

BABYLONIAN WINE

FOREWORD

Before reading this book: There will be some who read this who will find some parts of it hard to deal with and may see it judgmental over something that may have happened to someone they know. They may say that the writer of this book is saying that that someone who has befalling some great ill is rightfully punished by God. Please take note; that is NOT what the writer is saying. He has not written this with some sense of smug righteousness.

The book was written to show that God is the same yesterday, today and tomorrow and his laws are no different to any laws of physics in so much that there is cause and effect. Be it a cause and effect on an individual level, or on a greater national level. That is why God states, it rains on the good and on the evil folk. What this means is that the way of a nation, it's national behaviour and dealings, pours down on all, be they good or bad folk. The curses on a nation touches us all, and this book is designed to show that events seen as mishaps and flukes are actually tied in with law and the effects of law, often on a national level, coming upon many on a personal level. Many often ask, where is God in all this? This book scratches on the surface to the answer to that ask. Jesus says, "Repent and believe the gospel. (Mark 1:15)" "But unless you repent (change your mind for the better and heartily fix your ways, with loathing of your past sins), you will all die." (Luke 13:3)

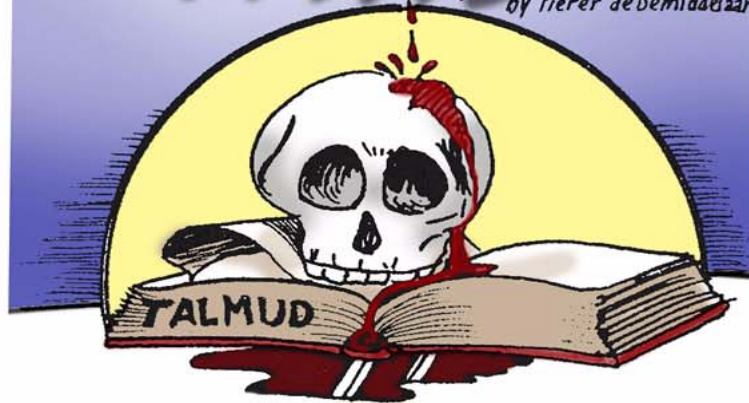

**See, I set before you today life and wellbeing,
death and fordoing (destruction).
For I command you today to love the LORD your God,
to walk in his ways, and to keep his commands,
decrees and laws; then you will live and increase,
and the LORD your God will bless you in the land you are
going into to take**

**But if your heart turns away and you do not heed,
and if you are drawn away to bow down to other gods (law givers)
and worship them, I declare to you this day that you will
certainly be fordone (destroyed). You will not live long in the land
you are crossing the Jordan to go into and take.
This day I call heaven and earth as witnesses against you that I have
set before you life and death, blessings and curses.
Now choose life, so that you and your children may live
and that you may love the LORD your God, listen to his voice,
and hold fast to him. For the LORD is your life,
and he will give you many years in the land he swore to give to your
fathers, Abraham, Isaac and Jacob. Deut. 30:15-20.**

