"Blessed be the LORD God of Israel; For He hath visited and redeemed His people, And hath raised up an horn of salvation for us in the house of his servant David; as he spake by the mouth of his holy prophets, which have been since the world began; That we should be saved from our enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember his holy covenant; The oath which he sware to *our* father Abraham, That he would grant unto us, that we being delivered out of the hand of our enemies might serve him without fear, in holiness and righteousness before him, all the days of our lives." AMERICA'S EPITAPH WE THE PEOPLE"

"...now make us a king to judge us like all the nations."...and Yahweh said unto Samuel, "Listen to the voice if the people in all that they say to you: for they have not rejected you, but they have rejected Me from reigning over them."

1 Sam 8:5 & 7

An appalling and horrible thing has happened in the land: The prophets prophesy falsely, and the priests bear rule by their means; and my people love to have it so.

Jeremiah 5:30-31

And you shall cry out in that day because of your king which you have chosen for yourself, and Yahweh will not hear you in that day.

1 Samuel 8:18

by Ben Williams

America is dying. No, I'm not referring to the Republic we call the United States of America. That entity is alive and well. It rules this land we live in. It rules most of the nations of the world. Some folks claim that "The Republic" no longer rules, but has been replaced with another system. But today's government is the same government the Constitution created in 1787. The beast has grown up, gained power, and become more of a bully, but it is still the same beast ... and it is still spoiling this American paradise.

Like a vain woman, The Republic (AKA The United States) disguises itself behind makeup (lies, political rhetoric, and batteries of lawyers). The "Republic" was created by lawyers, bankers, and politicians. It has taken over the land and the people (i.e., America,)[the same thing has happened in Australia! CIM] and declared war upon the Kingdom of God. The 'Republic' is a commercial and political war machine (see for example the cover of may '97 Popular Mechanics. CIM), designed for invading and conquering. The 'Republic' claims credit for the good in America, and disavows the bad ... although, in truth, it has produced only hardship and hopelessness for America.

America (the American Dream), along with freedom and opportunity, is quickly disappearing! The Republic (United States of America) is killing her with its central government system and its political process. The average American doesn't even think about it. The "Constitutionalists" think about it, but they can't define it. They are plagued by duplicitous reasoning and compounded confusion. Their Constitution, which they prescribe for liberty, actually destroys liberty. Their attempt to define "the real America" is simply frustrating and off-point. They ignorantly, and proudly, claim the title "We The People," and in doing so epitomize the problem preventing America's rescue from the bankers,

politicians and lawyers. Misplaced patriotism is the opiate that keeps Americans supporting the beast system and preventing change.

Political scientists have it all figured out. The political art of conquering and controlling people has been perfected by the Beast here on this continent. "We The People" stupidly take pride in this, and proudly pledge their allegiance to its flag.

THE POISON

America ("the American Dream") has been showing symptoms of dying for a long time; longer than we like to admit. We should have noticed. She

is dying from the poison of political pro-cess administered by bankers, politicians, and lawyers who actually work for the other side (the Republic; Babylon's Dream). The poison that is draining her life is "the political process." This 'process' was meant to only drug her and control her, but in fact it is killing her. Those who identify with "We The People" support and defend this process. They call it 'liberty.' But it is the way of theft and slavery.

America's illness came in her youth in the 18th century, before she even matured. The slow poison was delivered in Philadelphia in 1787, and the eastern states were

soon sick. Then as the Eastern Establishment crept westward it carried the sickness everywhere it went. Most Americans have been turned into unwitting accomplices to the crime. They have assisted in the poisoning of America. How? By condescending to the poisonous political process of the Republic. The political process is the Republic's method of delivering the poison, injecting it into the main arteries through state and local participation.

Early Christians in America had God-given principles which served them well. They even were given a Savior who saved them when they got lost and forgot how to follow their Creator. Christian laws were created by God, not man. God's laws worked! To the extent that those principles were followed, freedom prevailed in this land because those principles prevented the establishment of tyranny.

THE SERPENT

Our forefathers allowed the serpent to re-enter Eden. The tentacles of the serpent reached across the Atlantic and began grabbing power on these shores. In time, the serpent convinced the Americans they could make their own laws and "be as gods, knowing good and evil" ... the same as in Europe. So in 1787 in this land Yahweh's principles were shelved, and man's (Babylon's) laws were instituted on the

"WE THE PEOPLE"

THEY MADE THEIR OWN GOVERNMENT

federal level. Up to this time the local governments in America had not the power to fully enslave the people. In 1787 that changed. The demise of freedom, and sanity, began.

In spite of America's failing vigor, she continued to facilitate the dreams of freedom seekers for two centuries. The people took her for granted and didn't protect her. Now she is an abused wife; near to death. People fondly speak of America and freedom, and hope. They speak of her in song and poetry. But, where it really counts they ignore her and pay actual homage and support to the Republic. Meanwhile America is taken for granted, and "We The People" continue to cover up for the crimes of her killers.

The liberty that America symbolically represents is nearly lost. The dying process began in the eastern states because that was where the beast (the Republic) rooted itself first. As liberty began to wane in the eastern states, it found sanctuary in the expansive wilderness of the wide-open west. Oppression appeared in the east when population grew. Population brought with it the beast government. The beast requires

concentrated populations (cities, etc.) in which to feed and breed. Then people began moving westward to distance themselves from the beast and find freedom again.

In the scarce population of the west the spores of Centralism (the Republic) could find no seedbed. Freedom in the west existed, not due to the presence of the Republic, but due to its absence. Freedom was there because the parasitic Republic was not. While the freedom in the west lasted it kept the illusion alive for the whole country. at least for a while longer. That grand spirit of freedom was fondly called "The American Dream." But very little of that spirit - that America

survives today. The Republic (the Establishment) eventually found political bodies in which to feed and breed. It has been bleeding us white ever since through the political process. This is the beast system in action.

America is dying, and it would be worth our while to examine this phenomenon. What gave her life? What is killing her? What can we do to save her?

THE DREAM

Where there is no vision, the people perish. Prov.29:18

A dream (vision) gave birth to America. The dream was placed in the hearts of men by God. The dream created and empowered her. We call it "The American Dream," and it created an "America" we like to remember. But confusion and idolatry has caused the dream to fade, and the America we liked to remember faded as well.

The dream was powerful, at least for a few generations. The dream was the America that people loved. This America was not created in Philadelphia or Washington D.C., but rather in the hearts and minds of freedom seekers driven by Christian spirit. America was a dream, a hope, a concept. The Republic, in contrast, was a political creation, with legal documents, political agendas, its own courts, its own armies, its own money its own banks, and a slick plan to gain power mind-boggling power. It was born in Philadelphia and nourished in Washington DC. It was created by bankers, politicians, and lawyers. It was built upon political lies occult agendas inherited from Europe.

The Republic wasn't popular at first among the freedom lovers of the 1700's. It wasn't readily accepted, but it had an agenda. It took more than a generation to brainwash the people into general acceptance. It survived its early years by hiding in the skirts of America. It hid behind the hopes and faith of freedom seekers. By stealth, the Republic cunningly kept in the shadows ... and strengthened itself. It was sinister, and smart. ...

America was encouraged to nurture the system, like an unwitting mother hen sitting on Viper eggs. Society flourished. People became tolerant of the Republic. The plotters ex-

ploited this weakness by keeping the Republic in a somewhat passive condition, not exposing its hand. Misplaced confidence and political platitudes were happily accepted. Songs and poems were composed to help shape its image.

Meanwhile, the American Dream continued to provide vitality and hope. Even though the dream was merely a phenomenon of the time and circumstance, it nonetheless sustained our fathers through the formative years. All the while, the Republic was building its machinery, cunningly waiting like a deadly serpent preparing to strike its prey; waiting for the right time to step out of the shadows and begin asserting its powers. People began assuming that "America" and "The Republic" were one and the same. This suited the Beast's agenda. Its powers were being amassed stealthily, legally, and in quantities and channels heretofore unimagined. It would be the New Order of The Ages; the Grand Experiment; the culmination of millennia of trial and error. This was carefully orchestrated to be the magnum opus of political science; the serpent's finest hour; the fulfillment of the visions of Daniel and John who saw the mighty beast in

prophecy. This beast had no peers, and would conquer the people of the Earth.

Indeed, there seems to be no equal in all of history to the political machinery of the Republic. The system has lived up to the expectation of its creators. It enslaved America, and conquered most of the nations on Earth. And American dupes have reveled in its development like slaves who stupidly take pride in their slave master. Eventually, a pledge of allegiance was cunningly administered to all children of school age, at political events, and baseball games. The projected image of the Republic was being perfected.

