“Blessed be the LORD God of *Israel*; for He has visited and redeemed *His* people, And raised up an horn of salvation for *us* in the house of His servant David; as He spake by the mouth of His holy prophets, which have been since the world began; That *we* should be saved from *our* enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember His holy covenant; The oath which He sware to *our* father Abraham, That He would grant unto *us*, that *we* being delivered out of the hand of *our* enemies might serve Him without fear, in holiness and righteousness before Him, all the days of *our* lives.” Luke 1: 68-75;

BAAL WORSHIP IN AMERICA

by Pastor Pete Peters.

(Do we have Baal worship going on in Australia? Read and see. Ed)

Once America learns her identity she will understand why she has become a haven for the abortion and pornography industries, why perverts and whoremongers infest her cities, why her little children are abused and why prayer and Jesus Christ have been removed from their schools. She is simply repeating the history of the white race that waded to her shores in 1620, fought for her existence in 1776 and then settled her prairies and coasts in the 1800's.

The history of that race is that of the Israelites in Scripture who repeatedly turned from the God of their fathers Abraham, Isaac and Jacob (our God! Ed.) to serve the Baals and thus bring themselves to national hardships, plunder and other calamity. Judges 2: 10-14, is only one of the many passages that describes this repeating scenario.

“And all that generation also were gathered to their fathers and there arose another generation after them who did not know the Lord, nor yet the work which he had done for Israel. Then the sons of Israel did evil in the sight of the Lord, and served the Baals, and they forsook the Lord, the God of their fathers, who had brought them out of the land of Egypt, and followed other gods from among the gods of the peoples who were around them, and bowed themselves down to them; thus they provoked the Lord to anger.

So they forsook the Lord and served Baal and Ash-toroth. And the anger of the Lord burned against Israel, and he gave them into the hands of plunderers who plundered them; and He sold them into the hands of their enemies around them, so that they could no longer stand before their enemies.”

Let's consider these verses more specifically. Notice that this scenario began when they, as a race, lost their identity. They did not know the Lord nor the work the Lord had performed for their race, Israel. So it is today, the Anglo-Saxon, Germanic, Scandinavian and kindred people who settled in America are blinded to their Biblical identity just as Isaiah prophesied (Isa 42:19). The results of that blinded condition are described in Judges 2: 11-13, as forsaking the God of their fathers to serve the Baals and verse 14 shows the national consequences of their actions. This constant turning from God to serve Baal thus bringing on national problems is continually recorded throughout scripture. (Read the book of Judges).

Those same people, now in America, are again involved with Baal worship. To understand the meaning of “to serve the Baals” one must begin to piece together Bible scripture and archaeological findings and then compare and apply these findings to America today. We will do this and for convenience sake number the findings.

The word ‘Baal’ as it appears in scripture has a variety of meanings. Originally, it was not a proper noun but eventually it came to be used as such. In its preliminary sense it means master or owner, but most often it is used in scripture to refer to a deity or deities. The word ‘Baal’ is not the name of one god but the name of the presiding deity or deities in any given locality. When Israel entered Canaan land (Joshua 3)

the worship of the Baals was much the same everywhere in the land; thus, it came to represent the idea of one god.

This being the case Baalism involves an array of tenets. In scripture there are six names for Baal: Baal, Baalim, Molech, Moloch, Melchem and Milchem; the first two being Hebrew names and the last two Ammonite and Moabite names. Baal's wife was Ashtoreth the plural being Ashtoroth. The following can be found to be Baalism:

1. SPYING ON ISRAEL FROM HIGH PLACES: In Numbers 22 you will read where Israel's enemies conspired to curse them in order to drive them out of the land (vs 6). The conspiracy involved the hiring of Balaam and in vs 41 you will read where King Balak took Salaam "up to the high places of Baal" for the purpose of cursing Israel.

TODAY IN AMERICA there are spies in high places, placed there by foreign enemy powers involved in the One World Government conspiracy for the purpose of cursing the true Israelites and destroying their land - AMERICA!!! As a result communism has grown to our shores and socialism and the planks of the communist manifesto are part of our government.

2. SEXUAL IMMORALITY AND INTERRACIAL MARRIAGE: In Numbers 25: 1-7, we read where Israel played the harlot with the daughters of Moab and thus, "joined themselves to Baal." To fully understand what was happening one must dig deeper than just these verses. The ancient book of Jasher chapter LXXXV sheds further light upon the events revealing a conspiracy on the part of Israel's enemies to entice Israel into sexual fornication. Note the writings of Jasher, pages 254 and 255, verses 39-40 and 54-61,

"And the children of Moab sent to the children of Midian, and made peace with them, and the elders of Midian came to the land of Moab to make peace in behalf of the children of Midian. And the elders of Moab counselled with the elders of Midian what to do in order to save their lives from Israel. And the children of Moab were afraid of the children of Israel, and the children of Moab took all their daughters and

their wives of beautiful aspect and comely appearance, and dressed them in gold and silver and costly garments.