FOREWORD

BABYLONIAN WINE

by Pieter de Bemiddelaar

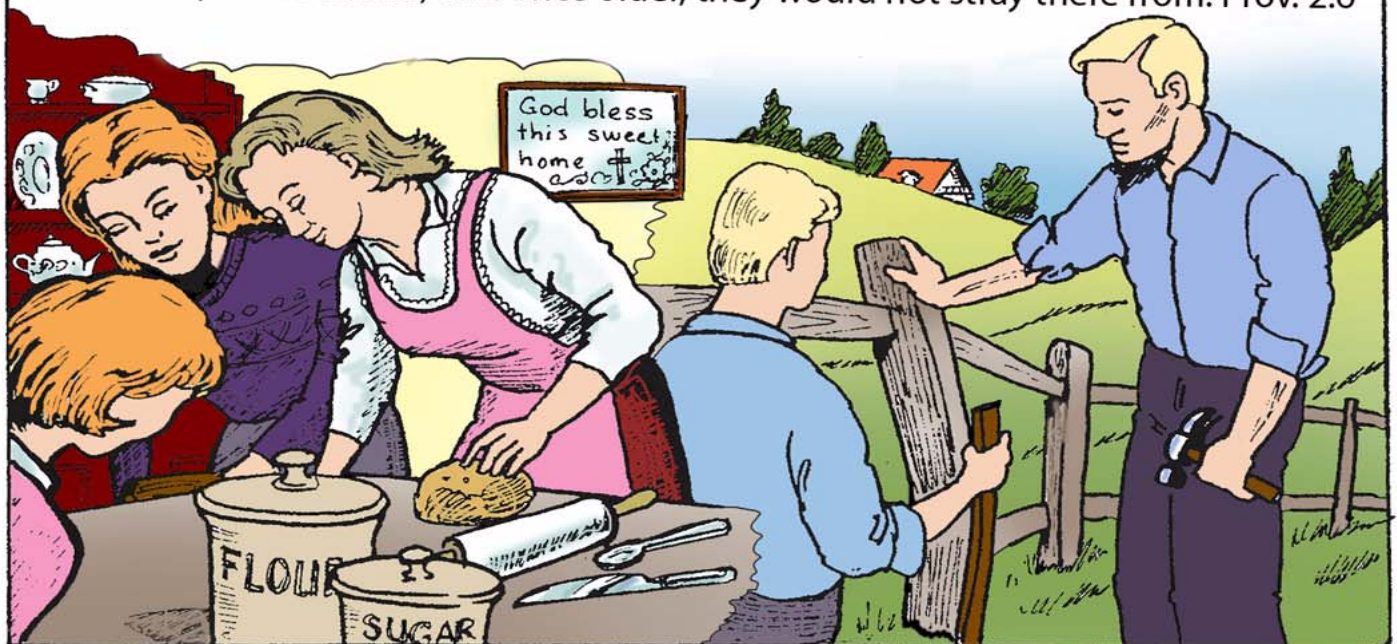

Once upon a time when our folk had good food and built goodly homes and owned them, when our flocks and herds, silver and gold increased, our hearts were lifted up...& we forgot the Law Giver (God) who took our forebears out of bondage...
Deut. 8:12-14

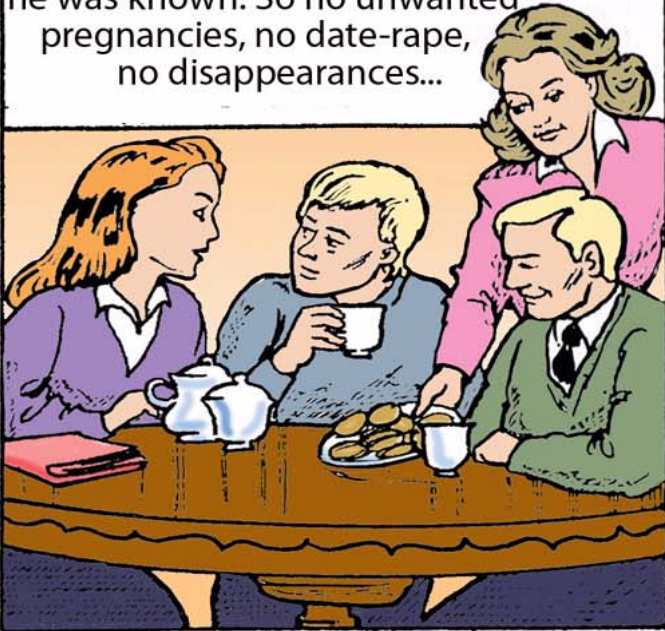

Cause the problem upon them & then give them YOUR solution...at a cost!
"thy traders were the great men of the earth for by their sorceries were all the nations tricked" Rev. 18:23

Before the troubles, Men were 'breadwinners & fathers'. Women were mothers who worked at home & their children grew up to do likewise. Girls helped 'Mum', learning to become 'mums' and wives. Boys helped dad, learning to become breadwinners & true husbands. Men heeded God, women heeded their men and children heeded parents. Parents trained their children in the 'Way' they should go (not the state and the schools, or the media) and once older, they would not stray there from. Prov. 2:6

Teenagers didn't date. If a boy liked a girl and he was deemed fitting by her parents he then politely visited the family. The only time the young couple could be alone together was not until AFTER the wedding because by then he was known. So no unwanted pregnancies, no date-rape, no disappearances...

Yet this was a problem for the international traders because families rarely needed their goods or services. Peddlers were once an underclass which they wanted to change. So they set out to have us believe that our Sweetness was bitterness of life. In this way we would need their "grapes" but which are "grapes of gall, their clusters are bitter" Dt. 32:32. For they call good, evil & evil, good; they put darkness for light and put bitter for sweet & sweet for bitterness. Is. 5:20.

