"Blessed be the LORD God of *Israel*; for He has visited and redeemed *His* people, And raised up an horn of salvation for *us* in the house of His servant David; as He spake by the mouth of His holy prophets, which have been since the world began; That *we* should be saved from *our* enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember His holy covenant; The oath which He swore to *our* father Abraham, That He would grant unto *us*, that *we* being delivered out of the hand of *our* enemies might serve Him without fear, in holiness and righteousness before Him, all the days of *our* lives." **SOUTH AFRICA - COMMUNISM - FARMERS  
DISCRIMINATION - USURY - A.I.D.S**

*"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."*  
(Revelation 18:4)

**MISINFORMATION ABOUT SOUTH AFRICA:** Our so-called "Representatives" in State and National Government are again displaying their true colors. And, of course, our so-called "free press" is doing its usual thing in misinforming the public.

The American Public will one day answer for what we are allowing our government to get away with. We have been steered so far off course that most people have no idea where we are headed. Perhaps what we need is a list of issues which our government supports, contrasted with the issues they are against. For instance, both media and government openly:

1. Approve measures to tax Christians to death.
2. Support the N.E.A. which works day and night to steal and subvert Christian children through their control of public schools.
3. Support and defend plunder by usury bankers, both here at home and around the world.
4. Finance and support Communist projects across the globe.
5. Support and defend homosexuals (and their diseases).
6. Support and defend abortion clinics.

Apparently, politicians and the media see nothing wrong with all the above things. However, there are other issues that our media and our politicians see as deadly enemies, which they loudly condemn, such as:

1. The President visiting a German grave site.
2. Christians taking an interest in government.
3. Prayer in schools.
4. Anti-Communist movements (like McCarthyism).
5. Farmers and Constitutionals organizing against usury-banking.
6. South Africa's White Government.

The question, which should be asked of our Representatives in government, is "Why are you unconcerned about the threat of usury, Communism, Homosexuals, and the murder of unborn babies, but view such things as Apartheid, anti-Communism, and prayer in schools, as threats to American security?"

They should also answer as to why they support acts of war (such as economic sanctions) against South Africa, who has always been a friend to the United States.

Is racial segregation the only reason for all that hate from the media? Why do politicians and news reporters hate segregation so much? Have modern politicians, news reporters, and preachers all become the lackeys of International Communism?

The views and opinions expressed in the articles herein or herewith are those of the authors and not necessarily those of CIM. They are written by fallible men. You must ask Jesus to guide your studies!

CIM reserves the right to edit submitted or reprinted material in line with CIM editorial policy. CIM does the utmost to ensure that the spirit of articles remains intact at all times.

I believe they have. Communism uses racial issues to foment unrest and instability in those nations they are taking over. Modern media and politicians play right into the hands of the Communists by telling the people that the trouble in South Africa is all because of their segregation of Whites and Blacks. This makes one think of America's Civil War. Americans are led to believe that that war was fought over the issue of slavery: a White/Black issue. IT WASN'T. The Civil War was fought over the issue of State's Rights, not Slavery.

Likewise, the public today is being led to believe that the trouble in South Africa is a White/Black issue. IT ISN'T. It is just another successful disturbance instigated by Communists. They know that it will lead to an easy takeover of South Africa after she fails economically due to the instability caused by the riots and unrest.

Already, South Africa is suffering financially due to the banks and governments withdrawing trade and support. It is possible that South Africa will be economically destroyed within a matter of a few weeks, or months. Meanwhile, Communism will be sneaking in the back door. While they have the world's eyes focused upon all the racial unrest, the riots, and civil disturbances, Communism will be quietly taking over the government. Of course the bankers will facilitate the action just as they did in America's Civil War, and later in Germany.

Ostensibly, South Africa's only crime is that she prefers a separation between Whites and Blacks. However, the real reason that the banks, the media, and U.S. politicians are coming against South Africa is to force her over into the Soviet camp.

The Blacks and the Whites in South Africa have been pitted against each other. Apparently, most of the Blacks have been brainwashed (like the American public) into believing that the White government must be overthrown. So instead of working to create their own Black government, aside and separate from the White government, they have been convinced that they must take over the White government. Communists call this strategy "Dialectic Materialism."

They form two opposing social classes to cause a controlled conflict among the masses. When that conflict is resolved, resulting in a new class of people comprised of a blend of the former conflicting classes only the Party leaders remain above it all. They did it in Russia, China, and Central America, and now they are doing it in South Africa. I believe Mexico is possibly next. By implementing this strategy, Communists can end up with control of both the Blacks and the Whites in South Africa, and the world is left thinking that all that the Soviets did was stop a local racial dispute.

The South African stock market has already been shut down, and the Rand (their currency) has lost over 30% of its value against the world market. For financial reasons, four influential business groups are pushing for the apartheid government to give in to Black demands. These four groups are the Associated Chambers of Commerce; the National African Federated Chambers of Commerce, a black organization; the Federated Chamber

of Industries; and the Urban Foundation: ALL ONE-WORLD, MASONIC-TYPE ORGANIZATIONS.

Several U.S. banks, including Chase Manhattan, have stopped making new loans to companies and banks operating in South Africa. The word is that President Reagan is going to demand that U.S. banks stop all loans to South Africa unless they somehow benefit the Blacks. Ten nations of the European Community, plus Spain and Portugal, agreed to recall their ambassadors.

The World Council of Churches has called for the overthrow of the South African government. And the Shultz State Department ordered the FBI to add South Africa to its list of "hostile foreign powers." The following week, a Senate panel voted to remove Laos from that list. Also not on that list are Yugoslavia, Angola, Red China, and Mozambique. Something is wrong when America considers South Africa our enemy, while embracing Communist Red China.

Is South Africa targeted for Communist takeover? Howard Phillips, National Chairman of the Conservative Caucus says that it is "the No.1 target of the Soviet Union." Pastor Nbadezinhle B. Musa, a former terrorist with the Zimbabwe African People's Union, who was trained for five years by the Communists in Prague, Czechoslovakia, and at Patrice Lumumba University in Moscow, says that the Communists so brainwashed his fellow Africans that "we were willing to kill tribal leaders, kill missionaries, kill our own parents."