And the children of Moab seated those women at the door of their tents, in order that the children of Israel might see them and turn to them, and not fight against Moab. And all the children of Moab did this thing to the children of Israel, and every man placed his wife and daughter at the door of his tent, and all the children of Israel saw the act of the children of Moab, and the children of Israel turned to the daughters of Moab and coveted them, and they went to them. And it came to pass that when a Hebrew came to the door of the tent of Moab, and saw a daughter of Moab and desire her in his heart, and spoke with her at the door of the tent that which he desired, whilst they were speaking together the men of the tent would come out and speak to the Hebrew like unto these words:

'Surely you know that we are brethren, we are all the descendants of Lot and descendants of Abraham his brother, wheretofore then will you not remain with us, and wherefore will you not eat our bread and our sacrifice?' And when the children of Moab had thus overwhelmed him with their speeches, and enticed him by their flattering words, they seated him in the tent and cooked and sacrificed for him, and he ate of their sacrifice and of their bread. They then gave him wine and he drank and became intoxicated, and they placed before him a beautiful damsel, and he did with her as he liked, for he knew not what he was doing, as he had drunk plentifully of wine. Thus did the children of Moab to Israel in that place, in the plain of Shittim, and the anger of the Lord was kindled against Israel on account of this matter, and he sent a pestilence amongst them (STD's perhaps? Ed), and there died of the Israelites twenty-four thousand men."

TODAY IN AMERICA our people are continually being exposed to, enticed by and bombarded with sexual stimuli from grade school sex education [instructing kids how to make a baby before they can spell 'baby'] to Hollywood's movies and daily soap operas, from lascivious fashions to bubble gum and sun tan commercials. The results are self-evident ranging from venereal disease to divorce to abortions.

This exposure to sexual stimuli parallels that of placing the daughters of Moab at the tent door. As for interracial marriage, integration has been forced upon America's youth, half-breed rock stars, are promoted as their idols, television displays family role models consisting of mixed races, and the Pepsi commercial about the new generation is sung mostly by mulattos, blacks and browns. To further this detestable sin, we are being told that we are all brothers destined to form the one world brotherhood of mankind.

3. FORSAKING THE GOD OF THE BIBLE: Judges 2: 10-12 says: “*And all that generation also were gathered to their fathers and there arose another generation after them who did not know the Lord, nor yet the work he had done for Israel. Then the sons of Israel did evil in the sight of the Lord, and served the Baals and they forsook the God of their fathers.*”

TODAY IN AMERICA our youth are being taught that George Washington fathered illegitimate children, and that Paul Revere did not make his famous ride because he was in a whorehouse in Boston at the time. Then they hear chided that thing called the ‘Old fashioned, outdated Puritan ethic.’ The result is a forsaking of the God of their fathers which is the God of the Bible. In this forsaking there is the outlawing of prayer and Bible reading both of which our forefathers had.

4. CHANGING THE CULTURE: Jeremiah 19: 4 says, “*Because they have forsaken ME and have made this an alien place and have burned sacrifices in it to other gods that neither they nor their forefathers nor the kings of Judah have ever known, and because they have filled this place with the blood of the innocent.*”

Notice Baal worship changed the land to an alien place, brought in other gods and shed innocent blood.

TODAY IN AMERICA our land is totally foreign to what it once was a few decades ago.

5. CHILD ABUSE: Jeremiah 19: 5 says, “*And have built the high places of Baal to burn their sons in the fire as burnt offerings to Baal, a thing which I never commanded or spoke of, nor did it ever enter my mind.*”

What was happening was they would place their children on the arms of an idol extended over a flaming fire. The children would roast to death as the priests blew trumpets to mask the screams of the baby. This torturous death, of course, was child abuse! (Is that not similar to today’s false teaching about “hell”? Ed).

TODAY IN AMERICA child abuse increases as the serving of the God of the Bible decreases.

6. PROSTITUTION, HOMOSEXUALITY AND ILLICIT SEX: Haley’s Bible Handbook says this concerning the religion of the Canaanites: “*Baal was their principal god; Ashtoreth, Baal’s wife, their principal goddess. She was the personification of the reproductive principle in nature. Ishtar was her Babylonian name, Astarte her Greek and Roman name.* (This is where today’s “EASTER” comes from! Ed). *Baalim, the plural of Baal, was images of Baal, Ashtaroth, the plural of Ashtoreth. Ashera was a sacred pole, cone of stone or a tree trunk, representing the goddess. Temples of Baal and Ashtoreth were*

usually together. Priestesses were temple prostitutes. Sodomites were male temple prostitutes. The worship of Baal, Ashtoreth, and other Canaanite gods consisted in the most extravagant orgies; their temples were centers of vice.”

TODAY IN AMERICA novels, television shows and movies promote the same things promoted in the Baal temples.

7. PORNOGRAPHY: Here is another quote from Haley’s Bible Handbook regarding an archaeological find: “*Under the debris, in this ‘High Place’, Macalister found great numbers of jars containing the remains of children who had been sacrificed to Baal. The whole area proved to be a cemetery for new-born babes. Also, in this ‘High Place’, under the rubbish, Macalister found enormous quantities of images and plaques of Ashtoreth with rudely exaggerated sex organs, designed to foster sensual feelings. So, Canaanites worshipped, by immoral indulgence as a religious rite, in the presence of their gods; and then by murdering their first-born children, as a sacrifice to these same gods.*” This is nothing more than pornography.

