God's law? Who attempt to teach and do injustice and unrighteousness? It is the Jewish people.

There was an advertisement for two books in the "Spotlight" of September 1, 1980. The two books were offered by the American Presbyterian Press. Here is the address in case anyone would want to order one or both of them: Box 46, Sutton St., Uxbridge, ME 01569.

One of the books they offered is entitled, The New Phariseeism. say of this book: "This book is a theory of British-Israelism, the belief that the Anglo-Saxon race are the lost tribes of Israel. It gives a hardhitting analysis of the thinking of the theology of the British-Israelites and counters it with a devastating logic, annihilating it from the Scriptures, even as it defends the historic Christian faith and the gospel of Christ and the Apostles." This book supposedly-refutes the truth that we are the Israel people.

The second book is entitled, The Hebrew Republic. They say about this book: "A valuable reprint of book two of Wine's Commentary on the laws of the ancient Hebrews. This book is a masterpiece of Biblical political science. Wine's careful and detailed analysis of the law of Moses finds in them all the republican principles of government that our forefathers used in the foundation of the American Republic. It definitely-establishes that, not to pagan Greece or Rome, but to the divinely-inspired policy of Moses are we indebted for the form of government which is our heritage."

In other words, they put out one book which supposedly-refutes the teaching that we are Israel. Then, they offer another book, in the same advertisement, which tells us that the foundation of American politics and social science is the Bible, the law of Moses (God's Law).

What people were to found their nation on the law of Moses? The Israel people! So, one book proves that we are Israel, while in the other they try to prove that we are not. Apparently, whoever ran that ad for the Presbyterian Press did not understand that one book refutes the other.

We are Abraham's descendants. It was to be a mark of Israel that they were to do justice and righteousness. In what race or in what nation is that being fulfilled? In America, according to the book, The Hebrew Republic. America is the only nation in all the world founded on the law of Moses and the teachings of Jesus Christ.

Mark thirteen is found in the twenty-second chapter of Genesis:

"And the angel of the Lord called unto Abraham out of heaven the second time.

And said, By myself have I sworn, saith the Lord, for because thou hast done this thing, and hast not withheld thy son, thine only son: That in blessing I will bless thee, and in multiplying I will multiply thy seed as the stars of the heaven, and as the sand which is upon the sea shore; . . .”
Genesis 22:15-17

Who Once Controlled the World's Ports and Passages?

That is a repeat of a previous mark depicting a great host of people. Here is mark thirteen itself:

“ . . . and thy seed shall possess the gate of his enemies.”
Genesis 22:17

Now, most people have interpreted that to mean the points of world control; the sea and ocean passages such as the straits, the ends of the continents, and the great canals and riverways. These were all controlled by the Anglo-Saxon people, except that now, through disobedience, we are losing that control, as was prophesied in the Bible. We have already lost the Suez, the passages in the East Indies, Singapore, Malta, the Dardanelles, Cuba, and now we have given away the Panama Canal. The question is: will we yet lose control of South Africa and the Straits of Magellan? Consider, also, north of Norway, and the Bering Strait between Alaska and Siberia. The Russian navy is moving to control all the sea gates of the world. Those sea gates were prophesied to be in the possession of Israel. They were, until we lost them through disobedience.

While we were in Washington D.C., visiting the senators and the congressmen, they were voting on the Panama Canal Treaty. This treaty would turn the

Panama Canal over to Panama. We had a map showing how, fifty years ago, the Anglo-Saxon nations controlled all trade routes of the world through these sea passages and canals, and how we were losing control. We showed them the prophecies that told how they would be lost. We told these senators we did not care how they voted, or what they did because God Almighty was going to take the Panama Canal away from us. Because it is one of the gates of the world that is exactly what happened.

What Nations are Known for Their Bountiful Harvests?

Mark number fourteen is found in the twenty-seventh chapter of Genesis:

“Therefore God give thee of the dew of heaven, and the fatness of the earth, and plenty of corn and wine:”
Genesis 27:28

This was repeated and elaborated upon in the thirty-third chapter of Deuteronomy, where God spake through Moses about Joseph:

“And of Joseph he said, Blessed of the Lord be his land, for the precious things of heaven, for the dew, and for the deep that coucheth beneath, And for the precious fruits brought forth by the sun, and for the precious things put forth by the moon, And for the chief things of the ancient mountains, and for the precious things of the lasting bills, And for the precious things of the earth and fulness thereof and for the good will of him that dwelt in the bush: let the blessing come upon the head of Joseph, and upon the top of the head of him that was separated from his brethren.”