America had been cunningly used as a surrogate mother hen to nurture the serpent Republic system that hatched in her nest. Bankers, lawyers and politicians tricked her into adopting

Republic system that hatched in the lawyers and politicians tricked her into adopting the serpent. "We The People" were conned into supporting it and helping to raise it. Now the serpent has come of age and grown into a huge beast. It is still cowardly, but because of its overwhelming size and power it no longer fears exposure, and has openly declared itself sovereign. It no longer hides behind the skirts of its surrogate mother. In fact, the mother is no longer needed, and her (America's) destruction has been scheduled.

Looking back over the years, and realizing how things got the way they are today, it is not to hard follow the pattern. Who is to blame? The list is long. When America is fully dead and gone, those who contributed substantively to her death will share in the blame and the judgment. "We The People" those folks who stubbornly support the Republic and its infamous charter, the Constitution - will head that list.

WHAT GAVE HER LIFE?

America was a phenomenon of freedom. The thing that made it special was what also made it free - namely, that the beast system was not established here. Freedom is the result of the presence of Christ and the absence of the beast system. American freedom existed because men could live and work here without the oppression of the beast system. America's vigor was the natural result of having hardly any Centralism and political process. The Atlantic Ocean was a natural barrier insulating her from that Beast ... until the great exodus from the Old World to the New World in the 18th and 19th centuries. Old Worlders came to seek freedom in the New World. And as their numbers grew here, and as cities and ports were established, the Beast system virus found more and more political bodies to infect.

WHAT IS KILLING HER?

The Beast System with its political process spreads contagion from continent to continent via international merchants. The process can be compared to an infectious disease ... like AIDS. The merchants are the carriers, like drug ad-

dicts and sodomites are carriers of the AIDS virus. International merchants look for bodies of population as hosts ... the way diseases require living bodies as hosts. International merchants (bankers) lure political bodies (cities, states, etc.) into immoral relationships via contracts and constitutions. Cities, states, etc., contract the disease of the Beast System when they play the harlot and accept their solicitation. If any political body resists the merchants advances, war is threatened to provide incentive to cooperate. The process is more like rape than courtship. Nonetheless, it masquerades as legitimate via contracts, covenants, and constitutions. The disease (the beast system) spreads to its new host, resulting in eventual death of the host.

16. And she (Jerusalem) lusted after them (Babylonian merchants and politicians), to the look of their eyes, and sent messengers to them into Chaldea. 17. And the sons of Babylon came to her, to the bed of love, and they defiled her with their fornications. And she was defiled with them, and her soul was alienated from them (she lost their favor). 18. And she uncovered her fornications and uncovered her nakedness. Then My [Yahweh's] soul was alienated from her, just as My soul was alienated from her sister [Samaria]. 19. And she multiplied her fornications to recall the days of her youth, in

which she had whored in the land of Egypt. Ezekiel 23:16-19

WHAT CAN WE DO TO SAVE HER?

America's chance at life depends upon one simple equation. That equation is the same today as it was in the 1700's. It is still the same as it was when the Children of Israel were led to Canaan, and when Yahweh placed Adam in the Garden. The absence of the Beast System equates to life for America. The presence of the beast system equates to death for America. When the people stop playing the harlot by accepting the political

harlot by accepting the political process of the beast system (i.e., the Republic), the immoral ties with the Beast will break, and the nation will begin her recovery. When the Beast's support group [i.e., "We The People" - i.e., the Constitutionalists] stop looking to the Constitution (or to people like Pauline Hanson!!CIM) for their salvation, and start recognizing God's constitution (the Bible), the present trend toward death will reverse.

3. And I heard another voice from heaven, saying, Come out of her, my people, that you do not share in her sins, and that you do not receive of her plagues.

Rev 18:4

17. Wherefore come out from among them, and be you separate, says the Lord, and touch not the unclean thing; and I will receive you, 18. And will be a Father unto you, and you shall be my sons and daughters, says the Lord Almighty.

2 Cor. 6:17-18

THE ARGUMENT

Someone may argue, "But America's greatness was the result of the concepts of government established by our "Founding Fathers."

WRONG! America's greatness was a natural result of Christians being able to work and live in an environment of freedom - before the Republic overwhelmed the people. Amerca's greatness lasted as long as her freedom lasted. That freedom decreased in direct proportion to the increase of the Republic government system.

of the Republic government system.

You may further say, "But our present government system is no longer a Republic, The original government was constitutional, and therefore good. It created freedom and served its citizens when it was first instituted by the Founding Fathers. The oppression began only after it stopped being constitutional. If it were still constitutional it would still be good."

This is an argument I hear often. But I must remind those who make this argument that whether or not you think today's government is constitutional (which, by the way, it

is), nonetheless it is the product of the charter that created it, and the power that charter conferred upon it. What it is today is the result of how it began. It began a beast- a young beast, but a beast nonetheless. And it is a beast today. It was smaller and less aggressive in its infancy. So what? Most beasts are. However, when they grow up ... watch out.

Even if that were true (which it isn't) that the U.S. Government was constitutional at its outset but has since been changed, that still would not change the fact that the Constitution created a Beast - a central government - and conferred powers upon it that were forbidden to man. The Constitution created an idol, and "We The People" are still bowing down to it. Once the Beast was created it meant that it was only a matter of time before his true colors would come out. In retrospect, one wonders why Americans should be expected today to honor the birth of the Beast and the infamous charter that gave it life? And why should Americans have been surprised when the Beast became ravenous? That's what Beasts do. Scripture tells us to quit trying to save that which is not intended be saved. Stop being patriots of Babylon.

6. Flee out of the midst of Babylon; yea, each man deliver his soul. Do not be silenced in her iniquity, for it is the

time of Yahweh's vengeance; He will give to her a just reward. 7. Babylon (like the U.S.A.) was a golden cup in the hand of Yahweh, making all the earth drunk. The nations have drunk of her wine, therefore the nations are insane.

(The Beast has manifested itself in The United States like it did in Babylon, God has been using the U.S. to punish idolatrous nations by leading them further astray. By creating and controlling the United Nations, and through its powers of banking and war, the U.S. has been driving the nations insane.)

8. Suddenly Babylon has fallen; and it is broken. Wail for her; take balm for her pain, if perhaps she may be healed. (This is a cynical rejoinder, rhetorically chiding Israel for her confused and misguided efforts to convert Babylon [the U.S.] and save her from her deserved fate.)

9. We would have healed Babylon, but she is not healed.

(Israelites tried to save Babylon because they thought they saw greatness in her, and Patriots would heal The U.S.A. because they think there is greatness in the Constitution. But those are ways of the Beast, and there is no salvation in them. Israel was told to forsake her. Their Babylonish patriotism was, and still is, misguided.)

Forsake her and let us go, each one into his own country, for her judgment reaches to the heavens and is lifted up to the skies.

[God's judgment is upon The U.S.A.. The Beast has ravaged, pillaged, and destroyed. This beastly culture is beyond saving. It will fall, and we must get out of the way and let it fall.)

10. Yahweh has brought forth our righteousness; come and let us declare in Zion the work of Yahweh our God.

(Declare the work of God, not the work of men; teach God's Word, not the Constitution.)

Jeremiah 51:6-10

THE CASE AGAINST THE CONSTITUTION & "WE THE PEOPLE"

Much has been written exposing the fraud of the U.S. Constitution (e.g.: No Treason: The Constitution Of No Authority, by Lysander Spooner - \$8.50. from CIM). We can only begin to touch upon the subject here. But consider a few obvious contradictions.

1. The first words of the preamble of the Constitution

were, "We The People": an obvious imposture which sets the tone for the entire thing. This phrase was coined in secret by an elite few who drafted and signed the Constitution in Philadelphia in 1787. Their meetings were held in secret. And yet the document claims to be the product of "We The People." "We The People" had no hand whatever in its creation since the public was prevented from participating. At no time did "We The People" ever see or sign the document, or have opportunity to accept or reject it. What right did they have to say "We The People"? And what kind of perverted reasoning could compel "We The People" to now take responsibility for it?

And even in the case if those few of that generation who actually signed that document, it could only apply to them alone. It could never lawfully compel the people of following generations to comply with and continue to serve that contract they have not signed. Can a few men lawfully contract the future lives of an entire nation and their descendants, compelling them to accept their contract? I think not. One cannot lawfully sell another's life.

Nonetheless, most in the nation have ignorantly assumed the title "We The People" as if they were responsible for it. They have gullibly assumed a contract and a debt they did not owe. The phrase "We The People" has become a symbol of the arrogance and ignorance of American pride in the government. It is tantamount to slaves taking pride in their slave master.

New **B-287 Can Non-Dave Dave **B-288 Prea Dave **B-288 Prea Dave Their slave master.**

The public seems to have adopted this phrase, "We The People." And in doing so they signify that they ("We The People") join them in claiming the power to create law, to create government, and to be gods ("sovereigns").