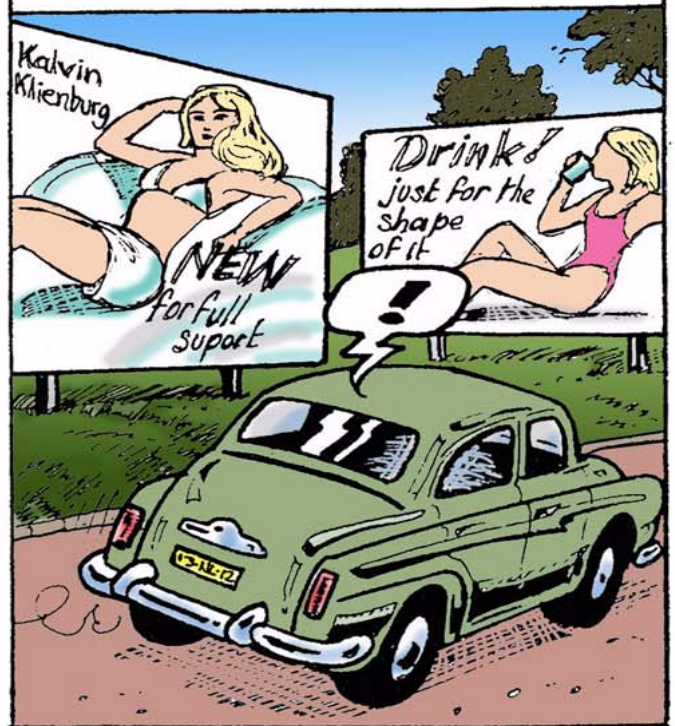

And so, as in ancient times, the leaders, priests, and the media, "walked not in the way of God, but turned aside after money and took bribes (from the international peddlers/multinationals) and hindered righteousness." 1 Sam. 8:3
So they served the peddlers (multinationals) instead of we the folk and we became their 'suckers'.

The way was clear for them to blitz us.

Hey Sister! Is home life holding you Back? Cut loose! Earn your own money, be dependent on us...er...I mean...er... be independent from a man... We'll help you go a long way!!!

Their Blitz is everywhere and also targeting men to covet other women with froward (perverse) imagery...

The movies are all owned and made by the peddlers, their code for life is shown as being normal...

Come on Luv...

But what about your wife?

What she doesn't see can't hurt her, and what about your husband? Hmm? Besides this feels good!

The peddlers also run popular music, its roots in voodoo beat. Saxons (from Saka-suni, meaning Isaac's Sons, ie Lost Israelites) were forbidden to learn from the heathen (Jer. 10:2). The peddlers of ancient Edomites would teach us heathenism through modern art, pop & pop culture, putting bitter for sweet.

We can be late, your mummy & daddy can wait...I wanna be your lover baby.. Lay down Sally..I want a slow hand...

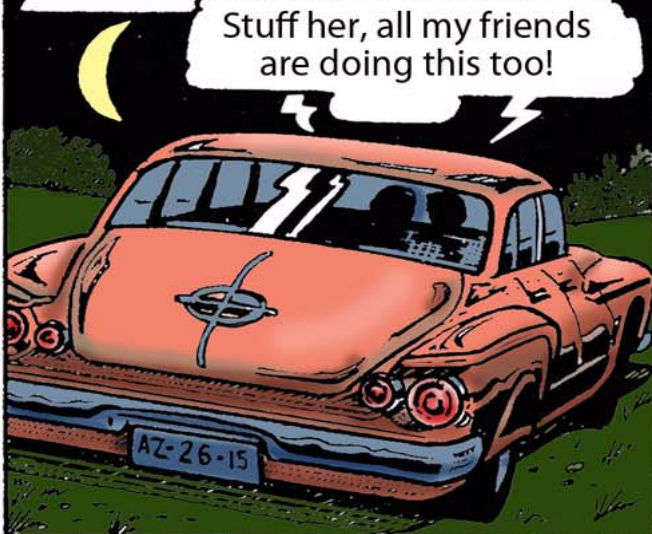

Jump in my car, I wanna take you home
Brown Sugar
(Heroin) just like a young girl should

Our folk no longer felt that children belonged to the Lord and thus no longer had to heed their parents. Dating and mating became a recreational thing to do. Sex and no offspring was the aim. Hey, their parents were thinking likewise!

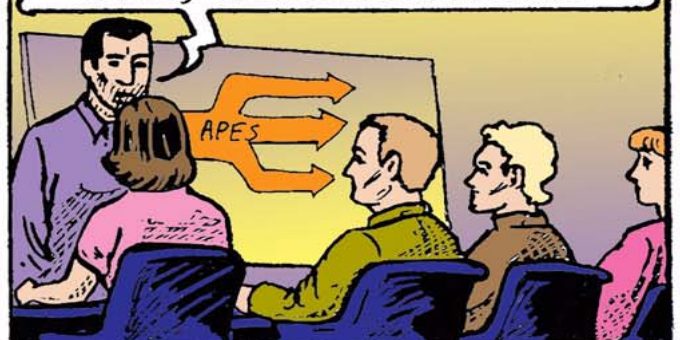

Ha Ha...what would mum say?