Deuteronomy 33:13-16

This would be a promise of great agricultural harvest and wealth from the earth. There the Anglo-Saxon nations, and especially America and Canada (not forgetting South Africa and Australia), win hands down. They are the world's most successful farmers.

Other races, such as in India, plant a bushel of grain, and harvest between two and five bushels of grain back for the bushel they put into the ground. The American farmer, on the other hand, plants a bushel of grain and gets back thirty to sixty bushels, sometimes using the same farming methods. In fact, some of the Peace Corps people, and farmers who have gone to the heathen in Africa and India, have been amazed to find that, even though they teach them how to farm, they simply do not get the harvest that people do here on this North American continent.

"Acres U.S.A." had some comparisons between Russia and the United States in agricultural produce. They stated: the Russian farmer works approximately thirty hours to produce one bushel of wheat. The American farmer works six minutes to produce one bushel of wheat. That has to be the divinely-fulfilled prophecy that God's Israel people would be blessed with these great agricultural harvests.

The Jews can't even farm. I have often asked people if they even know a Jewish farmer. I have not found anyone yet who knows a Jew who can raise things. You might take a look at where Jews live. Most live in the cities. Many of them live in high-rise apartment buildings and you hardly ever see a green thing growing there.

The comparison was rather startling to the people who travelled with us when we

were in England. Even in England, where Anglo-Saxons live in houses all crushed together, they have window boxes filled with greenery hanging on every window. These Anglo-Saxons have to get their fingers in the dirt as soon as the frost leaves in the spring. Why? Because they are farmers. They are the best farmers on earth, which is one of the marks of Israel.

Mark number fifteen is, also, found in the twenty-seventh chapter of Genesis:

"Let people serve thee, and nations bow down to thee: be lord over thy brethren, and let thy mother's sons bow down to thee: cursed be every one that curseth thee, and blessed be he that blesseth thee."

Genesis 27:29

So, they were to rule over other people. What race of people, when they are in obedience to God, easily rule over all other races?

Several centuries ago, when our people were just coming into the light of God's word, the Reformation was swaying Europe. The Anglo-Saxon people began to go to the other continents. A handful of men of our race placed in subjection the heathen races in other countries. At one time, with less than thirty thousand soldiers, Britain had control of all of India.

We read in history of battles where a handful of White, Anglo-Saxon people put to flight a thousand, or even five thousand of these heathen. The heathen could not stand against God's Israel people. Why? Because God had given us rule over other nations as long as we were in obedience to His law. That ability to rule is, of course, disappearing as we are in disobedience.

Now, let's look at the other side of the coin. If you say the Jews are the Israel

people, then how do you explain that the Jews are now gaining rule over our nation and over all other nations? This is happening in spite of the fact that they refuse to recognize the Redeemer of Israel, Jesus Christ, and are so deep in transgression of God's Word. You see, the very opposite is happening to them that should have happened to the children of Israel.

Deuteronomy twenty-eight lists the blessings, which are the marks of Israel, that they would have for obedience:

“And all these blessings shall come on thee, and overtake thee, if thou shalt hearken unto the voice of the Lord thy God.

. . .to be smitten before thy face: they shall come out against thee one way, and flee before thee seven ways.”

Deuteronomy 28:2 & 7

When the Spaniards came into Central America and Mexico, the history books tell us how cruel they were, and how they destroyed those cities down there, etc. The Spaniards had discovered that the Aztecs, and other inhabitants, were practicing human sacrifice. The Aztecs actually brought hundreds, maybe thousands, of people in and sacrificed them on their pagan altars. The Spaniards, who were attempting to follow the Lord Jesus Christ, became like madmen. They went in and tore down those altars, and cut the heads off the priests, and placed the Aztecs under subjugation.

This is exactly what Israel was supposed to do to the heathen: tear down their altars and destroy their false gods. The modern liberals today, of course, think those Spaniards did a terrible thing. However, they were doing just what Israel was supposed to do. Destroying heathen religions.

In Deuteronomy, chapter twenty-eight, we read of the curses which would come upon Israel for disobedience:

Verse fifteen

“But It shall come to pass, If thou wilt not hearken unto the voice of the Lord thy God, to observe to do all his commandments and his statutes which I command thee this day; that all these curses shall come upon thee. and overtake thee:”

Verse twenty-five

“The Lord shall cause thee to be smitten before thine enemies: thou shalt go out one way against them, and flee seven ways before them: and shalt be removed Into all the kingdoms of the earth.”

Verse thirty-two

“Thy sons and thy daughters shall be given unto another people. and thine eyes shall look and fall with longing for them all the day long: and there shall be no might in thine hand.”