TODAY IN AMERICA pornography is a multi-million dollar business protected by courts and law officers as a form of self-expression.

8. BABY MURDER: Another quote from Haley’s Bible Handbook states: “*The Oriental Institute, excavating at Megiddo which is near Samaria, found in the stratum of Ahab’s time the ruins of a temple of Ashtoreth, goddess wife of Baal. Just a few steps from this temple was a cemetery, where many jars were found, containing remains of infants who had been sacrificed in this temple. Prophets of Baal and Ashtoreth were official murderers of little children. This is a side-light on Elijah’s execution of the prophets of Baal and helps us to understand why Jehu was so ruthless in his extermination of Baalism.*”

TODAY IN AMERICA we call this religious rite ‘abortion’ and make abortion clinics (Baal temples) tax-exempt. We call the priests MD’s, but a more proper title would be DM’s (damnable murderer).

8. STRANGE GOD’S: The Bible calls Baal worship going after strange gods.

TODAY IN AMERICA the churches are proclaiming a different or strange god, stating the God of the New Testament is different than the God of the Old Testament even though Hebrews 13: 8 teaches He does not change. He is still the God of Israel, the covenant people whose fathers were Abraham, Isaac and Jacob and who today are the Anglo-Saxon, Scandinavian, Germanic and kindred people and once again those people are serving the gods of Baal. They cannot learn from history until they know who they are and thus what history belongs to them. Their

enemies, however, seem to know that to conquer them they must have them turn from the God of their fathers to serve Baal and that is what they are doing in AMERICA TODAY!!!

NOTICE THE RESULTS OF BAAL WORSHIP from Judges 2: 13-14, *“So they forsook the Lord and served. Baal and the Ashtaroth and the anger of the Lord burned against Israel and HE GAVE THEM INTO THE HANDS OF PLUNDERERS who plundered them; and He SOLD THEM INTO THE HANDS OF THEIR ENEMIES around them so they could no longer stand before their enemies.”*

This has happened today in America (meaning Heavenly Kingdom) with oppression from civil leaders at all levels of government as they and their appointed agents do the following:

1. By breaking God’s laws concerning shedding of innocent blood.
2. By not punishing sodomites.
3. By giving aid and comfort to God’s enemies (foreign and domestic).
4. By promoting the increase of crimes by not following God’s laws on the punishment of crimes.
5. By ignoring His law that He who will not work shall not eat.
6. They are harassing churches.
7. They are putting ministers and parishioners in jail (for non-crimes, Ed)
8. They are forcing their ungodly ways into Christian schools.
9. They are punishing parents for exercising their God-given right to instruct their own children at home.
10. They teach our children sex, drugs and disrespect for home, parents and authority in their humanistic anti-God public schools.
11. They use the fruit of our labour for our own destruction.
12. They invade the home and remove the children on the slightest pretence and jail the parents.
13. They have become a terror.
14. They promote usury.
15. They have separate laws for the stranger (diplomat) in the land.
16. They steal the land.
17. They steal our substance.
18. They destroy our purchasing power.
19. They promote violence, pornography, prostitution (gambling, Ed).
20. They pervert the laws of justice.
21. They give away our substance to the antichrist foreigners.
22. They pass their laws against God’s program.
23. They forbid our free exercise to follow God.
24. They attempt to disarm us so we may not defend ourselves against the criminal or the oppressor.
25. They send our young men and women onto foreign soil and diminish our defense and waste our production.

26. They steal our inheritance.
27. They steal the first-fruits of our labour.
28. They restrict our right to travel.
29. They license the church and thus destroy the first allegiance of the church to God. They have made it a state entity.
30. They steal from God through the church.
31. They have entered the sacred right and responsibility of marriage under God through their state marriage license.
32. They have stolen our protection as a jury by denying us the knowledge we may judge the law and the facts.
33. They promote the spread of disease by not obeying the laws of God regarding contagious diseases.
34. They have placed their laws above God’s Laws.
35. They have placed themselves as supreme above God.

All this has happened while America has more ministers than ever before. Jeremiah 23: 13-14, 20-22 puts it quite clearly:

“Moreover, among the prophets of Samaria I saw an offensive thing: they prophesied by Baal and led My people Israel astray. Also among the prophets of Jerusalem I have seen a horrible thing: The committing of adultery and walking in falsehood; and they strengthen the hands of evildoers, so that no one has turned back from his wickedness. All of them have become to Me like Sodom, and her inhabitants like Gomorrah.”

“The anger of the Lord will not turn back until He has performed and carried out the purposes of His heart. In the last days you will dearly understand it. I did not send these prophets, yet they ran. I did not speak to them, but they prophesied. But if they had stood in My council, then they would have turned them back from their evil way and from the evil of their deeds.”

For further study on how Baal worship has been removed from God’s people in the past read Numbers 25: 4; 1 Kings 18: 40 and 2 Kings 10.