Stuff her, all my friends are doing this too!

Parents dumped God's Law as they wanted their children to be 'MORE' than 'just' Mums and Dads. Daughters more so 'could do better' than having children. Such parents created the Generation X, basically a generation of extinction whereby the heathen would take over all we have. Our folk loved to be trained in Peddler Tripe!

God is for fools...you are all animals from where you evolved! Our next class is about same-sex rights. We'll have two men demonstrating alternative activity of different ethnicities...

Modern parents allow their children to be 'modern' but are then upset when their 'kids' behave as beasts...

What do you call this, you go to bed as I set off for work!?

Give it a rest mum! You're never home, always at work when I need you. Dad asks you to stay home, do listen to him? (the child shall behave proudly against the parents. Deut. 28:41)

They begat sons and daughters but are unable to enjoy them...Deut. 28:41

With men no longer the traditional breadwinner, they are not seen as wise protectors but are scorned as being witless. Now women rule and their children are their oppressors... Isa. 3:12

If you don't let me date Brian, I'll leave!

Are you going to let her talk to you like that!? You useless git!!

BUT! BUT! I...

The family is drunk on 'Babylonian Wine'. The old laws are seen as dumb & unfit for a 'modern world' & pride forbids Saksons from admitting their folly! Family members are split, such a home cannot stand (Mark 3:25). Women are wroth with their husbands and children, and husbands are likewise wroth with their wives and children (Deut. 28:54 & 56). They have no understanding for how men and women are to behave in oneness, all their ways are in darkness.

By causing the problems, the peddlers have laid bare our weaknesses. In turn they offer their addictive 'peddler cures' to dull our pain, all the while, never letting us know the way out. We are trapped in their web of fleecing goods and services, all laced with gall...

...this is their latest hit...

More sport highlights after this break...
...Oh what a feeling!

And so we gobble up the peddler's cures with lust! Buying goods is not a sin.

But our folk began to buy for the sake of buying, to fill an emptiness deep within yet not understanding that the emptiness is there at all! We have chosen death (empty life) rather than Life (fullness of life) because the peddler's cure is designed to enslave. Deut. 30:15-20.

Look, I've got some stuff to brighten up the party. It's not too dear to buy, what do you say?

Only \$80 a week you say? That's not too dear.

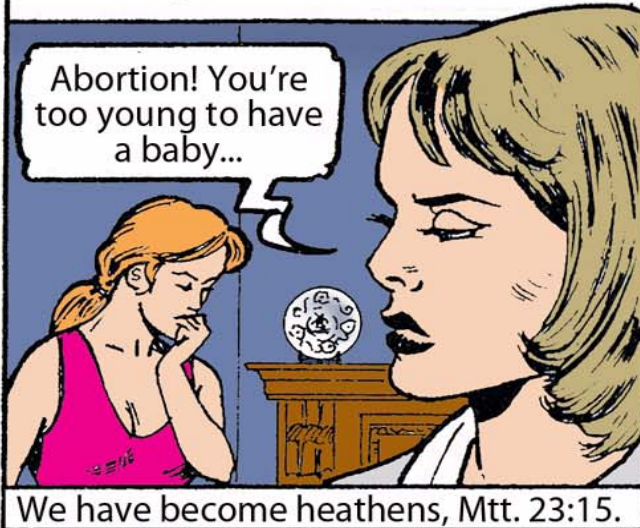

Womans Day... She Mag... Cosmo... Oh the modern woman

And so our wealth flows into the Towers of Babylon as our folk did what seemed right in their own eyes (Judges 17:6) and the alien peddlers in our midst rose high above us becoming the head and we became the tail, they lent to us and we could not lend to them (Deut. 28:42). This bitterness all but fordoes us, yet nevertheless we would rather make our own laws rather than heed God's Laws (Deut. 28:45). Our folk now live with angst (Deut. 28:28& 29) and groped for answers in emptiness being robbed daily because we'd rather yield to parliaments, a false god, rather than yield to God. So we now thane (serve) those who hate us. (Deut. 28:48)