Remember, whoever, or whatever, makes law is a god. To discover the god of any society, just ask who makes their law. That is their

god. In America, Congress makes law. Therefore Congress is America's god (in Australia. Parliament makes law and is therefore Australia's god. CIM). Constitutionalists claim, by extension, that "We The People" are actually the government in that "we" (i.e., "We The People") created the Constitution which, in turn, created the government. Furthermore, "we" (i.e., "We The People") hold the power to put law-makers in office through votes. Of course this theory is unacceptable for it is not only over simplified, it doesn't even consider the intrigue of the election (election fraud, CIM) and political processes (the nomination of candidates, etc. CIM). Nonetheless, even if the claim were true, it still leaves men "We The People" - as lawmakers. Therefore, even the best and most desired scenario of the Constitutionalists still usurps God's role in society, replacing Him with man.

- 2. The Constitution created and empowered a central government that exercises all the powers of the beasts of Bible prophecy, and in every respect matches the description of those beasts -also shown as "the great fiery serpent" (Rev. 12:3) which makes war with "the man child" (Christ's Kingdom). The Constitution created the beast that is attempting to destroy Christ and His kingdom.
- 3. The Constitution conferred upon that government sovereign power to create and enforce law a power rightly reserved to God alone. Furthermore, it certified that any laws passed by the Government, including all contracts, covenants, treaties, etc, including all those entered into internationally, are the supreme laws of the land, and all courts of the land are required to enforce them no matter what the constitutions and laws of any state or county may say.(Art.6)
- 4. The Constitution conferred upon that government power to tax its citizens and thus fund and perpetuate its

tyranny (Art. 1, Sec. 8). The power to tax is theft.

- 5. The Constitution conferred upon that government power to borrow money on its own credit without limit (Art. 1, Sec. 8). Thus, the government has an unending source for funding its oppression and its politicians who administer it. Furthermore, the government's debt to the Federal Reserve (i.e., the national debt) is a constitutional debt.
- 6. The Constitution conferred upon that government the power to define, create, and control the currency (Art. 1, Sec. 8). This power alone is enough to conquer any nation and enslave its people.

"Permit me to issue and control the money of a nation and I care not who makes its laws."

- Mayer Amschel Rothschild, 1790

7. The Constitution conferred upon that government the power to create and fund a standing army to protect that government from all threats foreign or domestic (Art. 1, Sec, 8). This gave that government war powers to force its

will upon the people, and insure its own survival ... right or wrong.

- 8. The Constitution conferred upon that government the right to appoint for itself a supreme court to police its law-making. That court, and its members, are funded by the supposed object of its judgment (the legislature). This amounts to an obvious conflict of interest. The idea of government policing itself is laughable, as we well know.
- 9. Lastly, consider the Constitution's prime argument for the necessity of Central Government namely, that no one man can be left to rule himself. Constitutionalists claim this would be "Anarchy." Thus, they ex-

pect us to believe that man, individually and privately, can't be trusted to order his own life, and therefore requires a government to do it for him. The theory suggests that 535 of these men who, individually, cannot be trusted to order ONE life (their own) can together order the lives of an entire nation. How does that work? If one sinner cannot be trusted to run his own life, how do they reason that 535 sinners can be trusted in congress to run the lives of millions?

This is the government that the Constitution gave us. Still like it? Would God have inspired such a document as this ... like the Constitutionalists claim? Would God have inspired men to create a constitution which would create a centralized law-making government in opposition to His own laws? Is He a God of confusion?

Together, the Legislative, Executive, and Judicial branches form a triumvirate of centralized power that has no equal in history. What has been passed off to the public as "a system of checks balances" is in truth a conspiracy of the rich and brutal to protect each other's scam which is unlimited and untouchable theft.

Think about it. What kind of government were we given? Who in his right mind would sanction the creation of such a government again? Consider the modernday 'patriot', today's consummate "Constitutionalist." Would he sign on to an agreement to create a new government with such powers? Would he agree to agree to empower a central government if these were the conditions to which he must agree: the new government must: have: 1. power to tax, 2. power to issue, define, and control all currency, 3. power to unlimited credit, 4. power to create and enforce law, 6. power to insure that its law is supreme in all the land not-withstanding other bodies of lawmakers or other laws already in place, and 7. power to raise armies to defend itself?

Would today's patriot agree to such a plan? No way!

He'd run the other way. However, I know many "patriots" who jealously defend the Constitution that did exactly that two centuries ago. Go figure!! At some point Patriotism seems to become a drug; an opiate. These powers were never intended for man, but for God alone.

22. For Yahweh is our judge, Yahweh is our lawgiver, Yahweh is our king, He will save us. Isaiah 33:22

Even if we consider the best possible scenario of the Constitution, it is still man-created; it still gives powers to man that should be reserved for God only; and it still creates the Beast and allows it to run rampant. The Constitution created government but has not controlled it ... as it claims. That government cannot be controlled at any level - even at the county level, much less at state and federal levels. Once the Beast is created it becomes uncontrollable. When Constitutionalists attempt to use the Constitution to fight the government they are merely begging the slave master to be less brutal. Where might America be today if it hadn't been for the Constitution and its Republic, if they hadn't molested and abused America at every juncture? Her potential would have been limitless. Our song of freedom would still be ringing through the mountains. The corporate entity known as The United States of America, and its government, was created

by the Constitution. It is a monument - an idol - erected to the concept that men can be gods. For Christians it is an object of infamy, not pride.

ECCLESIA: THE ONLY VIABLE OPTION

The Beast System is made up of two elements: Government and Religion. We call them 'church' and 'state.' Church and State were teamed together as a political force to conquer and rule. The combination of Church and State (man's government) has been applied in a number of ways and forms in many nations down through history. But, whatever format is used — Monarchy, Republic, etc. - it is the combination itself (i.e., Church and State) that has proven to be the most ef-

fective kind of government system for conquering and ruling lands and people.

The world empires of history - Babylon, Egypt, Rome, etc. - were all formed around Church and State. The same is true with The United States, in eluding individual state governments. Thus, we conclude that most, if not all, centralized government systems have always used the format of Church and State (Temple and Legislature; Priest and Despot; Preacher and Politician; Pew and Voting Booth) to subjugate lands and people. 'Beasts' in scripture are government systems. They are various forms of Church and State. In the USA where government prides itself in 'separation of Church and State' it is, in essence, admitting that both Church and State are the two parts of its strategy to rule the masses.

The State grants tax privileges to the Church, and the Church keeps the masses quiet and spiritually denuded ... incapable of standing for or against anything. All central governments, more or less, rely on the tried-and-true strategy of Church and State to keep themselves in power. What forms of government are possible in contrast to this general trend? None ... except ONE: that one that Yahweh gave Israel, and Christ gave the apostles: the Ecclesia System. All other forms of government are built, in one way or another, upon Centralism.

The Ecclesia System is the system God gave to man for keeping society healthy and free. It is the ONLY system that can do this. It was the system given to Adam, which he subsequently rejected ... leading to his ejection from Eden (Gen. 3). It was the system given to Abraham, and to Jacob (Gen. 12). It was the system given to Moses (Exodus 20-24). It was the system Israel rejected in Samuel's day when they demanded a human king like the other nations (I Sam. 8). It seems that our forefathers repeatedly have rejected God's Ecclesia

and have opted for the Beast System. The pattern was repeated again even after Christ redeemed Israel. Soon after Christ was crucified and ascended the throne, the Ecclesia System was usurped by a Church-and-State System which continues to this day. The Ecclesia System is the only real option to the Beast System in its varied forms. The Ecclesia System is built upon the principle of FAMILY. It doesn't just allow families to exist (like the present Republic), but actually IS a family - a large family, a tribe, or clan. Are there examples of this form of government extant today? Yes. Arab countries have several examples within their tribal/patriarchal societies. Their ecclesias are not quite the same as Christ's Ecclesia format, but it is still recognizable. Most Arab societies much to their credit, and in spite of internal problems - have still not conformed to the centralized government format of "Western Civilization" (modern Babylon). Their patriarchal societies are present and living examples of tribal-based (ecclesian) cultures. Its blatant lack of centralism is a testimony to their culture which is older and more godly than the cultures of their detractors. Also, in fairly recent history there is the example of the old Scottish clans (tribes) who fought so long and hard to try to extract themselves from British tyranny and centralization. The Scots, in spite of valiant spirits (from whom Americans could learn much)

were eventually worn down and beaten or killed. In modern America we see other efforts to achieve the ecclesian lifestyle. The Amish and Mennonites have probably achieved the nearest thing to ecclesian society in our day. Also, I recently saw a report on a group in New York called The Bruderhof which operates as a separatist family community of several hundred. Even the Mormons have family-oriented communities who help and protect each other. Some of these groups are more like a commune (socialist) than a Christian community. Most have faulty church doctrine. Nontheless these groups are proving that families can join forces for the benefit of one another. Think of the potential of this being done without the error of church doctrine and Socialism. This is the

agenda of ACM. The work has begun.

