“Blessed be the LORD God of *Israel*; for He has visited and redeemed *His* people, And raised up an horn of salvation for *us* in the house of His servant David; as He spake by the mouth of His holy prophets, which have been since the world began; That *we* should be saved from *our* enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember His holy covenant; The oath which He swore to *our* father Abraham, That He would grant unto *us*, that *we* being delivered out of the hand of *our* enemies might serve Him without fear, in holiness and righteousness before Him, all the days of *our* lives.” Luke 1: 68-75;

THE REAL STAR WARS!

by Pastor Pete Peters

“And I will cut off witchcrafts out of thine hand; and thou shall have no more soothsayers: Thy graven images also will I cut off, and thy standing images out of the midst of thee; and thou shall no more worship the work of thine hands.” (Micah 5: 12- 13 KJV)

Most informed Americans and the greater majority of professing Christians will, in the very near future, surely find out that they have been the victims of a massive disinformation campaign. Our land is languishing and our people are destroyed, as Hosea 4: 6 states, “...for lack of knowledge.” The text in Hosea indicates that God’s people are destroyed not just because of “a lack of knowledge,” but because of outright rejection of knowledge and the fact that they have forgotten the Law of God. This is a time of great peril and hazard, yet a time of great wonder (Revelation 12: 1-3) and deliverance.

What we shall present in this article on STAR WARS will be factual, informative, and historically and Biblically accurate. We know that the news media is a part of Mystery Babylon (*“And the woman was arrayed in purple and scarlet color, and decked with gold and precious stones and pearls, having a golden cup in her hand full of abominations and filthiness of her fornications: and upon her forehead was a name written MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH. And I saw the woman drunken with the blood of the saints, and with the blood of the martyrs of Jesus: and when I saw her, I wondered with great admiration.”* Revelation 17: 4-6)

There is a worldwide system that exerts almost total control over information, and if you rely on the following (UPI, AP, CBS, ABC, NBC, Gannett Co., Inc., etc.) you will surely be deceived and deluded. One of the reasons you should support Christian newsletters is the very fact you cannot expect truth from any media run by atheists, humanists and anti-christs. We realize we’re only making a small impact

in the national consciousness of our people, but continue we must.

When we mention the phrase “Star Wars,” most of us think of a rather recent Hollywood movie made popular by George Lucas. Others will say it has to do with S.D.I. (Strategic Defense Initiative) made common by President Reagan and his insistence on it being a deterrent to nuclear war, costing the American taxpayer upwards of \$350 billion dollars.

The last ten years have been filled with new catch phrases and modern vocabulary such as “pulse beam” weapons, microwave technology, “particle beam killer satellites,” laser beam space mines, nuclear ballistic missiles... the list goes on and on. Listen, dear readers, we are not waiting for some futuristic engagement between the U.S. and the U.S.S.R. We are not talking about computerized technological destruction. Our desire is to lift the veil from your thinking and make you aware that the real “Star Wars” is not a 20th century phenomenon, but has been going on for centuries. That’s correct. You read it accurately -centuries! We will “spill the beans” and “blow the whistle” on the true destroyers of morals, values and wealth. We must divulge secrets and concealments from sequestered news rooms and without fear “shout it from the housetops” (Luke 12: 2 *“For there is nothing covered that shall not be revealed: neither hid, that shall not be known.”*)

The views and opinions expressed in the articles herein or herewith are those of the authors and not necessarily those of CIM. They are written by fallible men. You must ask Jesus to guide your studies!

EVIL IS FLOURSHING

A foreign Babylonian government is triumphing over the American people. What is happening to America? Why have we gone from bad to worse? Property taxes double, then double again! Thousands of Americans are losing their jobs. At the same time, Establishment money czars and robber barons are depressing wages, forcing highly trained workers off the markets and onto the dole, and third world immigrants are being brought in by the millions. Public schools where God was once honored are now smashed by the iron-fisted antics of A.C.L.U. lawyers. International gangsters close entire factories (11 automobile plants closed by General Motors in November of 1986 put thousands out of work). These factories are stripped of marketable assets and the workers and families are left to bread lines and soup kitchens.

Good is trampled. Men are perishing by decrees from company boardrooms and morality is ridiculed, mocked, and honest citizens have become a laughingstock. The J.D.L. (Jewish Defense League), and A.D.L. (Anti-Defamation League of B'nai B'rith) have put America, Germany and the western world on a mind-depressing guilt trip with their constant barrage of deception and lies. What is the cause?

Don't be offended!

St. Jerome stated centuries ago, "If an offense comes out of truth, better it is that the offense comes than the truth be concealed."

Jesus our Savior offended more people than any man that ever lived. Please read the following verses of scripture if you don't believe that statement.

Matthew 15: 12 - "Then came His disciples and said unto Him, 'Knowest Thou that the Pharisees were offended after they heard this saying?'"

Matthew 13: 57 - "And they were offended in Him."

John 6: 61 - "When Jesus knew in Himself that His disciples murmured at it. He said unto them, 'Doth this offend you?'"

Matthew 26: 31 - "He saith, Jesus unto them, 'All ye shall be offended because of Me this night: for it is written, "I will smite the shepherd, and the sheep of the flock shall be scattered abroad"'"

Isaiah 8: 14 - "And He shall be for a sanctuary; but for a stone of stumbling and for a rock of offense to both the houses of Israel, for a gin and for a snare to the inhabitants of Jerusalem."