THINKING THE UNTHINKABLE SPEAKING THE UNSPEAKABLE by Mike Brown.

[Here writer, engineer, inventor and jack of several disciplines Mike Brown has a go at finding prophecy in the Bible. This is the same Mike Brown who put the “FISH” carburetor back in production.]

If you like the Book, you’ll love the movie. The Book is the Book of Ezekiel, specifically chapters 38 and 39. What those chapters describe is a foreign invasion of the United States by what will probably be the largest body of troops ever assembled on the face of the earth. Biblical scholars have known since before the War Between the States that foreign armies would one day cross the Bering Strait into North America. Past that most of them seem pretty hazy.

The first 8 or 9 verses of Ezekiel 38 appear to describe a different attack from verses 10-23. A lot of Bible students try to fit present day Israeli into these

prophecies, but if you read the passages carefully you'll see that they simply don't fit.

Now go to Ezekiel 39: 17-24. Biblical scholars have never been able to figure this one out since it implies a third bloodletting. I believe all three of these passages are going to become self-evident long before the end of this century. At least, this is my understanding of the events that will shortly unfold.

I do not use the word "interpret" since that word has developed the meaning of 'to put one's own opinions or meanings into matter' as any casual observer who watches the Supreme Court mangle the U.S. Constitution on a daily basis by "interpreting" can attest to.

Let's take it by the numbers.

Ezekiel 38: 2: "Mesech and Tubal" are quite often taken to mean "Moscow and Tobolsk." Unlikely, as Mesech was an area on the southeast border of the Black Sea and Tubal was a city in the Assyrian Empire. Tubal was the fellow who learned how to work in brass and iron, Genesis 4:22. This meaning is probably symbolic.

Ezekiel 38: 4: "Hooks into thy jaws" is an ancient idiomatic expression synonymous with motivation coming from starvation. That is, we will be facing an enemy faced with a "do or die" mindset - fight and win or lose and starve. Given the world banking situation as described in Richard Hoskins **War Cycles/Peace Cycles**

(\$19.50 posted from CIM) world-wide starvation is almost an absolute. Our own Federal Reserve has laws already on the books increasing the banking reserve requirements in 1988, which in turn will cause tremendous amounts of money to be withdrawn from circulation and cause a worldwide depression more severe than any financial debacle in recorded history.

Armor, shields, and swords might sound a bit obsolete. So might horses and horsemen. Not so. More than half of all the supplies moved in World War II were moved by pack animals. One of the primary reasons the Germans lost is because they hadn't enough fuel for their airplanes. One of the primary reasons the Japanese lost is they neglected to destroy the fuel storage depots during the Pearl Harbor attack. Many historians will point out that those millions of gallons of fuel were what kept our fleet operating in the Pacific for the next three years. Military forces can interdict fuel supplies and bring an opponent's trucks and tanks to a screeching halt in a matter of hours or days.

A man with a pack animal can continue to march and fight without resupply for weeks. Armor is ineffective against a .30 calibre rifle; against an M16 - very effective. An M16 bullet won't even penetrate the front glass windshield of a sedan. Even assuming people get rid of their M16's in time, there is another problem.

Ammunition resupply! That never occurs to anyone does it? Every time Hollywood makes a movie everyone has an unlimited supply of machine gun ammunition.

Let me cite a couple of examples of what happens in the real world with real people and real guns. The first example is the final outcome of World War I. Germany wasn't beaten on the battlefield. By August of 1918 the Russians had given up and all those Eastern Front veterans of the German Army were poised along the Western Front for a massive assault. The end of the war was a foregone conclusion. Germany was the as yet undeclared winner. Except that in August of 1918 the workers of the German ammunition factories went on strike and shut off the supply of munitions to the soldiers at the front, which cost Germany the war.

More examples can be found in almost every battle and every war since the discovery of gunpowder. You'll notice unlimited ammunition is available only to the larger, more powerful nation in a war, or if one or both parties are being supplied by outside sources. If both parties are equal, the way a battle is decided is almost always the same. It ends in hand-to-hand combat. A force with less ammunition must come to grips with the enemy in haste or be picked off at leisure.

A PRAGMATIC OBSERVATION

General Leon Degrelle, head of the Wallonia SS

Division on the Russian Front, WW II, records 74 instances of hand-to-hand combat he personally participated in. That was almost all the engagements he fought in. Swords aren't all that impractical, especially when you consider that "Gog and Magog" may refer to the hordes of Asia. There are approximately three billion plus people in Asia.

Using the ancient

Oriental method of conscripting troops - one man out of every seven households - that means a 100,000,000 available line infantry. Using the information that it has taken a million rounds of rifle ammunition to kill an enemy soldier in every war in this century, that means that for us to survive an invasion by 100 million men, each man woman and child in the United States would have to stockpile half a million rounds of rifle ammunition prior to this invasion to fight a conventional war.