He also tells how that the National Council of Churches and the World Council of Churches support Communist terrorists in Africa. (Those of you who heard our tape by Rev Millen about the Communist takeover of China will recognize this as a typical Communist operation).

Some will undoubtedly blame the Blacks. Some will blame the Whites. The truth is that the problem originated with neither. Their problems are the result of the cooperation between mass media, Communists, and other one-worlders manipulating and fomenting social unrest among both factions, for the purpose of taking control of the government. Public opinion, for that matter, is not very reliable anyway.

As I see it, the American Public applauded Israel's ATTACK upon the poor in Lebanon, and is now condemning White South Africa for trying to DEFEND herself from attack by the Black majority. Apparently, it's OK for Blacks and Jews to attack, but it is wrong for Moslems and Whites to defend themselves. You figure out that one.

**IS SEGREGATION A CRIME?** Is it a crime to have preferences as to groups of people with which you wish to associate? Does it insult Blacks if a White prefers to be with Whites? Does it insult Whites if a Black prefers to be with Blacks?

And carrying the logic a bit further, would it be wrong for a Christian (either White or Black) to prefer to separate from non-Christians? Will it someday be a crime for a Christian to prefer segregation from homo-

sexuals and infidels? How large of a chunk of our freedom is being lost to these rabid integrationists?

Already, it is nearly impossible to “discriminate” against homosexuals who want to “teach” your children in public schools. It is getting harder and harder for employers to fire unwanted employees, especially in public jobs. Understand that when Christian organizations can no longer discriminate as to who they want to associate with, the word “Christian” will have become meaningless.

When the Genocide Bill is passed, the one world integrationists will have won a major victory. According to this Bill, it will be illegal to “discriminate” in any way that causes “mental anguish” to any group of people. This movement is leading us toward the ultimate goal of the anti-Christ.

We are being pushed toward a time when it will be a punishable crime for any people to separate themselves from evil of any sort. It will be a crime to be a Christian, just as it was in old Rome. As you know, Christians are commanded to “be ye separate, and come out from among them!” This should be a real concern for both Whites and Blacks alike. Christian Blacks that are in favor of integration laws should consider the ramifications. Time may come when neither White, nor Black can practice his Faith.

The real problem here is not racial. The real problem is SIN. Sinful people do not like separation, because it leaves them exposed. Sin hates exposure! Therefore, sinful man has mounted a campaign to destroy exposure, and the Light (Christ) that exposes them. To do this, they must destroy all means of “being separate.”

“Separation” is the indispensable process by which all things are refined and improved. By this process all good things are cultivated, and all bad things are eliminated. Destroy the ability to separate, and you destroy all progress. Scientists must separate error from truth in their experiments. Separation from error is based on the principle of discrimination. Scientists must have a very DISCRIMINATE mind in order to do good work.

Ministers must separate truth from error, and they must DISCRIMINATE against evil. That is their calling. Deny them that and their work is finished. Educators must separate truth from error. They must do more than simply present all sides of any issue; they must DISCRIMINATE against the inaccuracies, and support the truth. Remove discrimination from education and you destroy all learning.

Why, then, have our people been saddled with all this modern doctrine against discrimination? Very simple: there is a campaign afoot to destroy Christian Culture; to destroy Christian progress. International (one world) Communism fits right into this scheme.

**THOSE WHO HATE BORDERS AND CHRIST** began destroying borders, and the ability to be separate, a long time ago. They began destroying the borders that separate the Christian Faith from World Religions. One of three borders was the Christian law against interracial, and inter-faith marriages. Another

border which had to be broken down was the Christian law against non-Christians occupying positions in Christian government. Those borders of separation had to be broken down.

And so a movement was begun by several people of the anti-Christ persuasion. This movement was designed to **BREAK BORDERS!** The prototype of this one-world operation is pointed out in Genesis 11, called the Tower of Babel. The tower obviously signified a multinational alliance or federation, ruled over by Babylon. Today, this **BABYLONIANISM** functions both politically and religiously. Politically, it is known as The United Nations. Religiously, it is known by the names “**ILLUMINISM,**” “**FREE-MASONRY,**” “**LUCIFERIANISM,**” etc. It is also referred to in the Bible as the ancient religions of Babel, Egypt, and Persia. It is essentially a religion of Humanism; advocating “positive thinking,” total abandonment to human lust, and denouncing all discrimination or discipline.

This “Religion of The Ancients” was transplanted from Babylon to Judea, and became the religion of the Pharisees: a special adaptation of Babylonianism designed to oppose and destroy Christianity. Pharisaism became the state religion in Judea, the location of the first implantation of Christianity. Thus it became the scene of the first confrontation between Christ and anti-Christ. The tool to attack Christ was designed and refined in the culture of Pharisaism. Today, we know this tool as **JUDAISM**. Judaism became Babylon’s tool to neutralize Christianity.

The second leg of the war against Christ is seen today in what is called Red Communism. Likewise, Communism is a creation of this same “religion of the Ancients,” recognized largely in the tenets of the hierarchy of the Masonic Lodge. Under the control of their Masonic rulers, Communism and Judaism together deliver a “one-two punch” to the world: Judaism destroys Christianity’s **RELIGIOUS AND ECONOMIC BORDERS**, while Communism destroys **NATIONAL BORDERS**.

Christ commands us to **SEPARATE** ourselves from the world. That “separation” is the focus of all the venom of the anti-Christ. They want that “separation” destroyed at any cost. That is why we see the amazing flood of current criticism of South Africa. South Africa has committed the modern “unpardonable sin”: they want freedom to be **SEPARATE!**

Likewise, four decades ago, the International Bankers couldn’t allow Germany to separate herself from the world! And if you don’t know by now, it’s time you realize that almost every banker, and almost every major religious leader in the world is a Mason. Notice the Masonic symbol (the compass) over the entrance to this building owned by a well-known banking family.

