# GOD IS RACIST!!

by Arnold Kennedy

**See if you agree with God or agree with the Churches about racism.**

## **INTRODUCTION.**

Churches use Scriptures that appear to be inclusive of all races and because of this Churches cannot handle the multitude of verses that are absolutely racist. The apparent conflict is one that is created through traditional beliefs, and this is mainly through extending the uses of words such as, “all”, “every”, “whosoever” and “the world” outside of individual contexts. A handful of belief questions follow that can be used to check up whether or not the reader agrees with God and the Bible, or with the Churches. The writer is willing to correspond with genuine enquirers about this matter.