In Ezekiel 38: 5-6, Persia, Ethiopia, Libya, and Gomer were the four corners of the author's world. This may indicate attack from every direction. Ezekiel 38: 8 more than likely indicates Western Europe, "brought back from the sword," indicating the reconstruction after World War II and "always waste" indicates the time before the Romans. Ezekiel 38: 9 indicates an invasion by Eastern bloc countries plus their allies across Western Europe in a conventional ground attack. In a very short period of time - probably within a month or less - all our

TAPE OF THE MONTH

#7224, 7225. THERE ARE DISCIPLES OF BAAL IN AMERICA. Scripture shows at least thirteen specific acts of Baal worship. John R. Rice, the Baptist writer, says women will be raped in hell, and people will go right on living in sin! This is refuted with the truth of death and hell. This series gives abundant proof that false ministers preach "Jesus," but secretly promote and practice Baal worship. Talks about the destruction of Baal's priests; Elijah, Jehu, the Vikings; covers all of Zephaniah. \$6.00 the two posted from CIM.

Do we have these disciples in Australia?

military equipment and soldiers would be used up and this country would be hard-pressed to find enough fresh troops and supplies to replenish those lost.

At this point, if you were a Soviet commander, wouldn't you want us to think we are winning? That way there is no need to use nuclear weapons, and yet our troops will keep feeding the meat-grinder.

Ezekiel 38: 10 and the "evil thought" described is a classic military maneuver that has been used since man started using weapons. Mount an attack in one direction. Make it look serious enough to cause the enemy to pour troops into the fray. Then strike somewhere else with far more numerous forces for the area desired in the first place. Ezekiel 38: 11-12 indicate the United States. Ezekiel 38: 13 indicate Arabian tribes 'Sheba and Dedan.' The "merchants of Tarshish" and the "young lions thereof" are probably Great Britain and its commonwealth nations.

Ezekiel 38: 15 indicates an invasion across the Bering Strait (the "north parts") down through western Canada. Ezekiel 38: 16 "as a cloud to cover the land", indicates the millions of infantry referred to previously. Ezekiel 38: 19-20 indicates one hell of an earthquake, making the recent ones in Colombia and Mexico appear mild by comparison. Ezekiel 38: 21 indicates both resistance from this end and internal dimension among the foreign armies.

Ezekiel 38: 22 indicates foreign troops using Seattle, Portland, and San Francisco as "staging" areas prior to an attempted "sweep" across the rest of the United States. "Pestilence" could be AIDS and "great hailstones, fire and brimstone" may be the eruption of the chain of volcanoes running north and south in the Pacific Northwest, of Mt St. Helens is the most famous at the moment. This is where these foreign armies meet their end. There simply aren't enough of us to get the job done.

Ezekiel 39, for the most part, simply fleshes out a lot of details. "Fire on Magog and among them that dwell carelessly in the isles (i.e. coasts)" is probably a warning to get out of the Pacific Northwest coastal cities. Ezekiel 39: 9-15 appears to be mostly clean-up descriptions. Ezekiel 39: 16 gives us a clue to what lies in store next - the town referred to means "mob town."

Ezekiel 39: 17-21 is the one no-one has ever figured out. In former years the evil that judges, prosecutors, lawyers, bankers, and bureaucrats perpetrated consisted primarily of political corruption, bribe-taking,

graft, and the like, mostly just plain stealing. However, these same people, in the last few years, have been responsible for much innocent blood being shed and the perpetration of other crimes. Many of these sins are described in Ezekiel 22.

BIBLE LAW QUIZ

Read Nehemiah 13: 23-31 before continuing. In many parts of our nation, due to the large numbers of recent arrivals, legal and otherwise, we have bi-lingual education in many of our grade schools.

If Nehemiah were asked about this situation, would he approve or disapprove of bi-lingual or multi-lingual education in grade schools?

- Approve.
- Disapprove.

In Genesis 11: 1-9 at the Tower of Babel, God noticed that the "people had become as one." He, therefore, used various languages to bring about the separation he desired.

- True.
- False.

To keep God's Law in our schools, which would Moses, Ezra, and Nehemiah have?

- Integrated schools.
- Segregated schools.

The confusion between "Race", "Religion", and "Nationality".

Does what you believe or where you are born change what you are? In Exodus 2: 15-19 Moses is called an _____.

Notice that "where you are from" or "where you are born" does not determine your race. President Ronald Reagan is Caucasian by race. Sammy Davis Jr is Negro by race and Jewish by religion. Henry Kissinger was born in Germany therefore, a German.

However, Kissinger lives in America and holds American citizenship, therefore he is an American. But Kissinger is also Jewish by race and Jewish by religion. So, calling Moses an Egyptian, Moses' wife an Ethiopian, or Ruth a Moabite may have little or nothing to do with race.

Could Ruth have been an Israelite living in the land of Moab?

- Yes.
- No.

CORAZON AQUINO - NEW PRESIDENT OF THE PHILIPPINES

The media makes this sound like good news, painting Marcos as a bad guy and Aquino as something she is not. Marcos was not perfect but he was a friend to the United States and an avid anti-communist. While the media rants and raves concerning Marcos' portfolio they make Aquino appear as a widow and common housewife. The fact is, she is a multi-millionaire businesswoman, one of the largest land holders in her country, and a banker. She holds the controlling interest in Hacienda Luisida a vast sugar spread of more than 12,000 acres which is the biggest and richest spread in the country.