Separation, by the way, was what got Germany into trouble. Germans had the idea that they could be separate, and that Germany could be an independent sovereign nation. You may hear various different reasons for all the hate propaganda against Germany, but regardless of Germany’s various and many errors, the truth of

the matter is they could have committed any atrocity they wanted and the world would not have interfered.

But when they demanded A SOVEREIGN BORDER, and THE RIGHT TO GOVERN THEIR OWN AFFAIRS, the Masonic bankers and their armies came against them with force. Then, after completely destroying Germany, the one-worlders played on the Jewish persecution complex by cooking up the Holofoax to make Christians feel guilty, and give Jews more power politically.

Thus, Europe and America were subjected to the Masonic formula we know as "the dialectic." In this political/religious manipulation, two opposing factions are formed, called "thesis and antithesis" (in this case, it was Christianity and Judaism). Then when the two opposing factions resolve their conflict, the result is called "the synthesis." The "synthesis" of the above controlled conflict is what we know today as Judeo-Christianity: a hybrid religion that is neither Christian, nor self-sustaining. It has, however, replaced the original Christianity, and neutralized Christians.

Masonry, Judaism, and Communism are peas in a pod. They militate hate against BORDERS, NATIONALISM and BIBLICAL CHRISTIANITY because these hinder their INTERNATIONAL ECONOMIC CONTROL. The danger, of which most of the world is oblivious, is that all nations are losing their sovereignty and their independence. They are being abandoned to godless Communism through credit and loans with Masonic International Bankers.

With the wide acceptance of Masonic religions and Communism, Christianity and Nationalism have become the most hated (and feared) things in the world. Now, you possibly thought things like Satanism, Witch-

craft, Rape, Murder, Extortion, Kidnapping and AIDS would compete for the top of "the most hated list." But if you will examine the evidence before us today, you'll find that Christianity and Nationalism are the most hated things in the world (and especially if it is White Christianity, or White Nationalism).

The evidence shows:

1. "The World hates Christ." THEREFORE THEY HATE CHRISTIANITY.

2. Those who control the international economy hate borders. THEREFORE, THEY HATE NATIONALISM.

International Communists advocate a One-World Empire. In order to maintain economic control, they can't allow freedom and independence, so they work toward a world with no sovereign nations, and no sovereign Jesus.

World mood, for the last several decades, has followed the Communist ideology: an all-out push for a non-Christian one-world government. Their goal is to break down national and cultural borders, destroying national sovereignty and making it impossible for anyone to practice true Christianity. This is the goal of The United Nations. On the other side of that coin, we can plainly see that the principles of Christianity automatically lead to independence, individual freedom, and National Sovereignty. Christianity and National Sovereignty go hand in hand, and that is why both are equally hated by the one-worlders, and the anti-Christ.

Now, it should be sufficiently clear to most anyone that our modern media and politicians tend toward Internationalism. Therefore, by Bible definition, they would automatically hate both Christianity and Nationalism. However, if they railed against "Christianity" and "Nationalism," by name, they wouldn't get very far with the majority of the people who, in spite of being misinformed, are still Christians at heart.

But those in the media and in education are not dumb, so they use other words – replacement words - to make their points. For instance, instead of railing against Christians, they rail against "Religious Fanatics." They can't come right out and teach children in public school to hate Nationalism, so instead they teach them to hate "Bigotry" and "Racism," then the teachers go on, by insinuation, to equate those terms with Christianity and Nationalism.

"The Far Right," "Religious Fanatics," "Bigotry," and "Racist" are terms used to cloud your mind, and manipulate your thinking. They are buzz-words of modern Humanists and mediocrats: two-bit philosophers turned traitors who prostitute themselves to leftist School Unions, Newspapers, and TV News programs.

The average Christian hasn't the slightest idea how much he is hated by those "educators" and News Reporters whom he patronizes in the government schools, the Newspapers, and on TV. He simply can't imagine someone hating him. After all, he hasn't harmed anyone, and he believes in giving everyone the benefit of the doubt. Who could hate Christians like that? Who hates without cause?

In John 15, we read:

*"If the world hates you, you know that it hated me before you." (vs.18) "... If they have persecuted me, they will also persecute you." (vs.20) "... THEY HATED ME WITHOUT CAUSE."(vs.25)*

Paul says in 2 Corinthians 5: 14, 17:

*"Be ye not unequally yoked together with unbelievers... Wherefore come out from among them, and be ye separate, saith the Lord,"*

Jesus says in Revelation 18:4,

*"Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues."*

**CANADIAN JIM KEEGSTRA**, former high school teacher and Mayor of Eckville, has just been convicted of "teaching hate" to his former students. He has been stripped of his teaching career and his position as Mayor. The court fined him \$5,000.00.

This is the second such trial in Canada in the last year. Ernst Zundel was convicted earlier of publishing "hate material," fined, and ordered deported (awaiting result of his appeal). Canadians should beware! The issue of both of these prosecutions was THE HOLOCAUST. Both men taught that the Jews and the media have misinformed the public, and that the subject needed to be re-examined. Both men also openly taught that many judges, lawyers, and public officials are Freemasons, and that they should be subject to investigation concerning their loyalties.

### QUESTION: HOW LONG CAN THE JEWS PERPETRATE THE HOLOCAUST MYTH?

### ANSWER: NOT MUCH LONGER!

In spite of their convictions, during the trials both men were able to put on record an amazing amount of evidence to prove that the issue is a viable one. Nevertheless, both juries were pressured into bringing guilty verdicts. In spite of all that, many historical facts which are usually suppressed and hidden by educators and the media were brought out. Both trials received wide coverage, and many Canadians were at least partially educated by the news articles written by reporters attending the trials.

**THE ENEMY IS SCARED!** Recently on ABC's "20-20" (a TV news program styled after the format of "60 Minutes"). Geraldo Rivera put together a program titled "Seeds of Hate." It was a direct attack upon "Christian Identity."

