“Blessed be the LORD God of *Israel*; for He has visited and redeemed *His* people, And raised up an horn of salvation for *us* in the house of His servant David; as He spake by the mouth of His holy prophets, which have been since the world began; That *we* should be saved from *our* enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember His holy covenant; The oath which He sware to *our* father Abraham, That He would grant unto *us*, that *we* being delivered out of the hand of *our* enemies might serve Him without fear, in holiness and righteousness before Him, all the days of *our* lives.” Luke 1:68-75;

PASTOR EVERETT SILEVEN: Many will no doubt remember seeing a news item from America's Promise some time ago, titled “The Sins of the Preachers of America”, which had been prepared by the Coalition of Unregistered Churches. One of the Pastors whose name appeared on it was Pastor Everett Sileven. This pastor and seven of his churchmen were incarcerated by the County Sheriff because they had refused to bow the knee to the Nebraska Education Association. This courageous pastor has had Col. Jack Mohr address his congregation at Faith Baptist Church, in Louisville Nebraska, on the problem of the ZIONIST CONSPIRACY TO DESTROY CHRISTIANITY. No doubt as part of his address he would have included the message of our Identity.

Also Pastor Sileven is now running for Governor, at the next election for that office. Pray for him, as Christians in those types of positions are badly needed. As part of his media release in August, Pastor Sileven stated that his “platform is very simple: less government and fewer taxes”. He also said he favored reducing the state prosecution load and implementing a system where the criminal pays his keep and repays his victims.” If you want to find out more about this outspoken Christian Pastor, write for his book, **“AMERICA'S FIRST PADLOCKED CHURCH”** from Fundamentalist Publications, P.O. Box 249 Louisville, Nebraska 68037. (Send an overseas draft for USD\$5.00 for the book).

CONDITONS IN AMERICA: A recent letter from Pastor Ben Williams informs us that petrol is now USD\$1.05 per US gallon - that equals about AUD\$0.40 per litre! That is what is known as parity pricing! We are also informed that a loaf of bread costs between USD\$1.00 and \$1.50, while the “aver-

age” wage is around \$18,000 per year. Pastor Williams wonders how many men wish they were making the “average”. We did not receive an AMPROM Newsletter for October; perhaps it accidentally went by surface mail. There is some great reading in the enclosed November-December issue. (Note: “20-20” is a TV program of a type similar to “60-Minutes”)

ISRAELI APARTHEID: The *Spotlight* reports that “apartheid” is alive and well in Israel. The treatment given to Bedouin villagers is indescribable. Some are forced to work 10-12 hours a day just to get feed for their goats, while they are watched over by Uzi carrying children. Amazing, while the news media are making so much noise about “apartheid” in South Africa., we do not get to hear about the Middle East.

COMMON PROBLEMS: French workers from the Renault car company block off the Champs Elysee in Paris with new Renault models that were constructed in foreign countries mostly in Spain and Belgium, to protest the importation of the vehicles made using cheaper foreign labor. (For more information on international merchants, and those who trade by sea, read Revelation 18).

FARM FORECLOSURES: In South Dakota, farmers facing foreclosure are being aided by a rediscovered 1933 state law. It provides judges the authority to delay foreclosure proceedings if farmers can prove production costs exceed the market price for

crops or livestock. Some farm leaders have already proposed that similar laws be enacted in other states.

When will farmers wake up to what is happening? After paying for years for their properties, both interest and principle, they get foreclosed on and the money lenders start the cycle of reaping more profits from the same property again. It is high time that we started throwing out the moneychangers and overturning their tables. For more on this, get the cassette series titled *"The Moneychangers"* at \$12.00 posted.

HIGHER AND HIGHER: The Treasury Department has asked Congress to raise the debt ceiling to \$2 trillion so that the government can borrow enough to pay its bills after October 15. The current debt stands at \$1.8 trillion. The Senate will soon review the matter. The House previously approved the debt ceiling increase as part of its budget.

How can people in their right minds still suggest that the national debts should be repaid? The Bible has the BEST and ONLY method for dealing with debts – cancel them every seven years! What we have now is a world in servitude to international moneylenders.

"PUT IT OFF, DELAY IS AN ADVANTAGE". The French government is dragging its feet on the trial of Klaus Barbie, a former German Intelligence officer. The real reason for the delay is the knowledge that should Barbie ever be brought to trial, his testimony could reveal the crimes of the French "Resistance".