Verses forty-three &. forty-four

“The stranger that is within thee shall get up above thee very high; and thou shalt come down very low.

He shall lend to thee. and thou shalt not lend to him: he shall be the head, and thou shalt be the tail.”

Israel, in disobedience, was to go into debt. Do you know of any other nations in the world that have more debt than the Anglo-Saxon nations of the United States, Canada and Australia? Why? Because WE ARE THE ISRAEL PEOPLE, God is causing these curses to come upon us just as He said.

“Therefore shalt thou serve thine enemies which the Lord shall send

against thee, in hunger, and in thirst, and in nakedness, and in want of all things: and he shall put a yoke of iron upon thy neck, until he have destroyed thee.”

Deuteronomy 28:48

The Jews are so far in disobedience that they violate all of the commandments. They blaspheme Jesus Christ, the Redeemer of Israel, and yet, is any of this happening to them? NO! They have their own nation and they are taking rulership over ours. They cannot be Israel or else the Word of God is not true.

In Christendom, they form huge organizations, with millions of dollars, to stop the teaching of the Bible in schools. They attempt to stop prayer in the public schools. Their television and movies ridicule, and destroy the Christian religion. Yet, they are blessed, they are becoming wealthy, and they are taking rule. That should not, and cannot, happen to Israel.

Let's read a New Testament explanation of what is happening to us. This letter, written and addressed to the Hebrews, is, of course, written for the Israel people:

“And ye have forgotten the exhortation which speaketh unto you as unto children, My son, despise not thou the chastening of the Lord, nor faint when thou are rebuked of him: For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth. If ye endure chastening. God dealeth with you as with sons; for what son is he whom the father chasteneth not? But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons.

Hebrews 12:5-8

This strange race of people who call themselves Jews, in spite of the fact that they are in violation of God's laws, are not being chastised by God. Is it because they are not sons, but instead bastards? That is what the New Testament says. These verses alone prove either one or the other of two things — Number one: If God wrote the truth in these verses you just read, then we are Israel — Number two: If the Jews are Israel, then all of this is false and we are fools to worship such a God.

We have tens of thousands of ministers in America who teach that the Jews are Israel, and yet, there is not one mark of Israel upon the Jewish people. There is mark after mark which proves they are not the Israel people. So, someone is lying to God's people in America, that is for sure.

Mark sixteen is in Genesis, chapter twenty-eight, where God is giving a dream to Jacob.

“And he dreamed, and behold a ladder set up on the earth, and the top of it reached to heaven: and behold the angels of God ascending and descending on it.

And, behold, the Lord stood above it, and said, I am the Lord God of Abraham thy father, and the God of Isaac: the land whereon thou liest, to thee will I give it, and to thy seed; And thy seed shall be as the dust of the earth, and thou shalt spread abroad to the west, and to the east, and to the north, and to the south: and In thee and in thy seed shall all the families of the earth be blessed.”

Genesis 28:12-14

Some of this, of course, is repeating promises made to Abraham and to Jacob's father, Isaac. The new promise here is

that they were to spread out of that land of Canaan to the west. The first Israelites went west into the Mediterranean, and into southern Europe. This occurred while the rest of Israel was still in Egypt, and in Canaan land. They spread to the east of the Caspian sea during the Assyrian captivity, then to the north, out of Assyria and on into Europe. The last migration was out of Europe to the south, as far as South Africa and Australia. You can find no dispersion of the Jewish people, except for a remnant of Judah, until after the time of Christ. Whatever you wish to make of it, the Israelites were to be scattered out of Palestine and to be a great host of people. They were to spread all across the earth.

What Race has Migrated Into All the World?

Only one race has migrated from the place of its origin into all the continents of the world, and that is the Anglo-Saxon and kindred peoples, called the White Caucasian race. All the rest of the races still remain in what appears to have been the lands or continents of their origin - the Negroes in Africa, the Mongolians in Asia, the Polynesians in the Islands of the sea. The only Negroes who ever left their native continent were forcibly-removed. Yet, these White Anglo-Saxons voluntarily have spread themselves all over the world. We have been the explorers, the colonizers and the civilizers of the earth. Even today, our race is still reaching out to the highest mountain, the driest deserts, to the deepest oceans, and even into space. We are the building race, we are Israel.

Mark number seventeen:

“And, behold, I am with thee, and will keep thee in all places whither thou goest, and will bring thee again into

this land; for I will not leave thee, until I have done that which I have spoken to thee of.”

Genesis 28:15

Jacob's people were to be brought again into the land of Canaan. That was fulfilled by Jacob and all of his sons going into Egypt after Joseph was sold there; living there four hundred years, and then being brought back into Canaan land out of Egypt.