As usual, it was prejudiced and inaccurate: a typical hate-hype mass-media presentation. All "Identity people" were painted with the same brush, and portrayed as severely retarded, radical militants. Farmers who question modern banking powers were portrayed as gullible, and simple-minded. It's my guess that there are about a million farmers who don't especially like news reporters or bankers at the present time, and they probably don't take kindly to being portrayed as fools.

I believe "20-20" has shot itself in the foot. We may yet see who the real fools are! Not only have they offended the best people in America, but they have educated a good many of them to not trust the media, and to NOT ALLOW THEM TO COME ONTO THEIR PROPERTY AND INTERVIEW THEM!

You can trust the media to not be trustworthy! In an hour interview, they may save only about one minute of tape for the program. They edit out all the fair parts, and broadcast only the worst possible statements to make you look bad. By carefully editing the tapes, and inserting their own comments, they can completely change the content of any interview.

**AMERICAN GUILT TRIP:** If American Farmers, and other land and business owners, ever come to a realization of what is actually being done to them by the bankers and the one-worlders, there will be a revolution overnight. Farmers are starting to get mad, but there is not yet one farmer in a million who really understands what has been happening to him. When he does find out, I wouldn't want to be in the shoes of the bankers, nor of the politicians and preachers who supported them, or failed to warn the farmers about them.

Right now in America, farmers are walking around feeling guilty about not being able to pay their debts. They are having nervous breakdowns, and actually committing suicide. It is not uncommon for articles to show up in newspapers in the Midwest, about farmers who end their miseries by taking their own life. They reach a point where they are no longer able to fight the feelings of guilt, being several hundred-thousand dollars in debt, having lost the family farm and considering themselves a failure. Their mind just snaps.

Thousands of American debtors, from all walks of life, are finding themselves unable to function normally due to stress, fatigue, and guilt feelings. And while Americans have reasons for which to be genuinely guilty, being in so-called debt to banks is NOT one of them! Indeed, if farmers and other businessmen are guilty of anything concerning this debt, it is merely that they allowed themselves to fall for the biggest Ponzi scam in the world.

**BANKING IS A PONZI SCAM:** Banking is nothing but a government sanctioned, giant multi-level con-game. It is a pyramid scam that makes all other scams look like child's play. At the top of the pyramid are the Federal Reserve Board and their owners. At the bottom are all the little local branches of all the different state and national banks. As in all pyramid scams, the small branches at the bottom will fall first, taking most of the heat off those at the top. But eventually the pyramid must topple. In fact, we already hear the rumble of the pyramid starting to fall.

But what most people do not know is that the banking system (scam) was designed to fail, and make certain people very wealthy in the process. The process is called USURY. Banks loan us 10 dollars, and require us to repay 11 dollars. But since banks are the ones who create the money by lending it to us, we have nowhere to turn to get that 11th dollar to repay. We are faced with two options:

1. Live without money, which means that you would never go in debt to the banks, or
2. Borrow an extra dollar, either from another banker or from another victim, with which to repay the bank.

The result of number two is that you would now be two dollars short when the debt comes due again, and if you borrowed the 11th dollar from another citizen, then that citizen also would be two dollars short when his debt comes due.

Not only is our modern Babylonian banking system designed to eat up all privately owned property, it also causes us to cannibalize each other. Since there is never enough money in circulation to pay back that 11th dollar, it forces us to compete with each other for survival: to try to wrench some dollars away from our neighbor so we can pay back OUR 11th dollar debt, even though it will make it impossible for our neighbor to pay his.

The premise of this game is that someone must fail. There are three players:

1. You,
2. Your Neighbor, and
3. The Banker.

Of the three, the banker is the only one that is assured a profit without having to borrow money. He gets the interest from the money he lent to you and your neighbor. That leaves you and your neighbor as the debtors, fighting it out to see who will get part of the other's money to use to pay back that 11th dollar to the banker. Thus, the banker has put you at war with your neighbor, and in fact has caused you to "rob, or be robbed." Either you will survive or your neighbor will survive - and at the expense of the other. All three players cannot survive. Someone must fail! That means that only you and your neighbor are the debtors, and are left to compete for survival. Then, as soon as your neighbor is fallen, that leaves only YOU as the banker's prey.

This evil Babylonian system can be stopped cold by one simple act of law. **MAKE USURY ILLEGAL!** Nothing less will cure the problem. Without usury, banks

die. With usury, you and your neighbor die. Usury-banks and free people are contrary to one another. Someday Congress must stop defending usury-banks, and start defending the people. There are currently about 400 bills in Congress seeking to protect the U.S. usury-banking economic system. Isn't it odd how far politicians go to protect Babylon while ignoring the crying and pleading of suffering families across this land, and the world?

### THE GREAT BANKER ROBBERY

Farmers have been tricked into participating in this scam. Banks have taken the farmers to the cleaners. Banks are like vampires: to live, they must suck the blood from their victims. For the farmer, this means that when the bank demanded the 11th dollar, and the farmer didn't have that 11th dollar, in lieu of the cash the banker accepted a little piece of his farm instead. Over the years, the banker's portion of the farm became larger and larger, and the farmer's portion became smaller and smaller. Eventually, the farmer's portion of the farm became so small that its value was insufficient to back the annual operating loan. This is called "foreclosure."

The point is this: bankers are perpetrating a diabolical plan, the premise of which is that an unresolvable debt must occur. The 11th dollar can never be repaid, thus the debt is unavoidable and unpayable. This debt is foisted off on the farmer, who, being ignorant of the slick schemes of the banker, does not realize that the debt cannot be avoided. Consequently the farmer thinks he is to blame for the outstanding debt: that unrepayable 11th dollar. Actually it is the banker who is the criminal, but he allows the farmer to take the blame. All the farmer is guilty of is being naive.