The Ecclesia System is the system of FAMILY. It works like a family. It is tribal and patriarchal. It is <u>not</u> centralized. The hope of this kind of system in our culture may be distant today, but now is the time to get started rethinking it all, and get headed back the right way. We can get started making an impact which will bless our descendants. Like Abraham, we may not physically posess the promised land, but we can see it by faith.

9. By faith he (Abraham) sojourned in the land of promise, as in a strange country, dwelling in tents with Isaac and Jacob, the heirs with him of the same promise. For he looked for a city which has foundations, whose builder and maker is God.

Hebrews 11:9-10

The U.S. Constitution was America's official death warrant. All who identify with the "We The People" of that document are, in essence, condoning the death of America. Think about it. Americans have allowed a heathen concept of government to replace The Word of God as their guide for society. No wonder America is no longer being blessed. No wonder God is not answering their cries for help. Their prayers will go unanswered as long as they love their manmade Constitutional Government.

30. An appalling and horrible thing has happened in the land: The prophets prophesy falsely, and the priests bear rule by their means and my people love to have it so.

Jeremiah 5:30-31

18. And you shall cry out in that day because of your king which you have chosen for yourself, and Yahweh will not hear you in that day.

ALL OF THESE DISEASES

by Dr Everett Ramsey

EXO 15:26 "And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.

Mad Cow disease, CJD, Trembling disease, cancer, Legionnaire's disease, AIDs, HIV, germ warfare, plagues, deformities, mental retardation, heart disease, pulmonary disorders, etc., etc., etc.

This is the news every day of the week all year long. What has happened to our people and our nations that we are now experiencing multitudes of strange and incurable diseases that were not so 50 years ago? The heathen world and the world of other races has always been decimated

by disease, plagues and war except in rare cases where they have allowed the Anglo Saxon world to come in and teach them.

Such was the case of the Japanese after World War III when MacArthur was allowed to help set up Japan's recovery program. It worked so well that today they exceed us in health and personal prosperity because we have forsaken the very principles we taught them.

BIBLE EGYPT

Egypt was a nation plagued by many diseases. Records show that they had the most advanced medical profession of the day, but that death by treatment was more likely than death without treatment.

Records show that their doctors pre- TODAY'S SYMBOL BELOW: scribed "anointing the head with the blood of a black calf which has been boiled in oil, or with the fat of a rattlesnake". For falling hair, apply a mixture of the following six fats, horse, hippopotamus, crocodile, the snake, the cat and the ibex.

To treat victims of snake bite, drink "magic water"; which was nothing more than water poured over an idol. Splinters were treated with worm blood and asses' dung. Since the dung was loaded with tetanus spores, many splinter victims died. Egyptians suffered from cancer, heart attacks and many illnesses from micro-organisms not even suspected and certainly not understood by the people or the so-called doctors.

Egypt, like all world powers, was run by people who long since had forgotten and forsaken any semblance of God and His law or by cultures who knew not God. They promoted their own science and hence their medical professions which were nothing more than an extension of the priests of the pagan temples.

I think it is interesting that the medical profession today still uses the symbol of the ancient medicine men, who were priests in the worship of Satan, the serpent. I have shown three of the early forms of this symbol:

The medical profession in general is based on drugs, cut and burn. Another reason the illness and death rate was so high in Egypt was the high degree of forced integration resulting in more inter-racial marriages and a mixed offspring. This resulted in an alteration of genetic resistance to diseases as well and a change in eating and other habits which further lowered the resistance to disease.

An example of this today is our infatuation with Oriental culture and eating of their foods. Japanese are big on raw fish. Yet, it is raw fish that carries many micro-organisms that cause many diseases in the Anglo people that it does not cause in the Oriental people or the Black races. These people

can eat pork, catfish, squid and other foods forbidden to us.

Moses grew up in the king's court as well as being nurtured and tutored by his real mother, a Hebrew. At this time, the law as recorded by Moses was not available to the people as it was after Moses' mountain experience with God. All the laws concerning health were only partially known and practiced due to the lack of a written copy and the fact that the Egyptian government was not supportive of laws of the Hebrew God, Yahweh.

After Moses led the Hebrew children, some 11/2 million of them, across the Red Sea and into the Sinai desert, God gave the Hebrews a promise.

Exod. 15:26 "And said, If thou wilt diligently hearken to the voice of the LORD (Yahweh) thy God and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these

diseases upon thee, which I have brought upon the Egyptians: for I am the LORD that healeth thee.

God revealed that He had allowed the Egyptians to be sick and die of their own treatment because they would not obey Him. But God promised Moses and the Hebrew children that if they would obey His laws, statutes and commandments that He would not allow these

diseases to come upon them.

What was God's program to keep God's people healthy and free of these diseases? It was a program of Discrimination, Segregation, Limitation, Supplementation and Appreciation.

the days of thy life;

DISCRIMINATION

From the very beginning, God had rules about(for) His people and what they could eat, drink and with whom they could mingle.

Gen 2:17 "But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die."

Gen 3:17 "And unto Adam he said, Because thou hast hearkened unto the voice of thy wife, and hast eaten of the tree, of which I commanded thee, saying, Thou shalt not eat of it: cursed is the ground for thy sake, in sorrow shall thou eat of it all

Here we see Abraham giving strict instructions to his servant not to choose a wife for Isaac, his son, from among the Canaanite women. Canaanites were a mixed seed people whose culture was established around the worship of false gods, the eating of forbidden foods and as a result disease and sickness were rampant among them.

Gen 24:1-3 "And I will make thee swear by the LORD, the God of heaven, and the God of the earth, that thou shalt not take a wife unto my son of the daughters of the Canaanites, among whom I dwell:"

Gen 24:37 "And my master made me swear, saying, Thou shalt not take a wife to my son of the daughters of the Canaanites, in whose land I dwell:

Years later, we see the son of Abraham instructing his sons not to take wives of the Canaanites also.

Gen 28:1 "And Isaac called Jacob, and blessed him, and charged him, and said unto him, Thou shalt not take a wife of the daughters of Canaan;

Gen 28:6 "When Esau saw that Isaac had blessed Jacob, and sent him away to Padanaram, to take him a wife from thence; and that as he blessed him he gave him a charge, saying, Thou shalt not take a wife of the daughters of Canaan:'

Esau, on the other hand, took a wife from among the Canaanites and his seed has been a curse to the people of Jacob and the rest of the world ever since. It is well documented that today's Jews who derive their blood from Esau and a number of other mixed bloods suffer from more strange and genetically affiliated diseases than any other people.

God is not against discrimination. Here is a Scripture that makes it plain that witches are not to be allowed to live. Yet today, the media and the liberal establishment use the Salem witch trials as an example of a horrible incident. Why is this? Exo 22:18 "Thou shalt not suffer a witch to live."

Here, usurers were to be shunned and looked upon as crooked. That is discrimination.

Exo 22:25 "If thou lend money to any of my people that is poor by thee, thou shalt not be to him as an usurer, neither shalt thou lay upon him usury.

Here, we are to view the first born of all we have as better then the rest. It is to be given unto God.

Exo 22:29 "Thou shalt not delay to offer the first of thy ripe fruits, and of thy liquors: the firstborn of thy sons shalt thou give unto me.

God even forbade the mixing of the cattle for this weakened the genetic of the breed. Today many of the new breeds of cattle have more resistance to old cattle diseases, but are for ever coming down with new unexplainable diseases. The same is true with hybrid foods. Seedless grapes, hybrid com, tomatoes, and many other such foods tend to be shy many of the essential enzymes we need for our own bodies.

Lev 19:19 "Ye shall keep my statutes. Thou shalt not let thy cattle gender with a diverse kind: thou shalt not sow thy field with mingled seed: neither shall a garment mingled of linen and woolen come upon thee.

We are even expected to discriminate as to certain days we keep.

Deu 5:14 "But the seventh day (after six days of work, it does NOT say "of the week", CIM) is the Sabbath (= cessation, rest; is NOT the name of a day. CIM) of the LORLD (Yahweh)

thy God: in it thou shalt not do any work, thou, nor thy son, nor thy daughter, nor thy manservant, nor thy maidservant, nor thine ox, nor thine ass, nor any of thy cattle, nor thy stranger that is within thy gates; that thy manservant and thy maidservant may rest as well as thou.'

Again, we have definite instructions not to marry outside our race and faith.

Deu 7:3 "Neither shalt thou make marriages with them; thy daughter thou shalt not give unto his son, nor his daughter shalt thou take unto thy son.

(take note how many churches today push for racial intermarriage! Because of this there can be no socialisation, or even evangelism among them as this will inevitably lead to interracial marriage!! CIM)

God warned his people of accepting every food, every drink and every person. He told them to avoid certain foods, and certain people. Discrimination is a natural process of intelligence, wisdom and prosperity. Those who fail to discriminate, usually have a difficult life and die young.