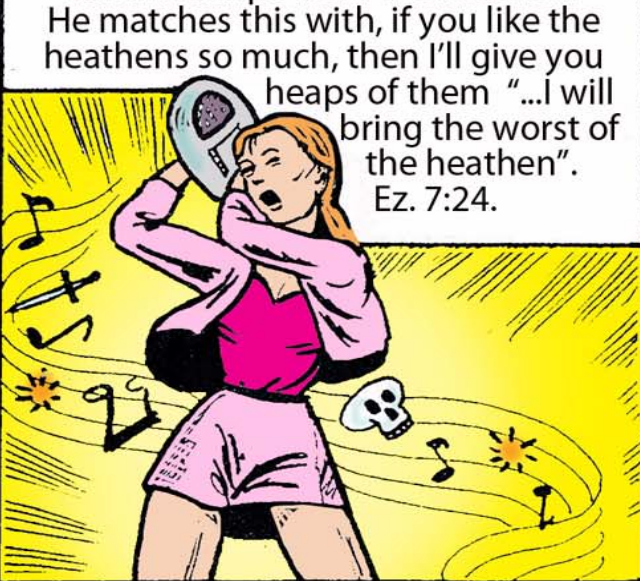

After playing the trollop with one boy after another, she finds one to 'shack-up' with. Not yet 16 she's pregnant. Her parents are outraged. They'd rather she had a career than a baby. Their answer? Punish the innocent to spare the guilty, and so now they have become murderers. (Is. 1:21). (Most slaughtered babies are Saksons)

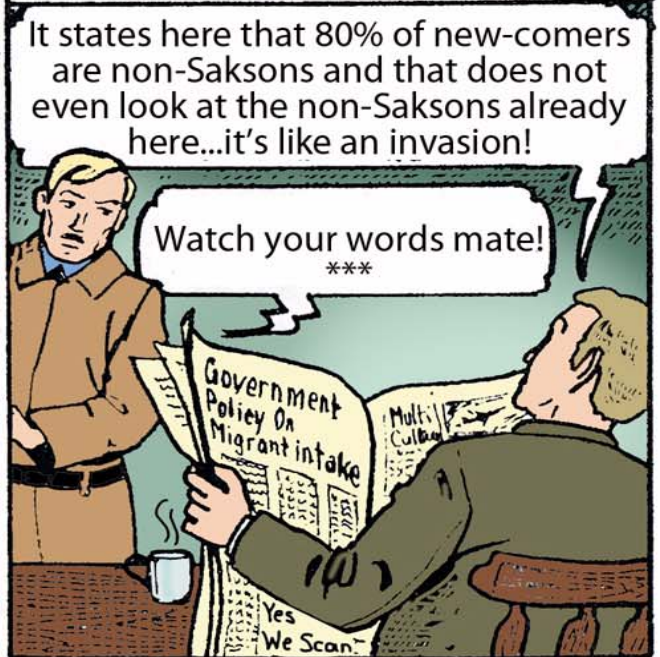

We wanted to choose our own kings, PMs, or Presidents rather than have Jesus as King and Law Giver & so God sees to it that we will bring our children to the murderers who will "slay the fruit of our wombs" (Hos. 19:13&16). Hereafter, robbed of her child, she cries often at the sight of babies. Her Edomite doctor (posing as God's chosen) gives her Edomite Peddler's drugs, and therapy...

Yet after all these woes, we would not change our ways, we saw God's way as stifling. So we seek comfort in more gall 'cures' from the Edomite Peddlers in the heathen Reggae, Hiphop, Rap, Jazz, Rock, Heavy Metal, Pop and 'modern arts. God takes steps to this gluttony for more tripe from the heathen. He matches this with, if you like the heathens so much, then I'll give you

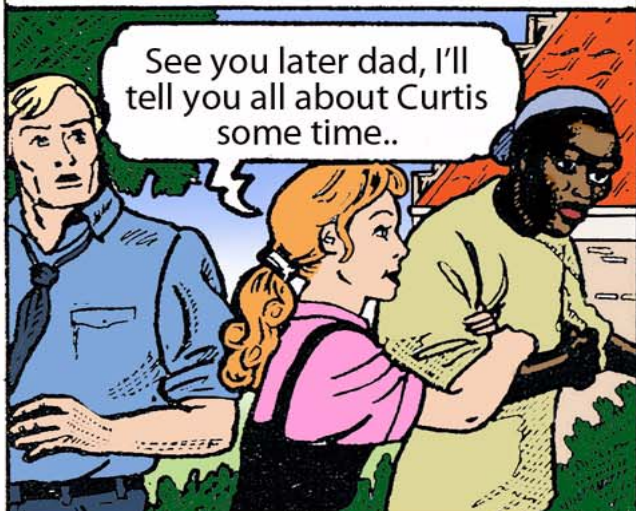

The foolish priests saw this curse as a blessing, fighting to uphold it under the guise called, Multi-culturalism and punishing those who speak against it. Worse still, they do all they call to bring more of them into our lands!