Matthew 11: 6 - "And blessed is he, whosoever shall not be offended in me."

America has a hex over it.

How many of you have seen rings, necklaces and other jewellery in the "Star of David" motif and have heard, "Oh, what a lovely Star of David!" or "Say, that's the star on the Israeli flag." or, "Oh, that represents God's chosen people the Jews."

Nothing could be further from the truth!

This may come as a shock and surprise, but Dr Abner Shaki who was formerly in the Ministry of Education in the state of Israeli, and later Dean of Faculty of Law at Tel Aviv University, has stated, "The six-pointed star is NOT Jewish or Davidic, but PAGAN!" (Emphasis ours) He quoted from a biblical historical writer, M. Hirsh Goldberg, in the book "*The Jewish Connection*", which says the first mention of the symbol, the HEXagram, was in 922 B.C. when Solomon got involved in magic and witchcraft! Have you heard it said by witches and warlocks and those who dabble in the occult, "I'll put a hex on you!?" America, you have a hex on you politically, economically, and spiritually!

We at America's Promise want desperately to remove it. Does it make sense that we send more foreign aid (close to \$1+ billion annually) to Israeli - nation of the hex - a country the size or the state or New Jersey? Is it truly in our national interests politically and fiscally? The Cleveland Plain Dealer (newspaper), when reviewing ex-congressman Paul Findley's book *They Dare to Speak Out* (available through Lord's Covenant Church), said, "There is no denying Findley's premise that pro-Israeli interests throughout this country are pervasive, incredibly dogged, well-moneyed and unfortunately often unfair in their tactics and targets." The Detroit Free Press said, "Findley's book is an honest attempt to understand and confront a rather intimidating force in American politics."

Does it make sense to advance, aid and abet, and support bandits, crooks, and robbers? Despite what most preachers are saying, the Israelis have a consistent and uniform record of pro-communist voting at the United Nations. My friends, that ought to tell you something. Do you realize that over \$2, 700 of U.S. money is given to every man, woman, boy and girl in Israeli, every year - tax free! We don't even do that for the poor farmers who are going bankrupt in our own country. The Israelis, in part live on kibbutzim, or communes, from which the word "communism" is derived, and this is a nation of atheistic communists.

Some of you are familiar with the recent notorious Pollard affair, which is paling into insignificance in light of the Iran-Contra affair. The Zionists in the U.S. State Department, in collaboration with the

Israeli government, were flying and shipping billions of dollars' worth of munitions, war materials and spare parts to Iran in its war with Iraq. Also, according to both UPI and AP, the Israelis have been shipping thousands of tons of American-made weapons to Iran on Danish vessels. A spokesman for the Danish Sailors' Union confirmed, "We have the exact dates. There is absolutely no doubt." You see, the internationalists and Zionists want the U.S. in a war, for war is big business.

WHERE IS YOUR ALLEGIANCE?

The hexagram is historically known to be pagan with NO Israelitish origin. It is NOT Christian! It is occult and astrological signs are defined by it. You may ask, "Where else was the six-pointed star used?" It is found in ancient Egyptian art in Arab magic, and is used by witches during their highest sabbath of Halloween. In modern times it is used by the Zionists, the Rothschilds, the Knesset, and it is featured on the Israeli flag.

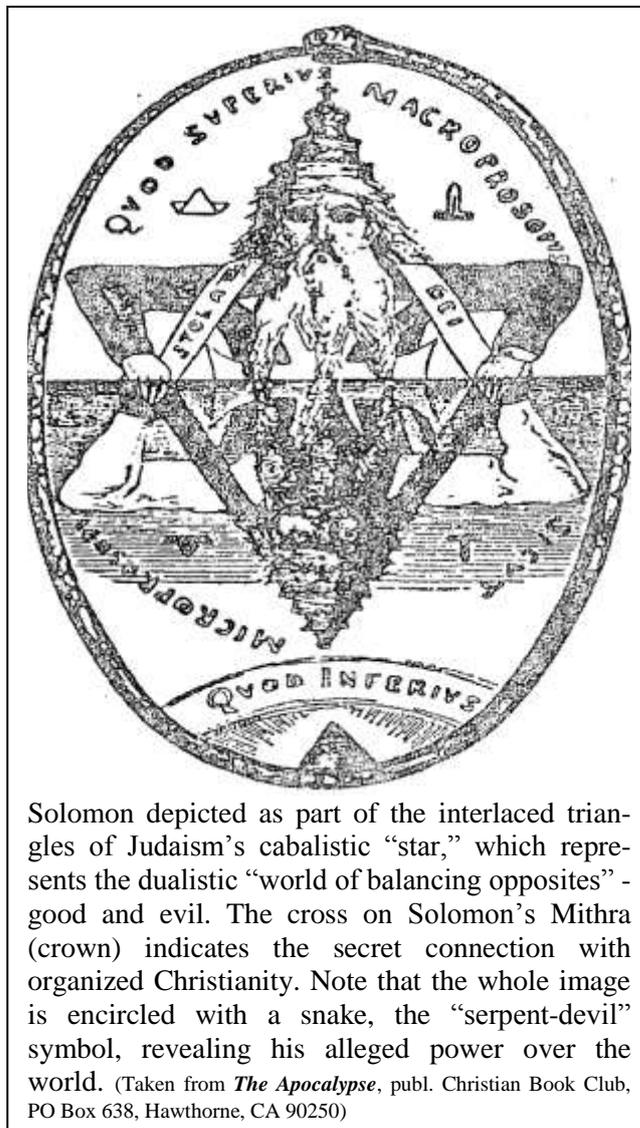

In 1897, the Zionist Conference convened and Theodore Herzl adopted as the insignia of their movement the six-pointed star. Listen! The twelve tribes of Israel never, never, never used the hexagram popularly known today as the "Star of David."