SEGREGATION

Yes, we are to segregate ourselves in many ways. God made the segregation in the beginning when He chose the Hebrew/Israel people in Abraham, Isaac and Jacob. He did not choose us because we are great, strong, intelligent or any

other gloatable reasons. He chose us because we are the opposite of all those reasons. We are weak, helpless and needy.

1Ki 8:53 "For thou didst separate them from among all the people of the earth, to be thine inheritance, as thou spakest by the hand of Moses thy servant, when thou broughtest

our fathers out of Egypt, O Lord GOD."

Deu 7:6-8 "For thou art an holy people unto the LORD (Yahweh) thy God: the LORD thy God hath chosen thee to be a special people unto himself; above all people that are upon the face of the earth. The LORD did not set his love upon you, nor choose you, because ye were more in number than any people; for ye were the fewest of all people: But because the LORD loved you, and because he would keep the oath which he had sworn unto your fathers, hath the LORD brought you out with a mighty hand, and redeemed you out of the house of bondmen, from the hand of Pharaoh king of

God is the one who commanded us to be discriminatory and segregated (as in APARTHEID) in our acquaintances and our habits.

Ezra 10:11 "Now therefore make confession unto the LORD God of your fathers, and do his pleasure: and separate yourselves from the people of the land, and from the strange wives.

2Cor 6:17 "Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you,"

We are to be separate from those who are sick.

Lev 13 Quarantine for Leprosy.

From touching the dead, man or animal.

Lev 11:31 "These are unclean to you among all that creep: whosoever doth touch them, when they be dead shall he unclean until the even."

All of this is for the preservation of the people and to give a long productive life. The fact that our government will not quarantine those with AIDs is unbelievable.

From filth. The populations of Egypt and other nations dumped raw sewage into the streets causing many to get sick. God gave specific laws for

washing of the hands and body, the privacy of a latrine and covering the feces. This alone was light years ahead of any medical practices in that day for the prevention of the spreading of plagues and the spreading of infectious diseases.

Deu 23:12 "Thou shalt have a place also without the camp, whither thou shalt go forth abroad: 13 And thou shalt have a paddle upon thy weapon; and it shall be, when thou wilt ease thyself abroad, thou shalt dig therewith, and shalt turn bacj and cover that which cometh from thee:"

Stay away from mixing seeds. Produces hybrids that cannot reproduce the original. This is true in plants, people and animals. God forbade the Israelites from mixing the seeds of their crops, their animals and of themselves.

LIMITATION/MODERATION

Deu 21:20 "And they shall say unto the elders of his city, This our son is stubborn and rebellious, he will not obey our voice; he is a glutton, and a drunkard.

Pro 23:21 "For the drunkard and the glutton shall come

to poverty: and drowsiness shall clothe a man with rags."

Eph 5:18 "And be not drunk with wine, wherein is

excess; but be filled with the Spirit;"
Phi 4:5 "Let your moderation be known unto all men. The Lord is at hand.

1Pet 4:4 "Wherein they think it strange that ye run not with them to the same excess of riot, speaking evil of you:"

Many people go to great lengths to Prove that the Bible will allow them to drink intoxicating liquors and consume great amounts of foods that are unnecessary. Yet the Bible is clear about the matter of intoxication and gluttony. The medical profession today has found that even one ounce of whiskey or one bottle of beer can slow the reactions of a surgeon. Therefore, they have a zero tolerance for these items before entering the operating room.

My question is that if this be the case, why would anyone want to be any amount intoxicated at any time? While Adamites can eat meat, it is to be in moderation. The blood and the fat are not to be eaten and too much meat will make

you sick.

Num 11:20 "But even a whole month, until it come out at your nostrils, and it be loathsome unto you: because that ye have despised the LORD which is among you, and have wept before him, saying, Why came we forth out of Egypt?"

This verse may indicate that excess meat produced mucus and illnesses related to colds. Certainly gluttony causes obesity, high blood pressure, and many other illnesses.

SUPPLEMENTATION

Adam's diet was to be one heavy in vegetables, nuts fruit and non-carnivorous items. Cheese was ok, again in moderation.

Gen 1:11 "And God said, Let the earth bring forth grass, the herb yielding seed, and the fruit tree yielding fruit after his kind, whose seed is in itself, upon the earth and it was so."

Gen 1:20 "And God said Behold, I have given you every herb bearing seed, which is upon the face of all the earth, and every tree, in the which is the fruit of a tree yielding seed; to you it shall be for meat."

With a violation of God's law for the land, there is no Sabbath for the land and the food we grow is depleted of living enzymes because of artificial fertilizers. Even if we eat large portions of these vegetables, nuts and fruits, they are probably most deficient in necessary nutrients. Therefore we have to supplement today.

APPRECIATION

The psychologist calls it positive mental attitude and a good attitude. God called it appreciation.

Lev 7:13 "Besides the cakes, he shall offer for his offering leavened bread with the sacrifice of thanksgiving of his Peace offerings."

1 Chr 16:8 "Give thanks unto the LORD, call upon his name, make known his deeds among the people."

1 Chr 16:34 "O give thanks unto the LORD; for he is good for his mercy endureth for ever."

Exr 3:11 "And they sang together by course in praising and giving thanks unto the LORD; because he is good, for his mercy endureth for ever toward Israel. And all the people shouted with a great shout, when they praised the LORD, because the foundation of the house of the LORD was laid."

Neh 11:17 "And Mattaniah the son of Micha, the son of Zabdi, the son of Asaph, was the principal to begin the thanksgiving in prayer: and Bakbukiah the second among his brethren, and Abda the son of Shammua, the son of Galal, the son of Jeduthun."

Eph 5:1-4 "Be ye therefore followers of God, as dear children, And walk in love, as Christ also hath loved us, and hath given himself for us an offering and a sacrifice to God for a sweet-smelling savour. But fornication, and all uncleanness, or covetousness, let it not be once named among you, as becometh saints; Neither filthiness, nor foolish talking, nor jesting, which are not convenient: but rather giving of thanks."

Phi 4:8 "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are just, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things."

Deu 16:13 "Thou shalt observe the feast of tabernacles seven days, after that thou hast gathered in thy corn and thy wine: And thou shalt rejoice in thy feast, thou, and thy son, and thy daughter, and thy manservant, and thy maidservant, and the Levite, the stranger, and the fatherless, and the widow, that are within thy gates. Seven days shalt thou keep a solemn feast unto the LORD thy God in the place which the LORD shall choose: because the LORD thy God shall bless thee in all thine increase, and in all the works of thine hands, therefore thou shalt surely rejoice."

America (Australia) and the rest of the regathered Israel people are on a collision course with epidemic health problems. As long as we continue to mix our seed with other races producing a genetically deficient resistance to disease and as long as we continue to refuse to discriminate, segregate, moderate, supplement and appreciate God's laws, we

will be the victims of exploding diseases and plagues.

RECOMMENDED STEPS AND
PROCEDURES

First, separate yourself and family from the sources of health problems, the city water supplies that have been contaminated by fluoride, chlorine and other sulphate, chemicals (copper Segregate from the other races and their cultures which create health risks to you and your families. This can be done by moving to the remote areas of the nation. Learn the clean and unclean foods of the Scripture and follow them as a diet for survival. Be discriminatory about the food you eat, the water you drink, the supplements you take, the people you are around, and with whom you socialize. Last but not least, learn how to praise the Lord, give thanks for every little thing God provides, have an attitude of a child of the King, realize that you are an heir to God

and joint heir with Jesus Christ of the promises to the Israel people. See the end of things in victory as they shall be, not in gloom and doom as predicted by so many. Keep your eyes and ears off the enemy and on Christ. Spend less time studying the enemy and his deeds and study God and Christ and His deeds. Remember, we are the sheep of His pasture, the apple of His eye and we are under His wings and protection. Praise the Lord, Yah! Courtesy America Today, PO Box 188 Houston MO 65483 USA

Gay' Group Abandons Effort to Ban Pedophiles

A homosexual "human rights" umbrella group has abandoned efforts to secure an anti-pedophilia oath from its participants, out of fear of "losing half its members," homosexual journalist Rex Wockner reported July 25. The International Lesbian and Gay Association (ILGA) gave up its anti-pedophilia campaign after strong protests from member groups, one of which accused it of trying to "establish orthodoxy," wrote Wockner in the Canadian homosexual newspaper Xtra Weekly. In 1993, ILGA lost its coveted observer status at the United Nations following revelations by Lambda Report that one of its members was the North American Man/Boy Love Association (NAMBLA), a group that calls for legalizing sex between men aqud young boys. Following the Lambda Report story, the US Senate passed legislation to cut off millions of dollars in UN funding unless it could be proven that no UN-affiliated body condones pedophilia. ILGA then expelled NAMBLA and two European pedophile groups to appease the international body.