Aquino had a sharp dispute with the Marcos administration when Marcos pushed for the Agregarian reform law of 1984 which was a measure to improve the lot of landless farmers. A portion of Aquino's sprawling land estate was slated to be subdivided and as a result, Aquino planned to destroy Marcos.

The reason she was assisted by the media and the US government no doubt was because about a year ago Marcos initiated a series of monetary and debt measures that, according to *Newsweek*, had the one hundred leading Pacific bankers inside and outside the Philippines up in arms!

This replacement of Marcos by Aquino is being praised by the media just like they once praised Castro calling him the George Washington of Cuba. The results may well be the Philippines becoming the Cuba of the Pacific.

As for Marcos, he probably will not be alive a year from now and has become another victim. The Paul Revere Club newsletter stated it this way: "**WE DESTROY ANOTHER FRIEND.** It was said recently by a State Department official that for one to be an enemy of the United States could be dangerous, but to be a friend is fatal.

History verifies this fact. To name but a few - we betrayed Battista in Cuba and supported Castro; Ian Smith in Rhodesia and it went communist; the Shah of Iran, leaving them Khomeini; Somosa of Nicaragua, and they have the Sandinistas; we oppose the leaders of South Africa, and they are being overthrown; and now the Philippines."

THAT OLD SERPENT, CALLED THE DEVIL AND SATAN - REVELATION 12. Part 4

Revelation 17, beginning in verse 1:

"And there came the seven angels which had the seven vials, and talked with me, saying unto me, Come hither; I will shew unto thee the judgment of the great whore that sitteth upon many waters..."

Remember this is still John writing, he is still writing descriptions of visions he saw that were shown to him by an angel. In some cases the angel explained them, as he did this one.

"...with whom the kings of the earth have committed fornication, and the inhabitants of the earth have been made drunk with the wine of her fornication. So he carried me away in the spirit into the wilderness: and I saw a woman sit upon a scarlet coloured beast, full of names of blasphemy, having seven heads and ten horns."

Here is that same 'thing' again, the same identical description called in Revelation 12 that "old serpent, the devil and satan." Let's read on with this description here, because if we were again to then take this literally, as being what it is visually then we would have to expect sometime in the future a scarlet woman appear here on the earth, riding some sort of scarlet coloured beast with seven heads and ten horns. Obviously it stands for something else, it's not a literal beast just as the creature back in Revelation 12 does not have to be a literal satan or a literal devil. He writes a little more about the woman and then says:

"And the angel said unto me, Wherefore didst thou marvel? I will tell thee of the woman, and of the beast that carrieth her, which hath the seven heads and ten horns. The beast that thou sawest was, and is not; and shall ascend out of the bottomless pit, and go into perdition: and they that dwell on the earth shall wonder, whose names were not written in the book of life from the foundation of the world, when they behold the beast that was, and is not, and yet is."

Remember those first verses in Revelation 1. This is still the visions John was shown by angels of things

which must shortly come to pass. They were to happen sometime after John saw the vision.

“And here is the mind that hath wisdom. The seven heads are seven ‘mountains,’ on which the woman sitteth.”

All students of Bible prophecy should know symbolism well enough to know that the word ‘mountains’ in prophecy means nations or conglomerations of people. It is not a physical mountain. He says the seven heads are seven mountains on which the woman sitteth. In verse 18 the angel identifies:

“...the woman which thou sawest is that great city, which reigneth over the kings of the earth.”

This woman is riding a beast with seven heads, the woman rules over the kings of the earth. Therefore what is the symbolism? The symbolism is some sort of mystery power, here called MYSTERY BABYLON which rides or gains its power through a conglomeration of nations, and using those nations, then rules over all the earth. (Do you think the United Nations fits in there somewhere? Ed.) The beast with seven heads and ten horns is a conglomeration of nations. It is not ‘Satan’, it is not the ‘devil’, and it is not some spiritual angel thrown down from heaven in some past millenniums. It is a conglomeration of nations.

“And there are seven kings: (i.e. each one of these nations has a king) five are fallen, and one is, and the other is not yet come:”

John is seeing this at a time when something has already happened, one is ruling, another is coming, *“...and when he cometh, he must continue a short space. And the beast that was and is not, even he is the eighth, and is of the seven, and goeth into perdition (meaning ‘destruction’). And the ten horns which thou sawest are ten kings, which have received no kingdom as yet;”*

These ten kings did not rule at the time John saw the vision. They had received no kingdom as yet: *“But receive power as kings one hour with the beast.”*

Whatever this is it will take place over a relatively short time. One hour in Bible prophecy would be quite short because there are prophecies of 100 years and 1260 years and so on. This is one hour!

“These have one mind, and shall give their power and strength unto the beast. These shall make war with the Lamb, and the Lamb shall overcome them: for he is Lord of lords, and King of kings: and they that are with him are called, and chosen, and faithful.”