Let us look at God's Word for understanding and illumination. In 1 Kings 11: 1-6 we read:

"But King Solomon loved many foreign women, together with the daughter of Pharaoh, women of the Moabites, Ammonites, Edomites, Zidonians, and Hittites; of the nations concerning which the LORD said unto the children of Israel. 'Ye shall not go in unto them, neither shall they come in unto you: for surely they will turn away your heart after their gods:' Solomon clave unto these in love. And he had seven hundred wives, princesses, and three hundred concubines: and his wives turned away his heart. For it came to pass, when Solomon was old, that his wives turned away his heart after other gods: and his heart was not perfect with the LORD his God, as was the heart of David his father. For Solomon went after Ashtoreth the goddess of the Zidonians, and after Milcom the abomination of the Ammonites. And Solomon did evil in the sight of the LORD, and went not fully after the LORD, as did David his father."

Notice that verse five declares that Solomon went after Ashtoreth, also named "Astarte" meaning "star." This six-pointed star was never known as the "Star of David" but rather the "Seal of Solomon."

Acts 7:40-43 speaks of the children of Israel desiring such inferior gods, "...saying unto Aaron, 'Make us gods to go before us: for as for this Moses, which brought us out of the land of Egypt, we know not what is become of him.' And they made a calf in those days, and offered sacrifice unto the idol, and rejoiced in the work of their own hands. Then God turned, and gave them up to worship the host of heaven: as it is written in the book of the prophets. 'O,

Solomon depicted as part of the interlaced triangles of Judaism's cabalistic "star," which represents the dualistic "world of balancing opposites" - good and evil. The cross on Solomon's Mithra (crown) indicates the secret connection with organized Christianity. Note that the whole image is encircled with a snake, the "serpent-devil" symbol, revealing his alleged power over the world. (Taken from *The Apocalypse*, publ. Christian Book Club, PO Box 638, Hawthorne, CA 90250)

ye house of Israel, have ye offered to me slain beasts and sacrifices by the space of forty years in the wilderness? Yea, ye took up the tabernacle of Moloch, and the star of your god Remphan, figures which ye made to worship them: and I will carry you away beyond Babylon."

The House of Israel worshipped the host of heaven and as a result they were carried away beyond Babylon.

More evidence is found in Amos 5: 15, 24-26: *"Hate the evil and love the good, and establish judgement in the gate: it may be that the LORD God of hosts will be gracious unto the remnant of Joseph... But let judgement run down as waters, and righteousness as a mighty stream. Have ye offered unto Me sacrifices and offerings in the wilderness forty years, O house of Israel? But ye have borne the tabernacle of your Moloch and Chiun your images, the star of your god which ye made to yourselves."*

We are living in Joseph's Land here on this North American continent. We are the remnant of Joseph. Verse 26 is very revealing for it points to the star of Moloch and Chiun which historically were six-pointed.

There is ample proof that revival and restoration came to our forefathers long ago when King Josiah made a covenant with the Almighty God of Glory and broke this image of the six-pointed star. *“And the king stood by a pillar, and made a covenant before the LORD, to walk after the LORD, and to keep His commandments and His testimonies and His statutes with all their heart and all their soul, to perform the words of this covenant that were written in this book. And all the people stood to the covenant... And the high places that were before Jerusalem, which were on the right hand of the mount of corruption, which Solomon the king of Israel had builded for Ashtoreth the abomination of the Zidonians, and for Chemosh the abomination of the Moabites, and for Milcom the abomination of the children of Ammon, did the king defile. And he brake in pieces the images, and cut clown the groves, and filled their places with the bones of men”* (2 Kings 23: 3, 13-14).

Revival and restoration will come to America when we have the courage to do the same.

THE FEAR OF MEN'S FACES

God's Word says in 2 Timothy. 1: 7, *“For God hath not given us a spirit of fear, but of power and of love and of a sound mind.”*

“And I will utter My judgements against them touching all their wickedness, who have forsaken Me, and have burned incense unto other gods, and worshipped the works of their own hands. Thou therefore gird up thy loins, and arise, and speak unto them all that I command thee...” (Jeremiah 1: 16-17).

Today the “religious right” holds the notion “If we are to be blessed, we must bless the Jews.” Jerry Falwell has stated, “To stand against Israel is to stand against God.” If we believe what popular preachers and television evangelists are teaching in this regard, we are well on the path to spiritual insanity, if we don't take a stand against such religious drivel. The people they proclaim to be “God's chosen people” are the very people who say that our Savior is the illegitimate issue of an adulterous affair between a Roman soldier and an Israelitish harlot named Mary. When things like this are said are we to remain silent? Where is our loyalty to Christ; our allegiance to the bloodstained banner of our redemption?