There is nothing new under the sun. Nineteen hundred years ago, John wrote this concerning the fall of Babylon: the collapse of this pyramid scam:

*"...Your merchants were the great men of the earth, because all the nations were deceived by your sorcery. And in her was found the blood of prophets and of saints and of all who have been slain on the earth."*  
*"Rejoice over her, O heaven, and you saints and apostles and prophets, because God has pronounced judgment for you against her."* (Revelation 18: 23-24, 20)

**NATIONS IN DEFAULT:** According to my newspaper, more than two dozen Third World nations have warned Western bankers that economic pressures may force them to default on their national debts (about \$900 billion combined). These nations are suffering the same syndrome as “you and your neighbor” in the above illustration. Under the manipulations of the World Bank, and the International Monetary Fund, Western banks are bleeding the nations, causing them to cannibalize each other to try to pay back that 11th dollar, and preparing them for takeover by Communism.

**SATANIC RITUALS OR JUST PLAIN LUST?** I believe that Christians are being scared and brainwashed into a subtle form of idolatry. The biggest offenders in this are the Clergy, who, under the guise of “preaching” are actually scaring superstitious people into a form of idolatry. Preachers are telling their people to fear (honor) a false god named Satan. They attribute all kinds of supernatural powers to this “Satan,” and convince their people that they are in constant danger from him.

One of the other ways that this idolatry appears is in the form of a “religion” called “Satanism.” Satanism receives its impetus from a combination of

1. Christians who want to blame everything on “Satan,” and
2. Non-Christians looking for a form of expression through which to vent their contempt for Christ.

Seeking ways to insult, undermine, and scare gullible Christians, they have engineered the ultimate “slap in the face.” It’s called “Satanism.”

Ask a real “Satanist” and he’ll tell you that their “religion” can be summed up in one word: “LAWLESSNESS.” Satanists teach that the ultimate good is found in total abandonment of self-discipline and inhibitions. They teach that there is no such thing as good or evil. The only fulfillment in life is in one’s experiences; and some of the experiences they practice are not only distasteful, but downright disgusting and harmful.

A recent article from Associated Press tells of a police Captain in Santa Maria, California who apparently understands the issue fairly well. In his investigation into local “Satan worshipping,” Captain Mike Farrell evidently wasn’t impressed with “the powers of Satan.”

His investigation revealed 15 teenagers from local schools who were involved in sexual rituals and devil worship. He said he thinks it is simply “a fad.” “They call it satanic worship, but it was really an excuse to get together and have an orgy,” Farrell said.

Fundamentalist and Pentecostal preachers may tell us that there is an “evil god” causing Satanists to act the way they do, but I agree with Captain Farrell. It is merely an excuse to void one’s conscience and give in to man’s natural, depraved, demonic nature.

**TEXAS LAW ON SODOMY:** Something rare is happening in Texas! Apparently, a federal appeals court just recently upheld a Texas law that bans homosexual activity and makes the private sexual lives of Texas homosexuals illegal. Fines of as much as \$200 can be given to anyone convicted of common homosexual practices. Without a doubt, Texas will now hear from the nation’s burgeoning “gay” community.

And, by the way, speaking of the effect of immorality upon a nation, it looks like the time has come that the immoral have begun reaping some of their own “fruits.” Sodomites are running scared, and the public is beginning to shun them like the plague. AIDS, the sodomite disease of the immune system, is ravaging the “gays.” Rock Hudson is only one of the many in Hollywood who now have it.

The one thing that the media never tells you about AIDS is that the disease would die out completely, along with all venereal diseases, if people would stop illicit sexual practices. In a Christian society where people have only one mate, sexually transmitted diseases simply cannot exist. It has been said that “Aids is not a disease, it is a cure for sodomy and adultery.”

Instead of helping the American Public by figuring out a way to stop AIDS, the media and politicians are figuring ways to support those sodomites who have contract the dreaded disease. In other words, we are sponsoring the diseases instead of eliminating them.

**REAGAN'S TAX REFORM** is a farce! The IRS is nothing but organized crime, and any President who works with them is participating in the crime. If Reagan wanted real reform he would abolish the IRS, and then decide where to go from there.

According to what I've read, Reagan's tax plan offers little if any relief to the common working man. In fact, reliable sources have indicated that the new plan is mainly designed to eliminate you're having to fill out tax forms. Apparently, the "tax simplification plan" will put into place a system where the IRS will arbitrarily calculate everyone's tax, and just send them a bill. It will then be levied against your personal bank account by computer, and you will not even be able to object to their errors in calculation. Of course, there will be "those nasty people" who don't have bank accounts, who will have to be dealt with differently.

The bureaucrats may be thinking of trying a debit card system and the elimination of cash, thus making it impossible for anyone to stay out of the IRS computers. The beast system wants its mark on you.

**SERMONS IN PRINT:** We are in the process of putting several of Pastor Emry's taped sermons in printed form. The first one, **THE SEVEN SINS OF CANAAN**, is going to print. They will be available in a few days for an offering of \$1.00 each.

**CHRISTIAN BLUEGRASS MUSIC:** We now have a stock of cassette tapes by **LEGACY**. This group has recorded two albums titled: **SONS OF THE REPUBLIC**, and **JUDAH'S ADVANCE**. This is strictly Patriotic Christian music with a Bluegrass flare. It is lively, thought-provoking, and enjoyable.

**LEGACY** is unique in that their music is designed with the Israel Identity message, and is an excellent way to introduce the subject to thousands of people. They provide a variation from typical church hymns for those of you who like "mountain folk music."

**LEGACY** writes much of their own music, and they perform it skilfully. These tapes are available from us for an offering of \$8.00 each.

**PASTOR EARL JONES** is thinking of coordinating an information intelligence network and has asked for cooperation in sending to him any pertinent information that you may find in your local newspaper. He would then periodically publish a newsletter with the results of that information.

He is specifically interested in clippings from local newspapers having to do with local law enforcement and security. Articles on such things as illegal aliens, unexplained railroad derailing's, fires, explosions, riots, labor union problems, firearms thefts, bomb threats, assassinations, the use of Delta forces, NEST forces, SWAT teams, National Guard teams, and FEMA forces would be of interest.