The Jews verified to Jesus that they had never been in Egypt and they had never been in captivity. Another mark that they were missing. of course.

Mark number eighteen is in the thirty-second chapter of Genesis:

“And Jacob was left alone; and there wrestled a man with him until the breaking of the day.

And when he saw that he prevailed not against him, he touched the hollow of his thigh; and the hollow of Jacob's thigh was out of joint, as he wrestled with him.

And he said, Let me go, for the day breaketh. And he said, I wilt not let thee go, except thou bless me.

And he said unto him. What is thy name? And he said, Jacob. And he said, Thy name shall be called no more Jacob, but Israel: for as a prince hast thou power with God and with men, and hast prevailed.”

Genesis 32:24-28

I believe that is a mark of Israel alone: “. . . power with God and with men. . .” This mark is comparable to the blessings and the curses because Israel, when in obedience to God's Word, has power with God and power over men. But, when Israel is in disobedience, they lose their power

with God and then lose power over other men. In fact, other races and other people then take power over Israel. So, this coincides with the blessings and curses we have just read. Israel would have power with God and with men, but only when in obedience. The Jews seem to have power over men in spite of their disobedience. Therefore, they do not have this identifying mark of Israel.

Even though I am only listing thirty-three marks, there are over one hundred specific marks found in the Bible that show who Israel is, and what is to happen to them. Not a single one of the marks fit the people called, "Jews." Every one of the marks fit our race, the Anglo-Saxon and kindred people. I challenge you to disprove the fact that there are absolutely no marks, prophecies or descriptions of Israel which fit the people who call themselves Jews. Any man who says otherwise is a liar.

We have at least one hundred thousand to two hundred thousand men in this country, who call themselves ministers, who tell you the Jews are the Israel people. However, there is not one mark of Israel on them that can be found Scripturally.

The Remaining Fourteen Marks of Israel

For the sake of space I will list the remaining marks of the thirtythree I stated I would discuss. You may read the verses in your own Bible.

Mark number nineteen is in Genesis 35: 11. Israel was to be a nation and a company of nations. We believe this is fulfilled in the U.S.A. and the British Commonwealth.

Mark number twenty: Genesis 17:6 & 16. They were to be the kings and rulers of the earth. We believe this was shown when Israel was in obedience up to about one hundred years ago.

Mark number twenty-one: The chief ruler was to come out of Judah. This, of course, would be the Lord Jesus Christ. In Genesis forty-nine other rulers are listed. Jacob is prophesying here about each one of the tribes. In verse eight, is his prophecy concerning Judah:

"Judah, thou art he whom thy brethren shall praise: thy hand shall be in the neck of thine enemies; thy father's children shall bow down before thee. . .

The sceptre shall not depart from Judah. nor a lawgiver from between his feet. until Shiloh come; and unto him shall the gathering (obedience) of the people be."

Genesis 49:8&10

All monarchical houses of Europe are descended from the Germanic peoples. They can trace their lineage back to Charlemagne, King David, and the kings of Judah. It is, also, true that most of America's first presidents are from the Tudor line of royalty of England; including George Washington, Thomas Jefferson, and Adams and about a dozen others. So, the royal line of Judah came to America and ruled over our people there.

There is ample evidence that the Germanic people are the true descendants of Judah. When I say the "Germanic" people, I am including parts of Poland, Czechoslovakia, Yugoslavia, Germany, Switzerland and northern Italy. They all, at one time, comprised the Germanic Empire. They have provided the kings and rulers over all of our nations of Israel.

Christianity's greatest preachers have come out of Germany. The Reformation was born in Germany.

There is a reason why the antichrist Jews have made somewhere in the neighborhood of one thousand movies, which portray the German people as terrible dirty, killing Nazis. They hate them, above all other people because the Germans are the true Judah.

God has poured out blessings upon our race and upon our people through the line of Judah. About one-quarter of the people who live in the United States today are descended from Germans. I do not know if most of them realize that, when they see all these movies that are belaboring and insulting the German people, they are being insulted. The Jews in Europe recognize that Germany is, literally, synonymous with Christianity.

Mark number twenty-two is, also, in the forty-ninth chapter of Genesis:

“...Unto him shall the gathering (obedience) of the people be.”

Genesis 49:10

Out of Judah came the great Protestant Reformation which turned Israel from antichrist back to God, during the last four or five centuries.

Mark number twenty-three, also, in Genesis forty-nine, states that Joseph's descendants are to be blessed above the rest of Israel. We believe this North American continent is Joseph's land, and America is blessed above all other nations.