Many "resistance fighters" are highly placed in France today. The ostensible reason for stalling is the discovery of "new evidence" The prosecution admits the new evidence conflicts with the old "evidence". Barbie's lawyer denounced the move. The trial is now unlikely to start before 1986 at the earliest.

LEAVE YOUR RELIGION BEHIND: The Minnesota Court of Appeals recently upheld a ruling by the Minneapolis Civil Rights Commission which charged the Sports and Health Club chain (run by Art Owens) with having violated the civil rights of homosexual Philip Blanding when his membership was terminated for behavior on club premises that offended Owens, a self-described "born-again Christian". The court ordered \$18,000 in damages to be paid to Blanding.

Defenders of religious freedom believe the ruling is an affront to those who attempt to apply their own beliefs to their businesses and to their personal lives. The court ruled that Owens was not permitted to

apply the tenets of faith within the hours of operation and on the premises of his business. Owens is appealing to the Supreme Court. (Is this a foretaste of what we can expect when the Australian Bill of Rights is passed? CIM)

The following comes from the *Spotlight*:

THE QUEENS QUEEN IS DEAD: Lord Avon, the personal adjutant to Queen Elizabeth II of England, is dead, of AIDS. Avon was the son of former British Prime Minister Anthony Eden. Insiders at the palace suggest he may have gotten infected as a result of assignations with the queen's homosexual bodyguards.

ENEMY AID: Ten Red Chinese military officers were recently invited by the Department of Defense to train at the U.S. military base at Fort Benning, Georgia. The installation is the same place where U.S. military has also trained Latin Americans to fight communism.

"WORLD" UNDER ATTACK: "We are the world" - the song advocating more give-aways to Marxist Ethiopia - is under fire by fundamentalist Christians, who believe it projects a satanic message. The song's lyrics urge listeners to imitate Christ who sustained the hungry by "turning stones into bread". The Bible does not have Jesus turning stones into bread, however. In Luke and Matthew the devil tempts Jesus to turn stones into bread and He refuses to do so. Critics also say the song teaches "global rather than national loyalty and promotes a one-world society".

MAJORITY VIEW: Even the Establishment Gallup poll reports that only eight percent of the American people favor sanctions against the pro-American, anti-communist regime in South Africa. An even smaller three percent favor withdrawal of investments from South Africa.

ISRAELI JUSTICE: Another item you may not have heard: Arabs are routinely arrested, tortured and held without trial in Israeli occupied lands.

COMPUTER VOTING: America has discovered the advantages of computer voting: the results can be pre-programmed and the counting of votes merely becomes a front to hide the fact that the results were set up beforehand. (I wonder how long it will be before Australia gets such an "up-to-date" voting system? CIM)

A NEW BOOK has been released in America called *“Soviet Military Supremacy: The Untold Facts About The New Danger to America”*. The order card further states “Read this book and get the blunt, unadorned facts about Soviet deceit, politicians’ lies, and. America’s peril”.

It would appear that the authors are more concerned with a Russian invasion of America, than with an invasion of Jewish occupied Pales-tine. Seems to me it would be a good companion book to Pastor Emry’s book *“Russia Will Invade America And Be Defeated”*.

“Of all the dispositions and habits which lead to political prosperity, Religion and morality are indispensable supports. In vain would that man claim the tribute to Patriotism, who should labor to subvert these great pillars of Human happiness, these firmest props of the duties of men and citizens.

The mere politician, equally with the pious men ought to respect and cherish them. A volume could not trace all their connections with private and public felicity. Let it simply be asked where is the security for property, for reputation, for life, if the sense of religious obligation deserts the oaths, which are the instruments of investigation in Courts of Justice?

And let us with caution indulge the supposition, that morality can be maintained without religion. Whatever may be conceded to the influence of refined education on minds of peculiar structure, reason and experience both forbid us to expect that National morality can prevail in exclusion of religious principle.”

George Washington, President of the United States of America, 1796 Farewell Address.

BEWARE OF TRAITORS TO CHRISTIANITY: There are those who while professing to be Christians are protecting the anti-christs by labelling everything which is against Zionism as “anti-Semitism”. Of course we all know that Semites are the descendants of Shem, so anything labelled as “anti-Semitism” would have to be against the descendants of Shem.

How about the actions in Lebanon not too long ago? The Arabs are Shemites. So the invasion of Lebanon by Jews could certainly have been described as an anti-Semitic action! However, while so much is bandied around about anti-Semitism, who is concerned about all the anti-Christian activity going on in all countries once labelled as Christian? (See above article about Owens Health Clubs).