A minister acquaintance of mine was telling me that he was invited to a synagogue to view a celebration of the Feast of Purim. This minister was not familiar with the National Covenant Message of the Bible and went on to tell me that he was appalled and embarrassed at what he and his wife were exposed to. As a matter of fact, he said it made him sick and they got up and left. He went on to tell me that two rabbis acted out the spectacle. One was dressed as a Baptist preacher and the other as a Catholic nun and they proceeded to baptize one another with beer! After this “baptism,” the “preacher” jumped on the “nun” and mimicked sexual expression to the roar of laughter

and applause from the Jewish crowd. No wonder he got up and left! By no stretch of the imagination are these God's chosen people!

If we let the religious racketeers and the homiletical hucksters have their way, the American flag will look like this:

Eloquence in the pulpit and elegance in the pew have fooled us for too long.

The six-pointed star is saturating literature, jewellery, religious articles, crystal, art, bumper stickers, posters, shawls, Bibles, Synagogues and, sad to say, Christian Church publications. What is it going to take to get Christians in America to wake up?!

Deuteronomy 7: 26 should finalize the matter and seal it in your mind. This verse declares, “Neither shall thou bring abomination into thine house, lest thou be a cursed thing like it, but thou shalt utterly DETEST it and thou shalt utterly ABHOR it for IT IS A CURSED THING.” (Emphasis ours) Since the Seal of Solomon (better known as the “Star of David”) is historically known to be pagan and occultish, our advice to you is to get rid of it.

POWER IN SYMBOLS AND FLAGS

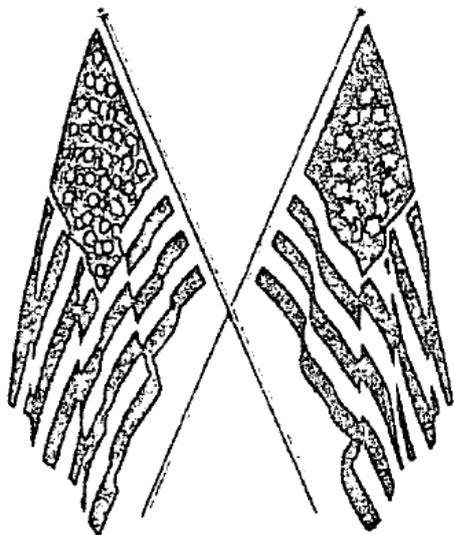

A serious and sobering thought was voiced by the American poet Carl Sandburg when he warned, “When a nation goes down or a society perishes, one condition may always be found. They forgot where they came from.” Have we forgotten where we came from? Have we forgotten the history of our race? Can we find a sense of destiny in our heraldry? Look at the seal of the United States of America. Is there significance in the eagle (Isaiah 40: 31, *“But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run and not be weary; and they shall walk and not faint.”*)? How about the olive branch? (Jeremiah 11: 16, *“The LORD called thy name, a green olive tree, fair, and of goodly fruit: with the noise of a great tumult He hath kindled fire upon it, and the branches of it are broken.”*) Or the arrows in the talon of the eagle? (Psalm 91: 5). What about the cloud? (1 Corinthians 10: 1-4).

There is irrefutable evidence available to the honest truth-seeking student of the Bible. There most definitely is a link and connection between ancient Israel and America, Great Britain and the Celtic, Scandinavian and Germanic peoples. An abundance of materials are available through America's Promise and Lord's Covenant Church, and a host of other organizations, including Destiny Publications, Kingdom Digest, and Christian Research, to name just a few.

OLD GLORY - THE STARS & STRIPES

The story of our national flag's origin parallels the story of our country's origin. As our country received its birthright from ancient Israelitish promises made to the covenant peoples, so did the pattern of the stars and stripes rise from the origins had in the mists of antiquity to become emblazoned on the banners of our infant Republic.

General Washington, when the Star Spangled Banner was first flown by the Continental Army, is reputed to have described its symbolism as follows: "We take the stars from heaven, the red from our mother country separating it by white stripes, thus showing that we have separated from her, and the white stripes shall go down representing liberty."

The brilliant Henry Ward Beecher said, "A thoughtful mind when it sees a nation's flag sees not the flag but the nation itself. And whatever may be its symbols, its insignia, he reads chiefly in the flag the government, the principles, the truths, the history that belongs to the nation that sets it forth. The American flag has been a symbol of liberty and men rejoiced in it.

"The stars upon it were like the bright morning stars of God, and the stripes upon it were beams of morning light. As at early dawn the stars shine forth even while it grows light, and then as the sun advances that light breaks into banks and streaming lines of color, the glowing red and intense white striving together and ribbing the horizon with bars effulgent, so, on the American flag stars and beams of many-colored light shine out together."

We truly believe the field of blue in the U.S. flag represents heaven (God's Kingdom). The stars represent the celestial seed of Abraham. In Genesis 22: 17 the Divine Record states, "...in blessing I will bless thee and in multiplying I will multiply thy seed as the stars of heaven". The thirteen stripes represent not only the thirteen original colonies, but also the thirteen tribes of Israel. Perhaps the red could symbolize the sacrificial blood of our Savior, Jesus Christ.