*** When the wicked beareth rule, the folk mourn. Prov. 29:2

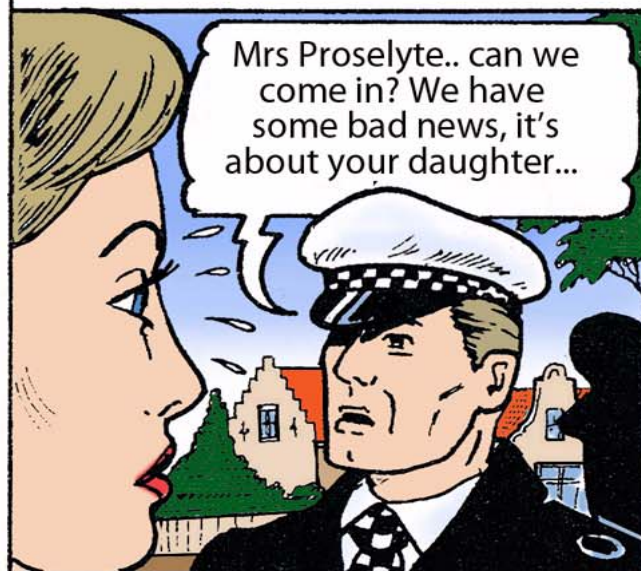

Emboldened with heathen therapy and a new 'boy friend' to match the fashion of what is 'cool' by the norms set by the Peddler's films, music videos and sport, she thinks this non-Sakson in the way to go...

See you later dad, I'll tell you all about Curtis some time..

Thy children shall be given unto another people & thine eyes shall look & fail with longing for them. Dt. 28:32

But Curtis lost his temper with his "Cracker Bitch" one day and stabbed her 20 times. Rather than heeding God's law not to mix with the alien, she paid the full price of going for the ways presented by the peddlers.

Mrs Proselyte.. can we come in? We have some bad news, it's about your daughter...

For the breakers of God's Law, God visits the children to the 3rd and 4th generation (Ex. 20:5, 34:7. Num. 14:18 Dt. 5:9). Not only does Mrs Proselyte not change her ways after such a loss, her children are as stiff necked. Dad believed Mum had more rights so Mum had greater say in matters of the home, her son had no male role model and he felt that he needed 'men' now he is on the Mardi-Gras main float.

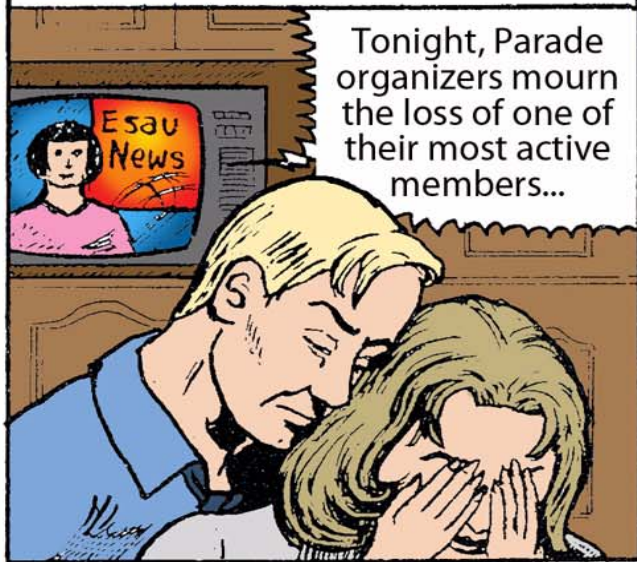

But he does not admit to himself that something is missing, and he goes from one same-sex relationship to another as being homo is without the complementary gender in ones life. No amount of same sex can form a bond whereby the two can become "one flesh" through procreation...

One day he doesn't feel too good. The system had him believe that being 'queer' was a matter of choice, never thinking that God made some folks be 'homo' as wrath for spurning God's law & worshipping the creature rather than the creator. Thus God GAVE them over to homosexual ways so that men would burn with lust for men and that women would do that which is unseemly, giving them up to a wanton mind.
Rom. 1:18-32

A week or so later whilst watching the 'image of the Beast (system) that was given the might to speak' (TV., Rev. 13:15)...Mr and Mrs Proselyte learned of yet another death in their shrinking family...

Tonight, Parade organizers mourn the loss of one of their most active members...

The Peddler media, sure of its might begins to boast. Its people lift their heads high above ours, the tares lift their heads above the wheat (Mtt. 13:37-43) and they forbid us to stand up for our own kind, to do so, they say is racist and call us Nazis, speaking out is called a hate crime. Yet the non-Saksons can shout, 'Kill the Boer' and far worse...yet that is not racist!