Already I believe moves have been made to delete the book of John from the Bible, because of its “anti-Semitic” character. Pastor Sileven found from sad experience that it was the Anti-Defamation League (B’nai B’rith) who was behind the efforts to close his school. When he had the courage to mention this on his radio program, he was immediately cut off the radio stations by the same ungodly crowd.

Yet here, there are people who dare say that this ungodly crowd of blasphemous Christ (and Christian) haters are the apple of God’s eye. God’s word teaches us that “by their fruits shall you know them”. Yet so-called Christian preachers call them “sons of God” when we have Christ’s own words in John 8:44 describing them. More on this is contained in literature from Col. Jack Mohr. For information on Jack’s literature and tapes, contact Steve Clegg, 23 Buckby Road, Harvey WA 6220.

THE BIBLE TEACHES that the earth rotates. This is clearly implied in Genesis 1 where the days are described as succeeding one another, and each day consisting of “...evening and morning...” “...day and night...”. This regular succession of light and darkness can only be explained by the earth’s rotation on its axis. Jesus clearly stated that when He comes, it will be night in one place and daylight in another.

WHAT IS WRONG WITH HUMAN RIGHTS? The “human rights” idea has been cried up for an alternative to Divine Laws as “the basis and foundation of government” ever since the Declaration of Rights of Virginia in 1776. It is a foundation of sand. What are called “rights” of life, liberty, property or any others in a long list of claims are in fact conditions that prevail when the common law of nations is upheld. Since this common law must presuppose a Divine Author, unbelief forces men to seek another explanation.

A “right” is a legal claim to own or do something. Rights cannot stand on their own. As a ground of law, they are indeed “nonsense upon stilts”, being derived from law. A return to the universal law of God is the only Rock upon which government can stand, and which in return upholds the benefits so wrongly attributed to imaginary impersonal forces.

FAITH VACUUM: In proportion, as Americans let go of the faith in the absolute power of God, they have accepted the belief in an all-powerful state. This is true of or peoples or nations; for their idea of God determines the form of their civil, political, religious and social institutions.

Communism and socialism are anti-God and anti-Christian; the battle against communism and socialism never was, and is not now, just economic and political; it is religious, shall Christianity be taken captive?

WHY THE JEWS HAVE NOT BEEN ABLE TO FULFIL MOST OF THE PROPHECIES GIVEN TO ISRAEL. (by L. C. C.)

Today we know that the Jews claim to be the House of Israel (and some professing Christians even support them in that), but instead of believing what man has said, study what God says. We know that Jesus Christ in the Revelation to the Apostle John says that the people who claim to be Jews are actually liars and are of THE SYNAGOGUE OF SATAN (Rev. 2: 9; 3: 9). Truth will always expose a lie, and the Word of God is TRUTH (John 17:17).

God always makes a distinction between these Jews and the House of Israel, His Chosen People. The Bible says that Israel would:

- a) be a GREAT nation (Gen. 12:2; 18:18; 46:3); not a little country which would be dependent upon other nations for aid.
- b) have a VAST population (Gen. 28:14; 49:22-26; Num. 23:10); not a minority race.
- c) colonise and inhabit even the desolate (wilder-ness) places (Isa. 54:3; Eze. 38:12).
- d) have a NEW land (2 Sam. 7:10; 1 Chr. 17:9); not Palestine, because they were already dwell- ing there when this future prophecy was given.
- e) be SECURE in this new land (2 Sam. 7:10); which is not true of the Jews in Palestine.
- f) be a land of UNWALLED villages (Eze. 38:11); which is not true of the cities in Pales- tine which have walls and barbed wire fences.
- g) be totally regathered in this land (Eze. 34:13).
- h) be regathered from the HEATHEN (non- Christian) nations (Eze. 36:24); which cannot apply to the Jews as they are not Christian.
- i) have a NEW name (Isa. 62:2; 65:15); named after their Lord Jesus Christ, i.e. Christians (Deu. 28:10).
- j) have a NEW language (Isa. 28:11; Zep. 3:9).
- k) lose all trace of their lineage and identity (Hos. 1:10; 2:6; 2:17).
- l) have a NEW religion (Jer. 31:33-34; Heb. 8:13).
- m) have a NEW heart (Eze. 36:25-27).
- n) have a NEW covenant (Jer. 31:31; Heb. 8:8).