"By whose stripes ye (as a people) were healed" (Isaiah 53: 5, 2 Samuel 7: 23, 1 Peter 2: 24). White is for the purity and Righteousness (Revelation 19: 8) of the Redeemed. Blessed is the nation whose God is the LORD, even the name "Old Glory" suggests the glory of God's Kingdom.

CONCLUSION

In a 1917 Flag Day message, President Wilson said, "This flag which we honor and under which we serve, is the emblem of our unity, our power, our thought and our purpose as a nation. It has no other character than that which we give it from generation to generation. We celebrate the day of its birth, and from its birth until now it has witnessed a great history, has floated on high, the symbol of great events, of a great plan of life worked out by a great people.

"Woe be to the man or group of men that seek to stand in our way in this day of high resolution when every principle we hold dearest is to be vindicated and made secure for the salvation of the nation. We are ready to plead at the bar of history and our flag shall wear a new lustre. Once more we shall make good with our lives and fortunes the great faith to which we were born, and a new glory shall shine in the face of our people."

As the pastor of Lord's Covenant Church and your friend, let me say that any preacher or politician that places the survival of any other nation above the national interests or our beloved America should be tried for treason and run out of the country.

INTEREST ON THE WIDOW'S MITE:

It is estimated that if the widow's mite had been deposited at the "First National Bank of Jerusalem" to draw four percent interest (usury) semi-annually, the fund today would total:
\$4,800, 000, 000, 000, 000, 000.

HYMNS AND HEART

1. We sing "Sweet Hour of Prayer" and are content with 5- 10 minutes a day.
2. We sing "Onward Christian Soldiers" and wait to be drafted into His Service.
3. We sing "O for a Thousand Tongues to Sing" and don't use the one we have.
4. We sing "There shall be Showers of Blessing" but do not come to worship Him when it is raining.
5. We sing "Blessed be the Tie That Binds" and let the least little offense sever it.
6. We sing "Serve the Lord with Gladness" and gripe about all we have to do.
7. We Sing "Love to Tell the Story" and never mention it at all.
8. We sing "We're Marching to Zion" but fail to march to worship service or march in the Kingdom Way.

WILL REAGAN TAKE A DIVE?

Reagan may be used to discourage American Conservatives in the same way they used Vietnam to destroy Patriotism in the 60's, and the way the Mob used Prohibition to destroy their competition in the liquor industry in the 20's and 30's. I've learned that political moves are almost never what they appear to be on the surface.

Although Reagan never was a true conservative, he did present himself as one. Thus, conservatives nationwide rallied and were encouraged by his charisma on the screen and his well-read scripts of patriotic rhetoric. His smooth presentation and finesse came at a most needed time for the survival of the serpents on Capitol Hill. Washington needed a savior - Reagan was it.

Peanut Brain Carter had all but ruined Washington's credibility. Carter didn't have the cunning to disguise his true Democratic (Socialist) methods; he wasn't a good politician. His administration brought the public to the verge of losing all confidence in government.

But Reagan stepped in and charmed the savage beast that was rising within the hearts of Patriots. They couldn't have withstood another "Carter," but Reagan smoothed the waters of dissension nationwide, much to the relief of communistic liberals everywhere.

Reagan served the beast well. He quelled the rising tide of mutiny; giving the shipmasters at least six additional years to better prepare themselves for the next major move to suppress and control everyone on board.

If the World Bankers are now through using Reagan, perhaps it is time for the coup de grace (Reagan goes out in such a way as to discredit and demoralize conservatives in America). If Reagan, his staff, and cabinet leave the White House in disgrace, looking like idiots and bumbler, then all the con-

servatives and patriots in America who have identified with Reagan will have been demoralized by his failure. If Ronny takes his curtain call this way it will only be a fitting finale for "an actor." Of course, if he does "take a dive", he will not go unrewarded by the powers behind the scenes.

Conservatives are now speculating that George Bush will take the reins for the next ten years, giving more power to the Trilateral Commission. However, if Reagan goes out in disgrace, Bush will lose power too. In the next election I wouldn't be surprised to see a major sweep by the Democrats.

Besides, Bush doesn't need the presidency to have power. He already has all the power he needs. In fact, I think he is right where he wants to be. As Vice President, he is "Chairman of the Board of the Corporation" (U.S.A. Inc.). How? Very simple: as Vice President, Bush is Chairman of the Senate. Since the 17th Amendment was passed in 1913, the Senate has been unconstitutional.

In effect, it was turned into the equivalent of a board of corporate directors. This board (the Senate) has power to hire (elect) and fire (impeach) the President. Bush is "Chairman of the Board." Why would he want to lower himself to the more open and vulnerable position of President?

If things seem confused in Washington, don't be surprised. Remember, just a few months ago God's judgment was called down upon Washington by the Court of Divine Justice that was held on the steps of the Supreme Court. Within just a few days the bottom started falling out of the White House Administration.

A coincidence you say? I rather think that the whole affair is being orchestrated by an Omnipotent God as a beginning of the judgment upon an anti-Christ government. In fact, I fully expect much more!

THAT OLD SERPENT, CALLED THE DEVIL AND SATAN - REVELATION 12. Part 8

So this birth was not Jesus Christ, this birth was of the great Zion nation of Bible prophecy, the United States of America, Continuing in Micah 4: 11, "Now also many nations are gathered against thee, that say, Let her be defiled, and let our eye look upon Zion."