..the football star was ordered to pay a hefty fine and make a nation-wide 'sorry' for his racist remarks that could end up costing him his career...

Yet every day Sakson-Israelites are killed and mugged and raped but such evil deeds are never called racist, and if told on the news at all, then these are played down as justifiable deeds done in desperation... and slander of Whites is not rebuked and promoted such as twice broadcast words by an Indian Nth Am Poet, "Whites practice their religion in toilets" or their king mocked as a model in urine called "Piss Christ" and other sick comments...

Whites are obsessed with mixing faeces with urine

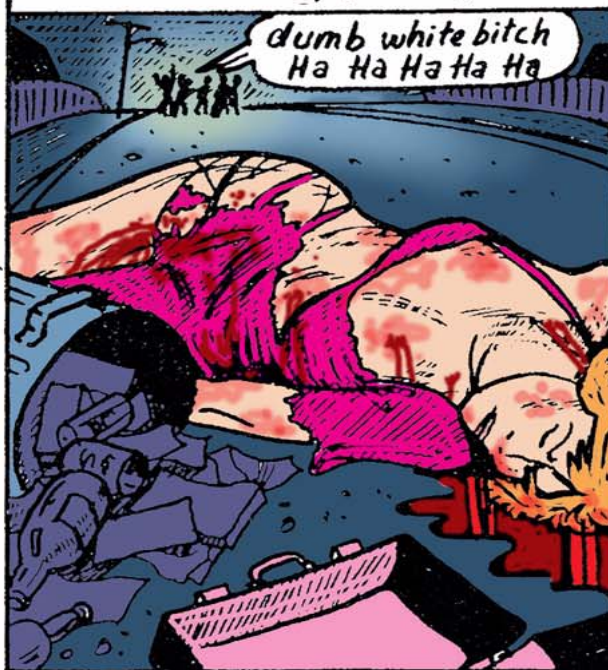

Outraged by so-called White racism the Proselyte's other daughter sets off to the Black townships of Suid Afrika to help the Blacks in there struggle against the 'evil whites' there. One evening on her way back to her hotel...

*this T-shirt motto is real! Settler means a White person

Blood is thicker than water, a lesson our folk sadly learn the hard way, snubbing God's Law to be apart from the heathen. The law teaches to love one's own kind and says; Shouldest thou help the ungodly? Therefore is wrath upon thee from before the Lord (2 Chr. 19:2) & cast not what is holy to the swine and dogs...

...who will later turn against you (Mtt. 7:6). The Peddler's gall is at work. the outcome of their hate against our folk, honed to kill us in the time of our calamity (Ez. 35:5)

Mr. and Mrs Proselyte have only just come home after the burial of their second daughter when the phone rings

Hello... Yes Don... that's not so good, I'll come right over!

Don is Mr. Proselyte's brother and he is a farmer. The Peddlers control the prices he can fetch for his goods. To keep up costs, he needs to grow more, most of which goes to feed the 'strangers' in lands once productive when Saksons ruled. The non-Saksons there 'ethnically cleansed' us from the 'colonies' yet we 'must' feed them Deut. 28:30 & 31