JEWISH PERSECUTION OF CHRISTIANS AND JEWISH SUPPRESSION OF TRUTH

by Pastor Peter J. Peters

This is in response to a strange, irrational April 7, 1997 Newsweek article entitled TIME OF TROUBLES: Heaven's Gate Isn't the Only One. A bizarre doomsday sect could blow up again. Here's where; by Peter Klebnikov. The first on the concocted list of "sects" was the LaPorte Church of Christ, Peter J. Peters, Pastor.

It was indeed providential that our last newsletter [see CIM #137, May '97] and many of our recent Tape Ministry messages) dealt with spiritual warfare, exposing how the Christian's enemies use words as weapons. (Little did I know that I would be coming under yet another barrage of verbal artillery from the Jewish-controlled media in America. 2)

The New Testament clearly reveals that it was the cursed Jews, not the Christians, who were the persecutors and suppressors of truth.³ "For ye, brethren became followers of the churches of God which in Judea are in Christ Jesus; for ye also suffered like things of your own countrymen even as they have of the Jews. Who both killed the Lord Jesus and their own prophets and have persecuted us: and they please not God, and are contrary to all men. Forbidding us to speak to the Gentiles that they might be saved..." (I Thes. 2:14-16)

Persecution, then as now, is waged primarily with propaganda. Persecutors try to instill false images (illusions) in people's minds, things which are not in keeping with reality. They conjure them up before people's spellbound minds. (Conjuring is actually a technique of witchcraft which harks back to ancient Babylon). "But the unbelieving Jews stirred up the Gentiles, and made their minds evil affected against the brethren." Acts 19:2. This was (and is) often done by skilled deceivers called "scribes". Our Lord angrily condemned both scribes and pharisees (Matthew 23). The Bible exposes evil persecutors, with their money and political influence hard at work behind the scenes, trying to stomp out news about the resurrection of the Christ. It plainly reveals how for pay, unscrupulous men will say whatever they are told to say.

"Now when they were going, behold, some of the watch came into the city, and shewed unto the chief priests all the things that were done. And when they were assembled with the elders, and had taken counsel, they gave large money unto the soldiers, Saying, Say ye, His disciples came by night, and stole him away white we slept. And if this comes to the governor's ears, we will persuade him, and secure you. So they took the money, and did as they were taught: and this saying is commonly reported among the Jews until this day." (Matt.28: 11-15).

The Newsweek article can be better understood in light of two Jewish documents. One is The Protocols of the Learned Elders of Zion: A blueprint for world conquest captured at the turn of the century⁴ "in the hands of the States of today there is a great force that creates the movement of thought in the people, and that is the Press. It is in the Press that the triumph of freedom of speech finds its incarnation. But the goyim States have not known how to make use of this force; and it has fallen into our hands. Through the Press we have gained the power to influence while remaining ourselves in the shade; thanks to the Press we have got the gold in our hands, notwithstanding that we have had to gather it out of oceans of blood and tears." 5

With common sense and observation one can deduce that the press in America today is tightly controlled. How is it possible for example, with all the events that happen in the world each day, that the major (so-called independent) news networks in this country almost always present the same major news stories again and again? Someone is piping the tune that all of these little puppet networks dance to. For example, the week before Newsweek came out with its fabricated slurs against me, I was also contacted by Time Magazine, Public Broadcasting, Rocky Mountain News and

American Journal; then a cheap tabloid television program, EXTRA, "made up" a story on this Christian pastor. (Time & Newsweek tried to play a game of dialectics with us, i.e. the "good cop vs. bad cop" routine. Newsweek wronged us with a slanderous article so that we would run to Time. who would supposedly "right the wrong". We didn't bite.)

The second Jewish document, consisting of several hundred pages, comes from the National Jewish Democratic Council in Washington, D.C. Entitled "How to Win: A Practical Guide for Defeating The Radical Christian Right in your Community", 6 it has ten separate sections one of which is entitled "Section C - Communications," and in that section is an article: "The Science of Spin." There they openly show how to lie and to distort using what these Jews call "the spin". "Spinning is the art of framing an issue. It's your message, your interpretation. It is how you define your self and your opposition". These people are masters at creating illusions; and the spin is one of their crafty tricks.

the Newsweek article is analyzed on the next page

So much for illustrating the way they lie, distort and deceive in the article. The article also has certain esoteric messages and instructions. ("Esoteric 1. Designed for or understood by the specially initiated alone. 2. Of or relating to knowledge that is restricted to a small group").8

to knowledge that is restricted to a small group").8

Here is such "hidden" message. "Unlike millions of fundamentalist Christians who quietly accept the possibility of the apocalypse, doomsday sects seek to accelerate Armageddon for personal and often twisted reasons."

It would appear the author is warning that these alleged "doomsday sect" people will go out and try to commit a terrorist act in order to "accelerate Arrnageddon", but the esoteric message is "these are the people to blame any terrorist acts on." (Proof that the Jewish Israeli Mossad does such things can be found in the well documented book BY WAY OF DECEPTION by Victor Ostrowsky and Claire Hoy, St. Martin's Press, N.Y.[available from L.O.R. bookshops]) "For their minds devise violence." (Proverbs 24:2).

That this might be planned is confirmed in a national best-seller novel entitled The Enemy Within by Larry Bond. Bond is famous for writing in advance what later comes to pass. This is a means of giving advance notice to those who know how to "read" such things. For example, the cover of this paperback book says: "In Red Phoenix, he foretold a renewed military threat in Korea. IT HAPPENED." "In Vortex, he envisioned a new upsurge of right-wing Power in South Africa. IT HAPPENED. In Cauldron, he prophesied a new Europe dominated by a remilitarized Germany. IT HAPPENED."

"Now, best-selling author; Larry Bond challenges Follett and Forsyth, Cudlum and Higgins with his most electrifying scenario ever-and a warning cry that cannot be ignored: THE ENEMY WITHIN!"

Guess who the "enemy within" turns out to be? You guessed it: racist, beer guzzling White supremacist "rednecks" described as so stupid they are tricked into committing acts of violence. As Proverbs says "A man of violence entices his neighbor and leads him in a way that is not good" (Proverbs 16:29).

Another 'esoteric' message is found in these words: "As the millennium draws near the pressure inside these kinds of communities is increasing. The vast majority of spiritual and political outcasts will not try to match the Heaven's Gate mass suicide. But there are reasons for concern: Waco once seemed to be a quiet place, too."

In other words, "these people are not going to go away by themselves (i.e. commit suicide). We'd like them to go away (preferably before the year 2000), so here are your

Let's analyze the contents of the "Heaven's Gate" article in light of their "spin".

NEWSWEEK'S LEFT SPIN (ILLUSION)

"In the Fall of 1996 I Peter Klebnikov took a journey across America, traveling to places where time was ending. I set out to get inside the groups -there are many of them - that believe doomsday is imminent. Over a two-month period, I spent time with some of the nation's most committed apocalyptic cults, staying with them in their dideonts in America's mountains and backyards. The organizations' memberships range from a few dozen-like Heaven's Gate-to thousands: they granted me access when I told them I was a writer working for a Russian publication. Their leaders apparently could not resist the temptation to save 150 million more souls outside the United States. Within their walls I found a mix of the scary and the farcial under the cloak of spirituality."

"LaPorte, Colorado: The LaPorte Church of Christ is a white clapboard structure languishing between a truck-repair facility and a gun shop in this Colorado flatlands town."

"The congregation is made up of a few dozen local working people."

"But Pastor Pete Peters, the church leader, has a message that resonates with dozens of militia movements around the country."

"Peters' brand of paranoia is called Christian Identitybe believes that race war is imminent and that only Identity members will survive. How? By training in camps and stockpiling food and weapons."

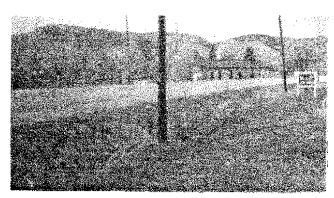

"His bome in southern Wyoming is guarded by Rottweilers and decorated with a picture of a bandgun and the words WE DON'T DIAL 911 HERE."

"These are perilous times," Peters told me. "Good and evil will fight it out, and this is where I'm taking my stand."

"Applewhite and Peters may be eons apart in style, but both preached that the government was not to be trusted and that it was better off to resist the world. Peters rants about a one-world government organized by the Antichrist; Applewhite spoke of evil E.T.s who are in collusion with the government, giving it high-tech weapons in exchange for human genetic material. It is no surprise, then, that militia groups have been increasingly prominent at UFO conventions. UFO believers eagerly lap up the information on how to construct a bomb shelter and how to purchase weapoury."