And I would guess there are more spies and subversives per capita in America than in any nation on earth. This cannot fit the little old land of Palestine. I would suspect we have more enemy spies and agents in America than they have people in Palestine. Look at what God says, verse 12:

"But they know not the thoughts of the Lord, neither understand they his counsel: for he shall gather them as sheaves into the floor. Arise and thresh, O daughter of Zion: for I will make thy horn iron and I will make thy hoofs brass, and thou shalt beat in pieces many people: and I will consecrate their gain unto the Lord, and their substance unto the Lord of the whole earth."

This is that great end-time battle in which all the nations of the world will be gathered against the Zion of Bible Prophecy. Anyone who lives in America can see the nations of the world gathered against this great nation; with the military arms and subversive parties in control even of a good share of South America, and Cuba, and Nicaragua and now taken control to some extent in Mexico, with the Russian submarines and ships patrolling both of our seas with missiles by the thousands aimed at this nation. If you still think the Zion of Bible prophecy is over in Palestine, you simply don't know what is going on in the earth today.

We are the target of the great anti-Christ conspiracy; we are the nation born in a day, of reconstituted Israel, the people who follow Jesus Christ. Let's go back to Revelation 12 now and read some more here and see if this vision does rather fit with this idea, that the man-child is not Jesus but was reconstituted Israel born in a day, verse 5:

"And she brought forth a man-child who was to rule all nations with a rod of iron; and her child was caught up unto God, and to his throne."

Now again, to fulfil that, it does not mean a literal removal from the earth to heaven. It simply is symbolic language for God's protection for the man-child. God led and guided that man-child. Now if you can name a nation upon the earth that has had more leading and guidance and protection from God Almighty than the U.S.A., you tell me about it, because I simply don't know one.

"And the woman fled into the wilderness; there she hath a place prepared of God that they should feed her there a thousand two hundred and threescore days."

Now I've not figured out the time on this, and since you know that I do not believe in computing times for Jesus' return at the end of the age (I'll let others work on that), but I do know Israel was regath-

ered here in this North American continent, this Wilderness. Then after all of that follows verse 7:

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, and prevailed not neither was their place found anymore in heaven. And the great dragon was cast out, that old serpent, called the Devil and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

This, of course, is not some spiritual being that walks about the earth tempting Christians. Again, this old dragon is this conglomerate of nations and they are literally going to be brought low and destroyed by God. The terminology here of course is, "Michael".

"And I heard a loud voice saying in heaven, 'Now is come salvation, and strength, and the kingdom of our God...'"

Here is that Kingdom again, that we read about in Isaiah and Micah,

"...and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night."

There is another thing that our enemies do, that at least is one thing that does make our patriotic Americans angry. We are accused of causing all the trouble on the earth, do you realize that? In other nations, in the Third World and among the communist propagandists, America is the great and terrible power. Khomeini calls us 'devils' and everything else.

And America literally receives the blame for everything that is going on the earth and yet, in time of calamity and earthquakes and famines and trouble, what ONE nation, of all of the earth sends its food, and its help and its doctors and its people to it? Why, the United States, of course! The Great Zion Nation of Bible prophecy.

"And they overcame him by the blood of the Lamb and by the word of their testimony and they loved not their lives unto death."

This great anti-Christ world power is not going to be overcome by force of arms perse, but by the Word of God and the power of Jesus Christ,

"Therefore rejoice, ye heavens, and ye that dwell in them. Woe to the inhabitants of the earth and of the sea; for the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time."

It is also true that the rest of the earth is suffering under this anti-Christ power which is attempting to destroy America. If you have ever read the writings of Karl Marx and Lenin and Stalin and some of the other so-called theoreticians of communism, they make it very plain the nation they want to destroy is the U.S.A. However, they recognize they will have to take the rest of the world first, then destroy us.

So as it says here the devil is come down unto the rest of the inhabitants of the earth and of the sea. All other nations are suffering from this warfare which is directed against us. (South Africa being a typical example of wanting to destroy America's supply of strategic metals. CIM).

To be continued.

DESTRUCTIVE POLICY IN SOUTH AFRICA

Nelson Mandela, jailed leader of the outlawed African National Congress (ANC) as many of you know advocates the violent overthrow of white rule, the abrogation of the South African Constitution and the destructive policy of black majority rule. His wife, Winnie Mandela has a list of friends including Bishop Desmond Tutu, Jane Fonda, Andrew Young, Amy Carter, Abbie Hoffman, Armand Hammer, Ted Kennedy, Coretta Scott King, and the National Council of Churches.

Jeanne Kirkpatrick, former Ambassador to the United Nations, writing for the Los Angeles Times in a syndicated article dated Jan. 22, 1987, stated, "Winnie Mandela, in an interview with Pravda (a Soviet newspaper), said, 'The Soviet Union is a torchbearer for all our hopes and aspirations. We have learned and are continuing to learn resilience and bravery from the Soviet people, who are an example to us in our struggle for freedom, a *model of loyalty to internationalist duty*. In Soviet Russia, genuine power of the people has been transformed from dream to reality. *The land of the Soviets is the genuine friend and ally of all the oppressed peoples against the dark forces of world reaction.*'" (Emphasis ours).