According to Dr Scofield's notes on Romans 11:26, Israel has a God-given mission, which the Jews

have not fulfilled, simply because they are NOT the nation of Israel. Dr Scofield says that Israel's duty was:

1. "to witness to the UNITY of God in the midst of universal idolatry" What nation has been the world-wide witness to the unity of God the Fa- ther, the Son of God and the Holy Spirit?
2. "to illustrate to the nations the blessedness of serving the true God." What nation has shown to all the others the blessings which will come from God when serving Him? What nation is known as Christian and the land of blessings?
3. "to receive, preserve, and transmit the Scrip- tures." What nation today has accepted God's Word, has kept publishing it, and has sent it to all parts of the world? Have the Jews translated the Bible into the modern foreign languages and sent out all the missionaries with the Bible?
4. "to be the human channel for the Messiah." What nation sings, "Make me a Channel of Blessings today"? What nation is the channel that Jesus Christ is using to reach and to bless the entire world?

Now you can more clearly see what Jesus meant when He told the Jews, "*Therefore say I unto you (Jews), the kingdom of God shall be taken FROM YOU, and given to a NATION (not church) BRINGING FORTH THE FRUITS THEREOF*". (Matthew 21:43). What nation or group of people are still bringing forth the fruits of God's Kingdom?

"*Therefore every scribe which is instructed un- to the kingdom of heaven is like unto a man that is an householder, which bringeth forth out of his treasure things new and old.*" (Matthew 13:52). If you are not instructed in the things of the KINGDOM, then you have no treasure, which is wisdom and knowledge (Colossians 2:3) of things in the New or the Testa- ment. Believe only the Bible!

WHO IS RUNNING THE COUNTRY? Ac- cording to Col Archibald E. Roberts, the ownership of the Federal Reserve Bank, one of the best-kept secrets of this country, has at least been revealed. He says R.E McMaster, publisher of the *Reaper* newsletter, asked his Swiss and Saudi Arabian contacts what banks hold controlling stock in the Fed. The answer: Rothschild Banks of London and Berlin; Lazard Brothers of Paris; Israel Moses Seif Banks of Italy; Warburg Bank of Amsterdam and Hamburg; Lehman Brothers of New York; Kuhn, Loeb Bank of New York; Goldman, Sachs of New York; and David Rockefeller's Chase Manhattan Bank.

“There are”, Col. Roberts says, “approximately 300 people, known only to each other and/or the relatives of the “owner”, who hold stock or shares in the Federal Reserve System. They comprise an interlocking, international banking cartel of wealth beyond comprehension.”

IS CHRISTMAS CHRISTIAN? By Sheldon Emry (extract)

‘Twas the day after Christmas and all through the land
Millions were ailing on every hand;
With heads ever aching and bleary red eyes
From gorging themselves on plum puddings and pies
On top of their chicken, or ham, or goose;
To say nothing of wallowing in Christmas-gift booze.

They worship an image in church or at home –
An old pagan practice promoted by Rome;
‘Twas a Jesuit priest who many years past,
Tied Christ in His crib and His corpse to the mast,
So Rome’s flock would bow down – against God’s command –
To pay homage to images made by man’s hand.

N. W. W.

Perhaps some well-meaning parents may say, “But we only keep Christmas because it is so much fun for the children, we’re not REALLY worshipping Santa Claus and the tree, or those heathen gods.”

Let me pose some questions for you to consider in your heart.

1. Have you considered that children understand things DIFFERENTLY than you might think they do?
2. Have you considered that your “acting out” the rituals of pagan god Baal will teach them to do so as well, and thus begin another generation performing the same rituals?
3. Have you considered that the emotions generated by Christmas rituals may well affect the ENTIRE LIFE of the children God has given you to teach and protect?

I once heard a mother tell of her little boy catching her and her husband putting the gifts under the tree. She said, “He saw us and began to cry, shout-

ing, “You lied to me, you lied to me,” and ran back to his room crying.” She was laughing as she told it, for she thought his tears were over “losing Santa Claus”.

What she may never realise was that HE HAD JUST LOST HIS TRUST IN HIS FATHER AND MOTHER! That little boy will never forget that night. He will NEVER AGAIN trust his parents as he had before. God alone knows how much evil is wrought by Christmas.

PSALM 105

Seek ye Jehovah and His power,
Seek ye His presence every hour.
His works, so marvellous and great,
Remember still, and meditate
Upon the wonders of His hands,
The judgements which His mouth commands.

Ye seed from Abraham descended,
To whom His favors were extended,
And Jacob’s children whom the Lord
Has chosen, hearken to His word.
He is the Lord, our Judge divine;
In all the earth His glories shine.

Jehovah’s truth will stand forever,
His covenant-bonds He will not sever;
The word of grace which He commands
To thousand generations stands;
The covenant made in days of old
With Abraham He doth uphold.