It shows here that there is going to be a war involving these ten kings. Now I did not want to do a study of Revelation 17; I’ve gone into that in great detail before, but I have to use it of course, because this is the most simple revelation of what the beast with seven heads and ten horns is. The ten horns are ten kings, not a supernatural ‘satan’ or ‘devil.’ Notice what it says here, that these ten kings give their power and strength unto the beast. They make war with the Lamb, then later in verse 16:

“And the ten horns which thou sawest upon the beast, these shall hate the whore, (they will hate this ruling entity that rules over the whole world), and shall

make her desolate and naked, and shall eat her flesh, and burn her with fire.”

The same ten kings, or ten nations, that give the beast its power, shall destroy the whore, *“...for God hath put in their hearts to fulfil his will, and to agree, and give their kingdom unto the beast, until the words of God shall be fulfilled.”*

I went into this in some detail some time ago, and I’ll just refresh your memory, that the U.S.A has given more of its wealth and its power to build up the red beast of communism than any other nation. Most of you know that. Russia as a military power today, would not even exist; except for technical things given to Russia, sent to the Soviet Union over the last fifty years from the U.S.A.

In other words, all of their weaponry, all of their science, all of their computers, all of their factories were literally built by American technicians and productivity. (See the book **NATIONAL SUICIDE** by Anthony Sutton, available from League of Rights bookshops.)

If America is the nation that has given the power to the beast, the red beast of communism, where do you get the ten nations? I’m not being dogmatic about this, but, how many, of you know that America was divided into ten nations around 1970? How many of you know that? We now have ten governments ruling over ten separate nations. All the government control and all the government aid, and government money comes out of Washington D.C., it does not come to Phoenix, Arizona but it comes to San Francisco, and then the orders come to here, because we are in that region.

America is no longer fifty states, it is ten regions. I am not being dogmatic about this, but since it is these U.S.A. through which our enemies who have gained control of our government, have used our wealth, stolen our taxes from us, taken our grain and productivity and built up the red beast; America could be these ten kings, which receive power with the beast, in a very short space of time.

IS STEALING LEGAL?

A recent advertisement in *TIME* magazine stated “What took you thirty years to earn, we can treble in half the time.” How? If “money” can be obtained six times faster than by working for it, is it honest? The idea, of course, is to deposit your superannuation cheque at compound interest, that way someone else can work for you to pay the high interest.

“Money” is, of course, something which no-one seems to be able to define in terms of substance recognizable by any of the five senses. What we have are merely “book entries” and when a loan is made, “book entries” are made in your name. Even the “Australian Notes” that we make our exchanges with are not “notes” according to Black’s Law Dictionary.

To be a “note” it must 1) Identify who is paying; 2) State what is being paid; 3) Who is being paid; and 4) When payment is made.

Example, the U.S. Silver Certificate stated: The United States of America will pay {x dollars weight in}

Silver to the bearer on demand. It included all four requirements of a 'note.' So at best the certificate, was, only an I.O.U. a promise to pay on demand. What we have now are promises to pay with the "promise to pay" removed. The cheques you write are "notes" by this definition.

However, cheques are only accepted because one believes that there is something of value 'backing' the cheque. If you have to work, or produce something in exchange for a piece of paper with numbers on it, which cost NOTHING to produce, wouldn't you say you were being robbed? This is also the problem with the "tally" system. That, too, robs the producer of his produce.

For more information, and an in-depth study into the above, write for the video series **FOR RICHER, FOR POORER** (listed in last month's newsletter). In order to reach out to new people, the ad below was placed in a number of newspapers.

As well as "**Billions For The Bankers**" some other literature is enclosed in each case dealing also with Identity. A number of replies have been received. We hope and pray that it will help to open people's eyes, not only to how they are being "had" but also to whom they really are.

STRENGTH OF SOUL

By Harry M. Sarason

*Strength of soul. strength of soul,
Lord grant to me great strength of soul.
I do not pray for sheltered life,
I do not seek to hide from strife;
When storm clouds rage and billows roll,
Lord grant to me Thy strength of soul.
When earthly plans all go astray,
When men and nature bar the way.
Lord grant that I the price would pay
To walk with Thee from day to day.*

*For strength of soul, Thy strength of soul.
I do not seek a sheltered life,
But strength of soul within the strife.
If I lived in a sheltered cage,
My life would be a barren page.
I would not know my fellow men,
I could not love my neighbor then.
So I would breast each pounding wave
And make my trembling heart behave
With strength of soul - Thy strength of soul.*

THE ANSWERING SERVICE

From America's Promise

What does the Bible mean when it talks about the "Son of God," and the "sons of God"?

The term "son(s) of God" has a basic meaning, but it also has quite a few different applications. The phrase is used in Eastern cultures even today to refer to those who have no earthly father, especially of orphans.

The term was applied to Christ, because He had no earthly father. This may be taken in at least two different ways. First, some may have called him by the term to indicate that His supposed father Joseph had died while Jesus was young, thus making Him an orphan in their eyes. Secondly, this could be a reference to the fact that Jesus was born of a virgin and had no earthly father right from the beginning.

The term is used in Job 38: 7 and 32 in reference to the star constellations, which were animals and persons pictured in the stars. Since they were the creation of God, having no earthly father, they are called "sons of God."