Let Winnie trumpet - if she will - those words to the dispossessed millions of Afghanistan. Better yet, let her take an automobile ride with Ted Kennedy to a Bay called Chappaquidick.

Senator Edward (Ted) Kennedy wants America to apply sanctions against South Africa, although the President thinks the suggested sanctions are too severe. Kennedy is, and was, friendly with the Irish Revolutionary Army (IRA), so what's the difference in public ethics? And how different is South Africa from Afghanistan and other countries where the Soviets have repressed the majority population? Kennedy, a devout Romanist, should think of his church's record of persecution before reading a lesson to others on good behavior.

What is happening today is clearly outlined in The Bible, and a lot more is foretold for the future. It is interesting to note that 40 years ago it was not easy to convince an audience that the Soviet Union was planning world conquest. Today it is more than obvious.

The moves by the Soviets in Hungary during 1956, Czechoslovakia in 1968, Cuba during 1971, Angola in 1976, Libya in 1977, Ethiopia in 1978, Iran in 1979, Afghanistan in 1980, Mexico and Central America today, reveals a pattern that is clear to all careful observers. The Soviet "bear" is clawing his way in all directions!

Every country in the world has Communist infiltration.

The New World Order Is In Control - Almost

[Gerald L. Sprouse, writing in *The National Educator*. August 1986 (Box 333, Fullerton, CA 92632), describes the control of the world's food supply, and the objective of gaining ownership of America's farmland.]

"The New World Order (NWO) not only exerts total dominance over the federal government and the country's banking system but also exerts a stranglehold upon "our" food supply and every other thing which we need to survive, its grip upon everything of importance is complete, and they are in the position to starve us into submission if need be.

They have thought of everything, and they have built an escape proof cage for us like only the evil mind of man could conceive of. They own all the major means of production in this country; the New World Order conspirators own everything of significance in America, and indeed, the World.

There is just one thing of importance left that the New World Order conspirators don't own outright, but they hold mortgages on it all and are hard at work on completing the transfer of title at the present time. That one thing is America's farmland, and the fact that they don't own all of it yet is undoubtedly the only reason that the axe hasn't fallen yet on the police state that the NWO conspirators definitely intend to give us in the very near future.

The NWO conspirators laid a very neat trap for America's farmers, and those unsuspecting tillers of the soil fell neatly into it. First, they baited the farmers with an appeal to their greed. Through the federal government and the banking system, both of which the New Worlders control, they conned the farmers into overextending themselves financially to buy equipment and supplies which they really didn't need so that they could attain the highest levels of profitability possible. When the farmers were far enough extended financially that they could never bail themselves out without the continued support of the federal government and the banking system the New World Order conspirators started yanking that support out from under them and foreclosing on their property.

The foreclosure on the farms in America is no coincidence; it is the planned end result of a purposeful design to steal the farmers land from them. It should have been expected by anyone who knew of the One World Order conspiracy. The New Worlders have to gain ownership of all of America's farmland if they are to totally subjugate all Americans. Otherwise, resistors would survive by supporting themselves from their own farmland and could support others of their kind. But with all of the sources of food in the hands of the New Worlders, you will most likely do as they command just to stay alive.

The New Worlders will be glad to take advantage of farmers experience and hire them just as soon as they confiscate their farms. They might even

allow them to continue to work their "own" farms which the farmers no longer will own. When the last of independent ownership of American farmland is gone, so will be the last vestige of individual freedom in America."

NUCLEAR WASTE?

What is "nuclear waste?" Do you know? Everyone talks about it, but do you actually know what it is? In parts of the country we've been bombarded with propaganda in the news about the search for the best place to "dump" the nation's collection of "nuclear waste." Apparently the Hanford, Washington site has been eliminated, leaving two other possible locations: one in Nevada, and another in Texas. At the sites, those who would be working with this "nuclear waste" are chomping at the bit to get governmental approval to receive it. This makes one wonder, why would anyone want "nuclear waste?" Isn't that stuff supposed to be dangerous?

For reasons of their own, the Nuclear Regulatory Commission makes great effort to scare us about the dangers of "nuclear waste," but makes no effort at all to educate us as to what "nuclear waste" is and how it should be handled. They've insinuated and allowed the public to think, that they plan to bury it deep in the ground. In fact, one of the ostensible reasons given to disqualify Hanford as a possible site was that the ground there was "unfit for burying the waste."

Now, before you read further, just stop and try to put into words what you personally have come to believe "nuclear waste" is, and what you think it is that they are burying in the ground.

My recent conversation with nuclear physicist Galen Winsor of Richland, Washington gave me some answers. Galen knows as much about "nuclear waste" as any man living today. In his thirty-five years in the nuclear energy industry, at Hanford and other locations, Galen's field of expertise was in handling and storing this so-called "nuclear waste". Actually the correct description of it is SPENT FUEL: Uranium that has gone through a reactor, changing it into Plutonium.

In fact, the Hanford facility was built over 40 years ago, for the specific purpose of creating Plutonium. Hanford is still converting Uranium into Plutonium, as it was designed to do. Now, are we to believe that Plutonium is "waste?" Do they expect us to believe Hanford was built for the purpose of creating "waste" only to turn around and bury it in basalt?