Send the clippings to: Pastor Ear' Jones, Star Rt. 2, Box 39, Deming, N.M. 88030. Be sure to include the name and date of the paper containing the article.

**YOUTH BIBLE CONFERENCE:** The second annual winter youth Bible conference is set this year for December 27, 28, and 29th near Hesperus, Colorado. A church camp has been secured, and the facilities are good. Bible classes, fellowship, and preaching geared for young people (ages 13 and up) will be the order of the day. Parents also are encouraged to come.

Cost will be \$62.00 each. That includes 4 nights lodging and 10 meals. If you cannot attend the whole time, a pro-rated cost can be arranged. The camp is located near Purgatory Ski Area, and Telluride Ski Area so if you want to take a skiing holiday prior to or after the conference, you will be in a good area to do so. Plane and bus connections into nearby Durango are pretty good.

If you want to attend, write to: James R. Lambert, PO Box 279, Pleasant View, CO 81331 for registration form and complete information.

**PASTOR JORY BROOKS**, Pastor of Restoration Bible Church, is holding a conference October 11,12, and 13. The church is at 1728 Stanford at 11 Mile Rd. in Berkley, Michigan. The list of speakers includes Pastor Brooks, Jerry Wickey, Dallas Jackson, George Van der Mei, Alvin Hoffman, and me.

If you'd like to attend, or if you need information, contact Pastor Brooks at 313-399-8813 (evenings). If you need motel accommodations, he can help you with that too.

**DISCLAIMER:** Apparently some people are sending various materials (some not even ours) through the mail using our return address, and sometimes our envelopes instead of their own. We do not authorize such mailings, and are not responsible for it being sent to anyone. If you receive questionable literature in what appears to be one of our envelopes please ignore it.

**MOVING?** When possible, send us your change of address BEFORE you move to assure that your mailings will continue to arrive correctly. It takes a few weeks to complete the transition in our records, and if we don't get your new address until AFTER you move, some of the mailings will go to your old address and the Post Office will not forward bulk mail, so we get it back here with an extra charge for postage.

*Please*

Print your name, address, and zip code clearly when writing. The people who are opening the mail have a hard time trying to read some of the handwriting. This would help speed up the mail process. It will be greatly appreciated.

*Thank you*

**ADDITIONAL COPIES OF THIS NEWSLETTER** are available for an offering of \$2 for 1 copy, \$5 for 10 copies or 40 cents each for more than 20 copies. Do not order after six months from date as we may not have copies.

"Blessed be the LORD God of *Israel*; for He has visited and redeemed *His* people, And raised up an horn of salvation for *us* in the house of His servant David; as He spake by the mouth of His holy prophets, which have been since the world began; That *we* should be saved from *our* enemies and from the hand of all that hate *us*; to perform the mercy promised to *our* fathers and to remember His holy covenant; The oath which He swore to *our* father Abraham, That He would grant unto *us*, that *we* being delivered out of the hand of *our* enemies might serve Him without fear, in holiness and righteousness before Him, all the days of *our* lives." **JUBILEE YEAR:** Steps to recovery. 1986/87 is a Sabbatical year with the following year 1987/88 being the Jubilee year. According to Scriptural records, a Jubilee Year is a sacred year of complete liberation of all the inhabitants of the land under God. It is a year of joyful reunion and celebration when everyone returns home. All land lies fallow, all debt is forgiven, all monopolies are released, all prices are renegotiated, standards of value are restored, and farm lands are returned or given over to those who will work them.

It is a year when the principles which govern economic health are reinstated so that everyone can make a fresh start. It is the only positive and practical alternative open to a nation in bankruptcy, or one intent on long term economic health. *"Blessed is the Nation whose God is the Lord ...And Ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof!"*

**GOVERNMENT GRANTS:** Five grants for government projects in the International Year of Peace (IYP), 1986, will total \$570,000 said the minister for affairs, Mr. Hayden. The grants included \$140,000 to the CSIRO for research into the nuclear winter hypothesis; \$200,000 to the Australia Council to fund involvement by artists in IYP; and \$160,000 to the Department of Foreign Affairs for a documentary film on disarmament. (Christ said: *"He that hath no sword let him sell his garment and buy one"*, and also: *"When a strong man ARMED keepeth his palace, his goods are in peace"*.) A special grant of \$5million has been made to the South Australian Government to assist in staging the First Australian Formula One Grand Prix in Adelaide in November.

**ALIENS:** We are not the only nation to suffer alien invasion. In America in 1984 there were almost

100 aliens captured in Kansas but they were never deported. The Establishments excuse? There was no money to send them home. Meanwhile the Immigration and Naturalization Service has announced that it is going to grant "permanent resident" status to Cubans who came to the United States during the 1980 Mariel boatlift. Permanent resident status confers most privileges of U.S. citizenship and is a first step toward gaining citizenship. Once these Cubans gain resident status they'll be able to petition the government to bring an estimated 300,000 relatives still in Cuba to the U.S. And thanks to the Reagan administration this will be easier as a result of a friendly agreement between the White House and communist Cuba.

For a Bible-based view of treaties and agreements with heathen and communist nations, you should study our Bible Law Course! As for the reasons for all these aliens invading western Christian Nations you should hear our #7821 and 7822, *"Alien Invasion of Israel is a Judgment of God"*, and hear what the Bible says about it. (Available on loan if required or \$6 for the two)

**VICTORY:** Circuit court Judge Fred Bateman recently ruled in Newport News, Virginia, that the state of Virginia must pay \$7,660 in legal fees to Virginia realtor Paul Lotz, who had been accused of violating "fair housing" statutes by using Christian in his advertising. The judge ruled that the state had failed to prove that Lotz's advertisements broke laws banning discrimination.