Perhaps the most important usage of the term is Christ's marriage to Israel at Mount Sinai. Jesus Christ is the Groom; Israel is His Bride. Jesus promised to bless, honour, and protect her, and to give her many children (Genesis 12: 1-3), while Israel promised to submit to His authority in obedience to His Law (Exodus 19: 6-8).

It is important that we recognize that Israel as a political entity and corporate unit is the Bride, while the individual Israelites are the offspring of that marriage relationship, or *children of Israel and of God*.

However, we read later in the Scriptures that God divorced Israel (Jeremiah 3:8), which served to make all the Israelite citizens illegitimate as far as being sons of God was concerned. This divorce from God also revoked her right to the name "Israel" that God had given to His wife as her "married name." From then on, these descendants of Abraham were just "gentiles." This is why the New Testament writings, especially Romans 9-11, call divorced Israel by the term "gentiles." They are legally classified with the non-Israel "nations."

The reason for Israel's divorce was her infidelity, in that she began following the laws of Baal and Molech. In effect, she "married" other gods. Now God's Law in Deuteronomy 24: 1-5 makes it plain that when a husband divorces his wife, and she remarries, he cannot go and claim her again to be his wife. Once divorced and remarried, Israel could not be claimed again by Jesus Christ, unless both her husbands were dead (Romans 7:1, 1 Corinthians 7:39).

Isaiah 53 tells how Christ, the original Husband, died, and Isaiah 54 tells how Israel thus became a "widow" (Isaiah 54: 4). The death of Christ made Him legally eligible to remarry Israel, but the problem is, Israel still had to await the death of Baal, her present husband, before she is legally eligible to remarry Christ. That is why the "marriage" of the Bride did not take place right after the death of Christ. That event must await the repentance of Israel and the destruction of false religion from her midst.

Now I said all that to make this point: legally speaking, the descendants of Abraham, Isaac, and Jacob (that is, the Anglo-Saxons and related peoples as a corporate unit) are NOT the Bride yet. She has been betrothed, but the marriage is yet future. And in the same way, most Israelite individuals are not legally the sons of God. Most of our people still worship Baal and follow his laws. This state of affairs will continue until our people call for the true national repentance prophesied to take place someday, where the people renounce Baal and forsake his laws for those of Christ. In that day Baal will DIE!

But you can *become* a legal son of God now, by rejecting the rulership of Baal in your life and placing yourself in covenant relationship with Jesus Christ. That means vowing to follow His Law in obedience, just as our forefathers did in Mount Sinai. (Now, if that seems to contradict other things I have said concerning the two covenants, Old and New, it's because I don't have the time to give you the whole story at present. Both Old and New covenants are important in our lives, and the exclusion of either one can be very damaging. We must mainly keep in mind that the Old Covenant is subordinate to the New.)

Those who individually separate themselves from the family of Baal and join the family of Christ are "first fruits" (James 1: 18) of the entire nation of Israel, which God will turn because of the New Covenant. You who are first fruits have become legal sons of God here and now. John 1: 12 says, "But as many as received Him, to them gave He power to become the sons of God, even to them that believe on His name." And that means you are expected to renounce the present husband (Baal) of your mother Israel. Now you are sons of God, because you have no earthly father.

Your Father is Jesus Christ, who will soon marry the nation (of Israel) itself.

SALAD BAR: Don't get sick at the hotel salad bar. The metabisulphites that keep lettuce, avocados, potatoes and fruit white and bright, may make you dizzy, short of breath and headachy. Before you fill your bowl, ask the waitress if "fresheners" were used, and take 100mg. vitamin B6 and 500mg. vitamin C to be on the safe side.

RICE: Whole grain brown rice is the best food for daily consumption. It is the grain highest in B complex vitamins and the easiest to digest. Rice is beneficial for the nervous system and the brain and good for people with allergies. The germ of brown rice contains phytin acid which helps expel poisons from the body.

SOUTH AFRICA

In view of the present world-wide campaign being waged against South Africa, I feel an examination of their National Anthem may help us to understand their thinking.

Ring out from our blue heavens,
From our deep seas breaking round;
Over everlasting mountains where
The echoing crags resound;
From our plains where creaking wagons
Cut their trails into the earth -
Calls the spirit of our Country,
Of the land that gave us birth.
At thy call we shall not falter,
Firm and steadfast we shall stand,
At thy will to live or perish,
O South Africa, dear land.

In Thy power, Almighty, trusting,
Did our fathers build of old;
Strengthen then, O Lord, their children
To defend, to love, to hold -
That the heritage they gave us
For our children yet may be:
Bondsmen only to the Highest
And before the whole world free.
As our fathers trusted humbly, teach us,
Lord, to trust Thee still:
Guard our land and guide our people
In Thy way to do Thy will.

Perhaps we would do well to make the last verse our prayer also! We would also do well to remember "Covenant Day" when a small number of Whites fought off and destroyed an enemy which outnumbered them 22:1. Some minor wounds were the only casualty! It was God who gave the victory at Blood River, He can do it again. Psalm 68: 35.