Mark number twenty-four: Joseph's land was to be blessed agriculturally. America is blest, and has been blest, while

we were in obedience. We are now losing that blessing. We are losing the agricultural harvest. Some of the news coming to us from agricultural newspapers around the United States tells us that the whole Central belt of America has lost from twenty-five to seventy percent of the crops this year (Sept. 7, 1980). We are on the verge of famine and the newsmedia is hiding this from you. In Louisiana, I understand, seventy percent of the cotton crop is lost. In parts of Texas, Arkansas and Oklahoma, they are ready to start plowing under the crops as they are not worth harvesting in many places. We could be short of food this winter (80/81). This is what is happening to us in disobedience. These blessings are being taken from us.

Mark number twenty-five is in the same passage of Genesis fortynine: the wealth in minerals were to be made available to Israel. None of this is available in Palestine. In fact, they keep claiming that there are minerals in the Dead Sea. They say that potash is the great one, worth millions of dollars. Well, bless my soul, Canadians dig potash right out of the ground and load it on freight cars and haul it to factories, where it is put into bags and sold. Forty percent of all the world's potash is lying in mines up in Canada, not over in Palestine, but in the nations of Israel.

Mark number twenty-seven: I gave this in more detail earlier — Israel was to be blessed when in obedience.

Mark number twenty-eight: Israel was to be cursed for disobedience.

Mark number twenty-nine: they were to be the servants of God.

Mark number thirty: they were to be God's witnesses to carry His Word to the ends of the earth.

Mark number thirty-one: they were to come under a new covenant, promised to Israel. We have thousands of ministers who claim to be New Testament, or New Covenant, preachers. Who was the new covenant made with? The House of Israel and the House of Judah. This is evidenced by what has happened to us.

Mark thirty-two: Israel was not to be known by the name of Israel. This is found in Isaiah, chapter sixty-two, and in Isaiah sixty-five. Who is not called Israel today? The Anglo-Saxon and kindred people. Who is called Israel? Well, someone who is NOT Israel, someone who has none of the marks of Israel. This is in fulfillment of Isaiah sixty-two and sixty-five.

Mark number thirty-three: Israel was to be called by the name of God. This is found in Numbers 6:26, Acts 11:26, and, also, in Revelation 3:12. The Israel people were to be renamed by the name of God. All the world calls us "Christendom," or "The Christian West." We are named after Jesus Christ, the Redeemer of Israel (God).

Those who continue to proclaim that the Jews are Israel, do so without any historical or Biblical foundations. Most modern evangelists have been written and talked to. People have sent them scores and maybe hundreds of tracts, giving them historical and Biblical evidence which shows that all of the prophecies concerning Israel are being fulfilled in the Anglo-Saxon, Celtic, Germanic, Scandinavian and kindred peoples of the Christian West. The modern evangelist is without any excuse in still preaching that the Jews are Israel.

If you support ministers who preach that the Jews are Israel, you are without any historical or Biblical foundation for

doing so. You are, also, without excuse! You are supporting liars and blasphemers of Jesus Christ. You are supporting the enemies of God and of Israel. God will hold you accountable for it. It should not take any person capable of sound, logical reasoning more than a few days to come to the conclusion that they should at least spend some more time examining the evidence supporting our claim that WE ARE ISRAEL. I agree with a good friend of mine who once said, "I can prove to any man that we are the Israel people, if he will read the books I tell him to read." Unfortunately, most people will not read.

We have a book entitled Tracing Our Ancestors. It is only 186 pages, and as of this date (Sept. 7, 1980), I do not know any person who has read that book, who has not then admitted we are the Israel people. The marks of Israel are upon us. God is doing with us what He said He would do with Israel.

Let me end this study in the fourth chapter of James. This is an exhortation, not to the Jews, not to the people who preach the false doctrine that the Jews are Israel, but to those of you who have in recent hours, or days, or weeks discovered that the Jews are not Israel — the Anglo-Saxon people are.

"Therefore to him that knoweth to do good. and doeth it not. to him it is sin."

James 4:17

If you know the truth, and you know what you are supposed to do, and you do it not, it is a sin. God will hold you accountable for it. Study this word. You are committing a sin when you are supporting men who are preaching lies to our people. IT IS TffAT SIMPLE. Our people are destroyed for lack of knowledge. That

knowledge will come from the Word of God. It will teach us who we are, what our responsibility is, and that we have been redeemed by the blood of the Lord Jesus Christ to fulfill in us the things He has promised to our fathers: Abraham, Isaac, and Jacob. May God open the blind eyes of His Israel people.

Pastor Emry