The Lord His covenant people planted
In lands of nations which He granted,
That they His statutes might observe,
Nor from His laws might ever swerve.
Let songs of praise to Him ascend,
And hallelujahs without end.

Our thanks to all those who have given encouragement and support over the last twelve months. We look forward to continuing next year.

May the grace of the Lord Jesus Christ be with you all.

You're Being Fed Disinformation

By William Carmichael

Looking for a hate object? Look no further than your local Establishment newspaper or any of the networks' evening news shows. Holding top position on the Establishment's hate list these days is South Africa, singled out for special attention as "evil."

From "civil rights" leaders to every liberal on Capitol Hill, the "in" thing in Washington these days is to be arrested for protesting in front of the South African Embassy or for illegally occupying the premises of institutions that deal in Krugerrands.

Key to acceptance of these activities by the public at large is a body of disinformation being perpetrated on the American public by the Establishment media. A number of untruths about South Africa have been repeated so often that many Americans accept the statements as things "everyone knows," which need no documentation.

Let's examine each of the following statements, which the Establishment media wants you to accept without question or explanation.

South Africa keeps its Blacks in abject poverty. Just the reverse is true. Blacks in South Africa own more homes, cars, businesses and have a higher standard of living than Blacks anywhere else on the African continent. Wages of Blacks in South Africa are three or four times higher than in the rest of Africa. This is one of the main reasons more than 500,000 Blacks try to immigrate to South Africa every year.

Blacks in South Africa hate Whites. This is simply not true. Black-White relations are better in South Africa than in Britain or the United States. A White person is much safer walking down the streets of Soweto or any other Black township in South Africa than Harlem, Watts, downtown Detroit or many other major U.S. inner cities. American visitors to South Africa are often surprised at how many Blacks smile at them on the streets.

South Africa is a police state. There are 1.4 policemen for every thousand people in South Africa. By contrast, in New York City there are 4.3 police for every thousand people and 10 police per thousand in Moscow. Incidentally, most police in South Africa are not White. At last count, there were 16,292 White police in South Africa and in South Africa and 19,177 who were Black, "Colored" (racially mixed), or Asian.

There are thousands of political prisoners in South Africa. What are called political prisoners are, in fact, terrorists and revolutionaries, working to overthrow the South African government. In 1983 there were 127 such prisoners in South Africa; another 11 persons had been banned and 32 more were under detention, for a total of 170.

By contrast, there were more than 1,500 political prisoners in Northern Ireland and many millions in the gulags of the Soviet Union, Red China, Cuba, and other communist countries.

Whites badly mistreat Blacks. On the contrary, 1 million White taxpayers, 200,000 "Colored" taxpayers, and 200,000 East Indian taxpayers support 11 million Blacks with their taxes. Blacks pay no taxes in South Africa. The Whites subsidize Black housing, medical care and schools. In South Africa, a Black can have open heart surgery for one rand - an operation that costs a White 15,000 rand.

"One man, one vote" will solve most of South Africa's problems. Just as it has solved the problems of other countries in Africa? Most had elections only once, if at all Most are now Marxist dictatorships, ruled by implacable enemies of the West. The way this slogan works in Africa, as any honest observer knows, is "one man, one vote, one time."

Blacks are a majority and deserve majority rule. This is a variation of the "one-man, one-vote" argument (see above). There is no "Black majority" in South Africa; instead, there are 10 major tribal units and scores of lesser ones, all hostile to one another. No Xhosa or Venda or Sotho wants to live under the rule of a Zulu and *vice versa*.

South Africa is on the verge of revolution and civil war. This is a total fabrication of the Establishment media in the United States and elsewhere and of radical anti-apartheid groups. South Africa is demonstrably one of the most peaceful countries in the world. There were fewer than 40 terrorist incidents in the entire country last year. South Africa has a very effective internal security force and it has kept this global problem to a minimum.

Disinvestment will help bring about justice in South Africa. This is only true if, by "justice," one means massive Black unemployment. Disinvestment would not benefit Blacks in South Africa and virtually all responsible Black leaders in the country are opposed to it. Congress has voted down measures proposed to conduct opinion polls among South African Blacks to see how they feel about disinvestment.

South Africa's Blacks are just like those in the United States and should be treated similarly. This falsehood is one of the most dangerous and misleading of all. Most Blacks in South Africa prefer tribal lives, traditions, rites and practices. Virtually everyone in the United States who calls himself "Black" would be considered "Colored" in South Africa. To say that American and African "Blacks" are the same is naive in the extreme.