THE RIGHT TRUTH (REALITY)

"In the fall of 1996 klebnibov tried to make contact with Pastor Peters but never did. However I did briefly trespass upon bis property, knock on bis door, and pet bis dog. I was asked to leave by bis secretary. I left.

"Adorned in a fresh coat of pure white paint the LaPorte Church of Christ is a stately but simple house of worship surrounded on three sides with green meadows nestled in the Rocky Mountain foothills community of LaPorte, Colorado."

"Like the building itself , the local congregation is not large, by today's mega church standards. But they are a Christ honoring , bard working, salt of the earth people who still believe in taking their families to church on Sunday morning."

"The minister is Pastor Peter John Peters. His name not only includes two of the 12 apostles' names: but his message (just like the apostles of old) goes into all the world. And just as colonial American militia closely beeded their Christian ministers, so many of America's patriotic militia today listen to him."

"The pastor's Christian message includes teaching that race wars will not happen if the races are wise enough not to let their mutual enemies pit them against one another. His camps are Christian Family Bible gatherings, noted by friend and foe alike for their high moral tone."

"Like his one friendly old three-legged Rottweiler dog, Pastor Peters doesn't bother anyone. However, the simple plaque on his front porch which reads "WE DON'T DIAL 911" is a reminder that these people, like their Christian pioneer forefathers, value self-reliance and normal self defense.

"Because of Matthew 7:6, Pastor Peters would never speak to a Russian Jew antichrist scribe like me. So I just made up his "quotes" out of thin air. Didn't they sound convincing? I get paid well for this!"

"Trying to compare Pastor Peters to a castrated, queer, UFO junkie takes a lot of spin, but we'll try. After all, we did get the white Christians to believe we Jews are God's chosen people."

Waco targets." No doubt the plan is to commit some terrorist act, blame it on a targeted group, then initiate a Waco type raid upon them. It's the old "Burn Rome and blame it on the Christians" scenario.

BIBLICAL UNDERSTANDING of PERSECUTION

Anyone who has monitored this writer and this Ministry recognizes the absurdity of such associations to UFO's or terrorism or white supremacy, or (as in the Newsweek article) doomsday apocalyptic millennialism thinking. (In fact, our nine-part tape series "Last Days," aired on both radio and the tape ministry, condemns such thinking and is now being made into a book The Propheteers of Fear). Such antichrist Jewish lying propaganda is simply persecution. The truth we teach is about the only message of hope out there. Recently one radio listener wrote: "Dear Pastor Peters. When we turn on the shortwave radio these days most of the so-called preachers are shouting a message of impending doom. Prepare for the end of the world, buy my food, gold, books etc. I believe you are unique in your bold stand on last days theology. In fact yours is one voice of hope for God's People."

We are told in 2 Timothy 3:12 "Yea, all that will live godly in Christ Jesus shall suffer persecution." I decided long ago that it was not godly to claim to be for Christ and refuse to be against antichrists (or to fear them). To be

anti-antichrist is to live godly which is to bring some persecution from them.

PERSECUTION IMPROVES PRAYER

Persecution is not bad but good: it causes one to cry out to our Savior to save us from our enemies. "The face of the Lord is against them that do evil, to cut off the remembrances of them from the earth. The righteous cry and the Lord heareth and delivereth them out of all their troubles." (Psalm 34:16-17). "I call upon the Lord, who is worthy to be praised: so shall I be saved from my enemies" (Psalm 18:3).

PERSECUTION _____BRINGS BLESSINGS wish propagated

Jewish propaganda-type persecution blesses the true Christian with heavenly rewards and is therefore an occasion of rejoicing. "Blessed are they which are persecuted for righteousness' sake: for theirs is the Kingdom of heaven. Blessed are ye, when men shall revile you, and persecute you, and shall say all manner of evil against you falsely, for my sake. Rejoice and be exceeding glad fou great is your reward in heaven for so persecuted they the prohets which were before you." (Matthew 5:10-12.)

PERSECUTION _SRREADS..THE TRUTH

Christianity started in Jerusalem, and Jesus said it was to spread "In all Judea and Samaria, and even to the remotest part of the earth". (Acts 1:8) And what spread it to these areas? Jewish persecution of Christians! "..., And at that time there was a great persecution against the church which was at Jerusalem and they were all scattered abroad throughout the regions of Judaea and Samaria.. " (Acts 8:1). To this I can personally testify. When I was first attacked, maligned and slandered in the local media, my sermons were only heard in a small local church congregation. (Listen to my two-tape message entitled "My Personal Experience with Jewish Power" S-261 & S-262 available from CIM). Then came the bigger State newspaper propaganda then the national ones, and the antichrist Jewish ADL; and the impotent, so-called Southern Law Center writing about me and mailing their propaganda to law-enforcement and schools across the land. What has been the result? The Ministry has grown and grown, and my sermons today are heard nationally and internationally. Praise our faithful God!

In fact this latest round of persecution has come at a perfect time, right when we have decided to try to get on more AM & FM radio stations. The Jewish propaganda has given recognition to my name, and thus people will listen. And no doubt all this will assist me in raising financial contributions for the radio project from our Father's faithful Remnant. People who are as incensed as I am at their lies and distortions and suppression of truth will help me spread the truth.

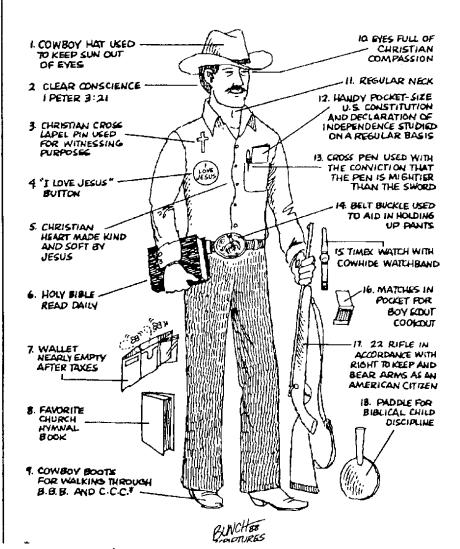

PERSECUTION BRINGS ABOUT THE DESTRUCTION OF THE PERSECUTORS

It worked that way for Pharoah in Egypt, and for the antichrist Jews in 70 A.D. It is a Biblical principle. The Christian enemy will be destroyed when the Christians properly respond to their adversaries. Disobedience will be punished when the Christian becomes obedient (2 Cor.10:5).

We outlined that proper response in our last newsletter Today, imprecatory prayers are once again being lifted up

against the vicious enemies of Christianity, something that has not been done by Christians for many centuries. We are even doing so on the radio. Read through the Psalms for example after example of such prayers, and then tailor such prayers against the adversary that is trying to persecute your preacher. (See such as Psalm 35, Psalm 40:13-17; Psalm 58; Psalm 59; Psalm 83; Psalm 94; Psalm 109; Psalm 129; Psalm 140). I recommend such prayers be prayed only when prefaced with "Thy will be done on earth as in heaven" and only prayed by those covered by the blood of Christ (Acts 2:38).

We began this article with 1 Thes. 2: 14-16 which not only tells of the Jewish persecution of Christianity but of the end result "For the Wrath is come upon them to the uttermost". OBADIAH AND AMEN.

ADDENDUM

The word "Jew" may be the most misunderstood word in the English language. People who describe themselves as "Jews" are bitterly divided about its "true" meaning: non-Jews have even more conflicting opinions on the subject. What is of great importance is that the remarks in these pages which are critical of "Jews" are not aimed at all "Jews"! Due to the confusion which seems to have been deliberately sown around this word, it is not practical to single out from the ranks of the "Jews and the real culprit (at least, not

here). The majority of people living in America today who would describe themselves as "Jews" are <u>not</u> referred to in these pages. Instead, it is the <u>small but deadly cabal</u> hidden in their midst, <u>which preys on them as it does on non-Jews</u>, that is singled out.

John Swinton, the former chief of staff of the New York Times called by his peers "the Dean of his profession," was asked in 1953 to give a toast before the New York Press Club. He responded with the following statement:

"There is no such thing, at this date of the world's history, in America, as an independent press. You know it and I know it. There is not one of you who dares to write your honest opinions, and if you did, you know beforehand that it would never appear in print. I am paid weekly for keeping my honest opinions out of the paper I am connected with. Others of you are paid similar salaries for similar things, and any of you who would be so foolish as to write honest opinions would be out on the streets looking for another job. If I allowed my honest opinions to appear in one issue of my paper, before twenty-four hours, my occupation would be gone. The business of the Journalists is to destroy the truth; To lie outright; To pervert, To vilify, To fawn at the feet of mammon, and to sell his country and his race for his daily bread. You know it and I know it and what folly is this toasting an independent press? We are the jumping jacks, they pull the strings and we dance. Our talents our possibilities and our lives are all the property of other men. We are intellectual prostitutes."