The (Jewish) Anti-Defamation League of B'nai B'rith (an illegally un-registered lobby for a foreign government) had filed a complaint with the Virginia Real Estate Commission charging Lotz with discrimination. (Listen to our tape *"Who is the enemy of Christians."*)

**RED HEAT:** Soldiers at American bases are enjoying ham from Yugoslavia under contract with the Department of Defense even as American farmers are going under. According to one truck driver who delivers the meat, this has been going on “for years”. (The “shipmasters” of Babylon, who live off trading between nations, obviously want all nations to live on imports while exporting their own domestic produce. They also favour unrestricted world trade, and want to lift all tariffs and quotas.)

The following interesting letter appeared in *SPOTLIGHT* of April 29, 1985.

**FORBIDDEN:** In 1951 I was stationed near Munich, West Germany. One day my family and I drove out to see the notorious camp at nearby Dachau. We found the crematory area not open to the public and not visible from the nearest locked gate, There was nobody around, but a big sign states that admittance was strictly forbidden. In 1952 we tried again, this time finding it open and swarming with tourists peeking into every corner and buying lots of little booklets showing sketches of various horrors.

I was puzzled to note that the “gas chamber” was fairly fresh construction. I had once been a brick mason by trade and there was no mistaking the odor of the fairly fresh rich mix concrete walls, ceiling and floor. They were still dark green, not having had time for the Portland cement to cure long enough to fade to the grey found elsewhere. My guess is that the chamber was (in 1952) not over a year or so old. R.D. Russell, San Luis Rey, California.

**SHOULDEST THOU HELP THE UN-GODLY AND LOVE THOSE THAT HATE THE LORD?** Secretary of State George Shultz has announced that he is now ready, after months of holding up the process, to grant Israel \$1.5 billion U.S. taxpayer dollars in emergency aid to help it shore up its shaky economy. The \$1.5 billion supplemental appropriation is on top of the regular 1985 appropriation of \$2.6 billion in combined economic and military aid, all in the form of grants.

In addition, the United States has already agreed to provide Israel with \$3 billion in military and economic aid for fiscal year 1986. Since 1949, the year Congress began regular appropriations for aid to Israel, that tiny nation has received a total of \$64.9 billion (measured in 1983 dollars) in the form of military and economic assistance, low-interest U.S.-taxpayer guaranteed loans from the Export-Import Bank, tax-deductible contributions from individuals and institutions and the sale of tax-exempt Israeli bonds.

This interesting letter was in *SPOTLIGHT* of May 13, 1985.

**SPENDTHRIFTS:** Your article on tax simplification proposals being discussed in Congress really frightened me, It is obvious that big changes in the current tax system are coming our way, what with all the recent talk, but I can't believe that members of Congress, who have proven themselves to be spend-thrifts over and over again, will voluntarily reduce the amount of money they have to play with each year.

This matter is too important to be dealt with by Congress alone. I think it is necessary for every taxpayer to speak out now and let it be known that the primary reason for any tax simplification effort should be to reduce taxes drastically. Arthur Van Slyke, Chicago. (Amazing, is it not, that the U.S. and Australia have similar tax problems at the same time. It has to be the control of “world government” known as the “City” of Revelation 17:18.)

**CUT, POISON, BURN:** International capitalist Dr. Armand Hammer, descendant of a long line of Russian born Jewish traders and venture capitalists, 86, has pumped millions into orthodox cancer research, which has consistently promoted “Slash, poison and burn” (surgery, chemotherapy and radiation) therapy for the victims of the dread disease. But now that the multi-millionaire wheeler-dealer is himself dying of cancer, he has opted for natural remedies and is taking a treatment that includes the consumption of Chinese herbs. It's a treatment the profiteers of the American cancer establishment would rather you not know about.

The American Cancer Society (ACS) and the doctor's lobby known as the American Medical Association (AMA) are big backers of “slash and burn” therapy, which provides millions of dollars in profits for the doctors and researchers who promote the expensive techniques. But simple natural remedies of the type being used by Hammer are either denied the public outright through legislative action, or are ignored and pooh-poohed as either dangerous or ineffective or both by the same powerful forces who benefit from the suppression of these remedies.

It is ironic that Hammer should be one cancer victim who has turned to natural treatments, not only in that he is one of the big financial angels of the cut-and-burn crowd, but also in the light of the oft-forgotten fact that Hammer himself has a medical degree from Columbia University, one of the premier establishment medical research centers. The son of a convicted abortionist, Dr Julius Hammer, who was

one of the founders of the Communist Party USA, Armand took off for the Soviet Union shortly after the communist regime seized power there. He entered into a series of vastly profitable business deals with the government of Soviet dictator Vladimir Lenin.

Hammer is now a close associate of President Ronald Reagan, whose anti-communist rhetoric seems hypocritical, at least, in the light of his social and political ties to the communist-allied doctor-turned-international financier.

**HUGE BANK LOSSES:** A syndicate of slippery financiers is bleeding billions from the nation's banks. And despite its reassuring rhetoric, the Reagan administration seems helpless to halt the hemorrhaging. "Beyond replacing the stolen cash with taxpayers' money, there is little we can do about these huge losses," a treasury official told a *SPOTLIGHT* reporter. The official asked not to be identified. "Our efforts are now aimed only at preventing the breakdown of the banking system - no matter what the cost," he said.

*"Babylon is suddenly fallen and destroyed: howl for her; take balm for her pain, if so be she may be healed. We would have healed Babylon, but she is not healed: forsake her..."* Jeremiah 51:8-9

**WHO ARE THE TAX CHEATS?** At least 69 cases of income tax evasion in New York State have been turned over to a grand jury, the *SPOTLIGHT* has learned. That does not come as particularly shocking news at a time when federal and state tax collectors across the U.S. are attempting to crush a growing tax rebellion. The shock is that the accused tax cheats are employees of the New York State Department of Taxation and Finance and include many state tax enforcers.

*"And in her was found the blood of prophets, and of saints, and of all that were slain upon the earth."* Revelation 18:24

**KENNEDY ASSASSINATION:** It appears that International Mega-bankers are to be seen behind the murder of John F. Kennedy. Harold Weisberg, considered by many to be the dean of the assassination buffs and who independently examined the slaying of President John F. Kennedy for more than 15 years, has concluded that the international bankers and Industrialists who reaped billions in profits from U.S. involvement in Vietnam and other so-called "limited wars" were the men most probably behind the successful plot to kill Kennedy.