Mr. Winsor explained that Plutonium just happens to be America's most valuable reusable resource. The value of Plutonium is many times that of gold. The Nuclear Regulatory Commission is dealing with 77, 000 tons of spent fuel, from which Plutonium is extracted. Fort Knox never held anything this valuable. Why do they call it "waste," and why do they tell us it is so dangerous? Could it be simply to keep others from getting in on their Plutonium market? Is there any real waste material created?

Yes, there are paper towels, paper gloves, paper coveralls, and paper slippers that are worn while working with radio-active material. Also, there are such things as small tools and equipment that get a little radioactive dirt on them and are thrown away.

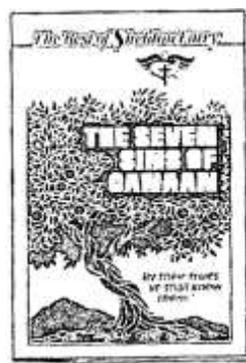

Are these items hot and dangerous? No! In fact, the contaminating dirt could be washed off the tools, and the disposable items could be incinerated, saving millions of dollars that are being wasted by regulatory agencies and useless dump sites.

How about the "spent fuel"? Is it hot? Winsor informed me, "Radioactive material whose fissile content is less than five percent can be stored in air. That means that it doesn't even need water to cool it. It isn't hot! It has no critical mass!"

I then asked him what the average fissile percentage was of the spent fuel rods that NRC is calling "waste". His answer was two to three percent. In other words, the spent fuel can be stored safely in any secure storage place."

So, will NRC bury this Plutonium underground in bedrock, as they've led the public to think? Not likely. Not unless they have an easy way to dig it back up. It is not dangerous and it is the most valuable cache of metal in the nation. If you had possession of several billion dollars' worth of metal, would you throw it away?

110 THE SEVEN SINS OF CANAAN

Flying in the face of blind religious tradition, Pastor Emry's hard-hitting sermon gives the real answer to why God doesn't hear America's prayers. As a nation we are committing the seven sins of Canaan that have been promoted by the descendants of the Canaanite-Edomites, disguised as God's chosen people.

MAGNA CARTA LIMITED USURY

One of the copies of The Magna Carta has been on display in Oregon recently, as it is on loan from Lincoln Cathedral in England and is being shown around the nation in celebration of the Bicentennial of the U.S. Constitution. Signed at Runnymede in 1215 by King John, at the demand of his barons, this Great Charter was a landmark for the preservation of the rights of Englishmen.

The Magna Carta is said to contain the origins of the Declaration of Independence and the Bill of Rights. Written in Latin, its English translation reveals to Americans the struggle that is not new to our people. In 1215, the struggle against government's tyranny and oppression was no different than today.

The main grievance redressed by The Magna Carta was the administration's policy of extortionate taxation and financial plunder of the citizens. It also addressed the English Freeman's rights to trial by jury, Habeas Corpus, no arbitrary search and seizure, and equality before the law.

Articles ten and eleven addressed usury and gave protection against foreclosure by ruthless usurers:

10. *If anyone who has borrowed from the Jews any amount great or small, dies before the debt is repaid, it shall not carry interest as long as the heir is under age, or whomsoever he holds; and if that debt fall into our hands, we will take nothing except the principal sum specified in the bond.*
11. *And if a man dies owing a debt to the Jews, his wife may have her dower and pay nothing of that debt; and if he leaves children under age, their needs shall be met in a manner in keeping with the holding of the deceased; and the debt shall be paid out of the residue, saving the service due to the lords. Debts owing to others than Jews shall be dealt with likewise.*

Our ancestors warned us about Jewish usury 770 years ago. From these two articles we see that there is nothing new under the sun. Banking and usury is synonymous with Jewry. In 1215 the non-Jews who indulged in usury were put in the same category as Jews in terms of their standing before the law.

Usury economics, otherwise called "Capitalism" in its early stages, and "Communism" in its more advanced stages, was planted in Christendom by Jewish merchants who had inherited the trade from Babylon. In 1987 we need to renew the principles behind the Great Charter and begin to learn again how to protect ourselves against Babylonian usury!

THE ANSWERING SERVICE

From America's Promise

The Bible has a lot to say about the wicked. Their monstrous greed and selfishness is running rampant. What is God doing about these criminals?

Those wicked criminals happen to be God's servants according to the Scriptures. All that greed and selfishness is well described by the prophet Joel, where they are called locusts, cankerworms, caterpillars, and palmerworms, my great army which I (God) sent among you" (Joel 3: 25): These wicked people are the worms and parasites that do nothing but feed themselves greedily. God has sent them among us in order to judge us for our refusal to obey His Law (Ezekiel 5: 16-17).

These wicked people THINK that they are doing this just because they want to rob us and get rich off our labour, but they do not understand that God is the One who is directing them to do this against us. (Isaiah 10: 5-7, 13-15). Ezekiel 38: 4 tells us that God is actually putting hooks into their jaws and dragging them to America to rob us. All of this is because we have refused

the Law of God, and thus we are under the curses of the Law for disobedience.

Fortunately for us, the Bible also tells us that one day this plunder will end in their final destruction. This will occur as soon as our nation repents and turns to His Law. It is a great comfort to know that all these wicked enemies are under the absolute control of the God who loves us. We know then that God has the power to stop them at the exact moment He has planned to save us.