TRUTHS AND PARALLELS NOT TOLD BY THE JEWISH CONTROLLED MEDIA

by Pastor Peter J. Peters

Jesus Christ warned of the "leaven" of the Pharisees, i.e., the teaching of the Pharisees (Matt.16:6-13). Most are not even "aware" (let alone "beware") of the Pharisees and their teachings today in our society. Phariseeism is Judaism, which is based on their religious set of books called the Talmud.1

Today, it is not called Phariseeism, but <u>Talmudism</u> or <u>Judaism</u> (by the admission of Rabbi Louis Finklestein) which is based upon the Jewish religious set of books called the Talmud.² Jesus warned us of the Pharisees and told us that they appear outwardly very pure and innocent (Matt. 23:25-27). The wolves always disguise themselves as innocent, harmless sheep. They disguise their teachings as entertainment, television talk shows and even as Christianity. (Most of today's churches are not Christian but Judeo-Christian and teach Judeo-Christian ethics.)

In the cheap, slick cover Jew tabloid called Newsweek Magazine, these people, writing about the "UFO cult" and its leader Marshal Applewhite, ask, "What in his strange brew of twisted Christian theology, castration, science fiction, belief in UFO's and mastery of the internet led 38 others, ranging in age 26 to 72 to forsake their families and then suffocate themselves."3 Notice how they link the alleged suicide deaths with "Christianity" ("twisted Christian theology"). Now ask yourself: who has promoted a belief in UFO's for decades in America? Who has promoted homosexuality, effeminacy, and the Doctor Kivorkian type suicides? Bible based Christianity, or Talmudic based Judaism? It has come from Hollywood, which is in reality, the church of Hollywood. Talmudic Jews (not bible believing Christians) run and own Hollywood.4 (For a Christian Minister like Pastor Peters to preach the truth of such things is to, in turn, be attacked and smeared by these Antichrist people using their media weapons.)

As pointed out in our recent series of tapes on "The Unseen War," the enemy often uses concealed weaponry against us. If in fact the 38 White people in the "Heaven's Gate" group did commit suicide (they may have been murdered on an unseen Talmudic altar for such media propaganda purposes as to focus the people away from the Oklahoma City bombing trial, or to attack the use of the internet, or to smear and malign certain men), the influence to do so came from concealed Talmudism, not from Christianity.

Powerful messages are being transmitted to White people in hidden ways. It is possible the more spiritually sensitive who have not Christ in their lives are more vulnerable to receiving them: such messages as self-mutilation, self-destruction, aid self-sacrifice on the pagan altar of the alien.

It is no "mere fluke" that these people reportedly practiced castration is it? That is part of the Babylonian message being broadcast: effeminacy, matriarchy, suicide, androgyny, etc. Consider these interesting parallels:

A Christian View of the 'Hale-Bopp' Comet

Many see the Hale-Bopp Comet as a sign, but Christians have already been given the greatest of signs "A resurrected Savior" (Matt. 12:39,40)!

In light of that sign, they can fearlessly, bravely and

In light of that sign, they can fearlessly, bravely and confidently face the future (and any "signs" that might accompany it). Their attitude is one of Romans 8:31,32.

"What then shall we say to these things? If God is for us, who is against us? He who did not spare His own Son, but delivered Him up for us all, how will He not also with Him freely give us all things?"

"Hale-Bopp" is a heavenly sign- but a sign for what?

The Bible teaches us that lights in the heavens are "for signs, and for seasons, and for days and years" (Gen.1:14,

emphasis added). Strongs Concordance says of the Hebrew word for signs, "a signal...omen". Many see "Hale-Bopp" as a signal of impending doom, an evil omen. Christians do not, or at least should not (Romans 8:28). However, there is nothing wrong with Christians wondering and inquiring (from their God) what it is a sign of, or what it signals; any more than it was wrong for the wise men to find the understanding of the Heavenly lights at the birth of our Lord (Matt. 2:2).

In Genesis 11:14, the Hebrew word for "seasons" is moadim and it literally means 'appointed times' and 'festivals'. There is no doubt that a comet (like "Hale-Bopp") which has an unusual trajectory and orbit, returning at regular intervals to the inner solar system, could be a "sign".

COMETS HAVE BEEN CORRECTLY VIEWED AS A SIGN OR AN OMEN OF THE END-OF-A-TIME; OF FALL, OF DESTRUCTION

For example, it has been reported that Haley's Comet, with an orbit of 76 years, blazed in the sky over Jerusalem in 66 A.D. as a warning of impending doom. That doom and destruction happened in 70 A.D. with the destruction of Jeru-

salem and the Temple by the Romans. It also appeared in 1066 at the Battle of Hastings, which historians rank among the major battles that changed the course of history with the conquest of England by William. There was also a comet marking the fall of Napoleon. According to an article in Popular Mechanics,"...comet nuts (are) slavering in anticipation of the greatest sky show since 1811. 1811? That was the year a dramatic comet--its tail as long as the distance from the Earth to the Sun - heralded Napoleon's downfall. So Hale-Bopp is getting some kind of advance word. Showtime: March and April 1997. "1

In 1618, just a few Years before White Christian Pilgrims (God's Covenant People) arrived at Plymouth Rock, there was the celebrated comet of November, 1618, was so bright it was visible

during daylight hours. The heathen Indians that occupied New England at time time recognized it as an omen. It was after the comet, that the Pataxets--the largest, most hostile tribe in the area, who had savagely murdered every White man who had landed on those shores-- were themselves

The history book, The Light and the Glory by Peter Marshall and David Manuel tells of their demise. "But four years prior to the Pilgrims' arrival, a mysterious plague had broken out among them, killing every man, woman and child. So complete was the devastation that the neighboring tribes had shunned the area ever since, convinced that some great supernatural spirit had destroyed the Patuxets. Hence the cleared land on which they had settled literally belonged to no one!"2

Puritan Captain Howard Johnson wrote in 1653: "Now let all men know the admirable Acts of Christ for His Churches and chosen, are universally over the whole Earth at one and the same time but sorry man cannot so discourse of them.. And therefore let us.... tell of the marvelous doings of Christ preparing for His peoples arrival in the Western World, whereas the Indians report they beheld to their great wonderment that perspicuous bright blazing Comet (this was the celebrated comet of November, 1618, so bright as to be visible in daylight), anonuing in their Horizon for the space of thirty sleepes (for so they reckon their dayes) after which uncouth sight they expected some strange things to follow ... which he now tells. The summer after the blazing Starre (whose motion in the Heavens was from East to West, pointing out to the sons of men the progress of the glorious Gospell of Christ, the glorious King of His Churches) even about the yeare 1618 a little before the removeall of that Church of Christ from Holland to Plimoth in New England, as the ancient Indians report, there befell a great mortality among them, the greatest that ever the member of father to sonne

took notice of, chiefly desolating those places where the English afterward planted. By this meanes Christ (whose great and glorious workes the Earth throughout are altogether for the benefit of His Churches and chosen) not onely made room for His people to plant: but also tamed the hard and cruell hearts of these barbarous Indians, insomuch that half a handfull of His people landing not long after in Plimoth-Plantation, found little resistance..." (Old spelling kept.)³

HOW WE VIEW "HALE-BOPP"

It has been reported that "Hale-Bopp's" last appearance in earth's vincinity was 3000 years ago, or 1004 B.C; the year some have calculated to have been the completion and dedication of the Temple of God by King Solomon, when the Ark of the Covenant was placed in the Holy of Holies.4

It has also been reported that the comet's appearance before that would have been 4004 B.C. the date Ussher ascribes to the creation of the Adamic man. We view "Hale-Bopp" as a heavenly sign with providential significance-but not as a sign to cause Christian people to fear. It is not the righteous that need fear destruction, but the wicked (Psalms 37:7-15)

As we point out in our nine-part tape series "The Last Days,"5 at the end of every age it is the wicked who are always destroyed and it is His elect who survive. So it was in the days of Pharaoh and in the days of 70 A.D. (Note. Many presently think in terms of the "end of the world" instead of the "end of an age" because of a dated translation in the King James Bible where translators used 'world' instead of 'age'. On this point, compare Matthew 13:40 with both the King James Version and the New American Standard Bible.)

Since it is the wicked who are destroyed and the righteous who are saved, we need to understand what it is that makes us righteous before God. The answer to that is the precious, shed blood of His Son, our Savior Jesus Christ.

Thus, it's imperative that you be clothed with that blood, this happens when you, as a believer in the Son of God, repent are baptised for the remission of sins. We know that Ministers do not tell you this. But no doubt, there were those in the days of Pharaoh that didn't see the need for the blood

on the door post and lintel (Exodus 12:7).

For those who have been clothed by the precious cleansing blood of Jesus Christ, "Hale-Bopp" can and should be viewed as a good sign.