**RATE CREDIT CERTIFICATES:** While we have a wide variety of material pointing out the errors in the present money system which is available from an equally wide variety of sources, very little information is available as to what to use as a medium of exchange when conventional "money" gradually "dries up" due to it being swallowed up by banks in the form of repayments of loans plus interest. As people and governments stop borrowing more money into circulation, everything will grind to a halt, and chaos will result, unless some other form of exchange is instituted quickly.

On the local scene, the problem could be solved by local councils printing up "rate credit certificates" which could be paid into circulation by the councils, by paying its employees and others (accounts) in the local area. Shops and businesses would accept them, as they could in turn use them to pay council rates when due. It should not take more than 1 or 2 days, in an emergency, for a council to get these certificates printed.

Those of us who are aware of the present collapse of the money system must do what we can to educate others, including local councils, into what measures can be taken when necessary. An ideal source of more information on this (as well as, or in place of "War Cycles, Peace Cycles" mentioned last month) is the booklet "Money, Bona-fide or non-Bona-fide?" which we have available for \$2 each posted. Well worth the study.

**TAXES:** Many people are refusing to pay taxes. Some feel the tax is unfair, unconstitutional, and illegal, or does not apply to them. Some of these people are going to prison. What does the Bible say about taxes? Did Jesus Christ, the Apostles or early Christians pay taxes? Should a Christian be concerned about the use of his tax money? Should we fight against unconstitutional taxes or improper use of lawfully owed tax money? What are the "things that are Caesar's?" If these questions interest you, consider doing the Bible Law Course distributed by us, as it will give you some pertinent answers. The first two lessons are free to readers of this newsletter who request them.

**RAPTURE:** For those interested in the "Rapture" question, we now have available as well as our previous booklet titled "*The Rapture of the Saints*", a booklet titled, "*The Rapture of the Wicked*". It is well worth the \$1.50 each posted.

**WHO IS TO BLAME?** Anybody who still thinks that "Satan" or the "Communists" or even the wicked "Jews" are responsible for all the problems facing the Anglo-Saxon-Keltic nations of the West, should send me a 65c stamp and I will send you a free copy of **"THE BIBLE SAYS RUSSIA WILL INVADE AMERICA AND BE DEFEATED"**. This offer stands until the end of 1985.

**"IDENTITY" BOOKS NOW BANNED IN CANADA:** We report from The Canadian Intelligence Service, August 1985:

"The British-Israel people in Canada, and the 'Covenant' people in other countries, believe that they are the descendants of the Lost Tribes of the Israelites of Biblical times."

But if we are the Israelites, then who are the Zionists who are today laying claim to Middle East Israel? They would have to be usurpers.

"At any rate, the latest list of books banned by Canadian Customs indicates that British Israel literature which proclaims the "Identity" message is now "hate" literature."

"Someone certainly seems determined to hide or cover up something."

That last comment is very true indeed. The truth, which was known by most of our ancestors of a hundred or so years ago, has been taught out of them by the clergy. But remember that it is the usurpers mentioned above, who have managed to infiltrate the high positions in the churches and theological colleges who are responsible for that. As for who they are, by reading John 8, we can see that Christ makes a distinction between the 'seed' of Abraham and the 'children' of Abraham.

The children are those who were promised, Isaac, Jacob, Israel etc. and the seed would have been the Arabs, Edomites, and the descendants of the sons of Keturah. The king and high priest at the time of Christ are identified as Edomites. Today, those descendants of Esau (also known as Canaanites) have mingled with those who call themselves "Ashkenazim" and are descended from Ashkenaz son of Gomer, son of Japheth.

So you see, these are not even "Semites" although they always scream "anti-Semitism" whenever one speaks against them. For further information on them read Elizabeth Dilling's book: **"THE PLOT AGAINST CHRISTIANITY"**.

**THIS EVENING'S TV NEWS:** A father of seven children under ten years of was age shot dead by police in a caravan park in Queensland, because he picked up a gun to stop them from taking his children

away from him! The Bible demands the death penalty for kidnap. Who is responsible? The state does not have the right under ANY circumstances to remove children from parent's custody!

**CASSETTE TAPES:** These are made available to everybody on a loan basis, and must be returned within a reasonable time for re-use in the tape ministry. Those who have made arrangements to keep all the tapes should ensure that they do not fall behind with their contributions, as it gets difficult for us, then, to pay our bills. If you have any loan tapes outstanding, please be good enough to return them soon, and if you are behind in your contributions, please send a cheque or money order to catch up. Many sincere thanks.

**OFFERINGS:** I would also like to thank those who send regular offerings to this work. It helps us to pay our bills, and expand our range of material, and to reach out with free material to new people. Those sending in names of new people to contact please enclose an offering towards that end.

**HEALTH PRODUCTS:** On page four I have copied some herbal information that may interest you. The herbs are available from REJUVINATION HEALTH PRODUCTS of 6 Westwood Drive, Bayswater, Victoria 3153. When you write to them about this, tell them where you got the information. They also have other vitamins and health products available, and will send prices and quantities available on request.

**CHILD TRAINING:** For those with children, you might like to study the book, **"What the Bible says about ...Child Training."** It is an excellent Biblical view of how to bring up children. Only a few copies available for \$11.55 posted.

**VIDEO CASSETTES:** I have also included an order form for video cassettes. If any of the titles interest you, please order from Larry Hanigan, 24 Lucy Street, Milton, 4064. **DO NOT ORDER THESE VIDEOS FROM CHRISTIAN IDENTITY.**

**THANK YOU:** A sincere thank you to all who write to us, please keep doing so, even if we get a little slow at answering. Thank you for your support, and may God Bless you.

In Christ,

*Hendrik (Hank) Roelofs*