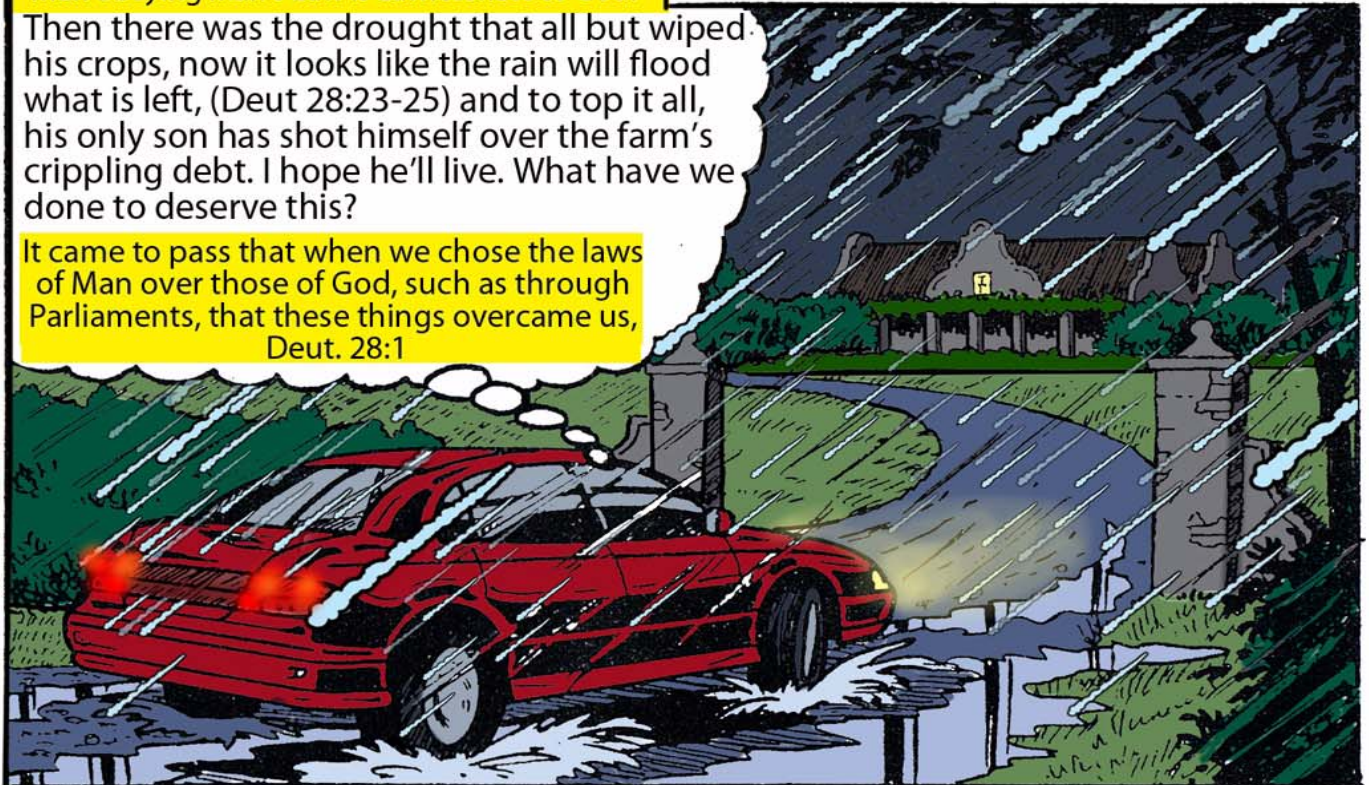

Poor Don, last year they made him slaughter over half his livestock to keep the meat price up and he is also trapped into buying hybrid seeds that are linked to the chemical company's weed control. it's all too dear for him...

Re text below (Dt.28:23-25) ; We blame climate change on Greenhouse gasses, yet it's God's answer to Man's lawlessness, that is to say, Man obeying Man's Law is Lawlessness to God.

Then there was the drought that all but wiped his crops, now it looks like the rain will flood what is left, (Deut 28:23-25) and to top it all, his only son has shot himself over the farm's crippling debt. I hope he'll live. What have we done to deserve this?

It came to pass that when we chose the laws of Man over those of God, such as through Parliaments, that these things overcame us, Deut. 28:1

We are given a certain time to change our national ways, the longer the change takes, the longer this sin (lawlessness) is tallied as debt, when that debt can not be met God forecloses on the nation.

As he steps from his car, his brother comes out to greet him with the bad news...

Well Don...
How is
your son?

I...I just had a
call from the
hospital...
h...he did not
pull through...

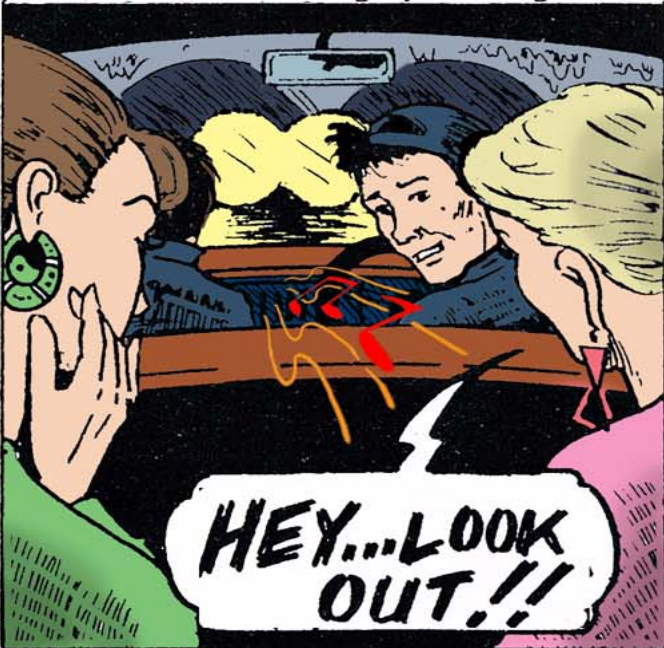

After spending some time with Don, My Proselyte drives back home...

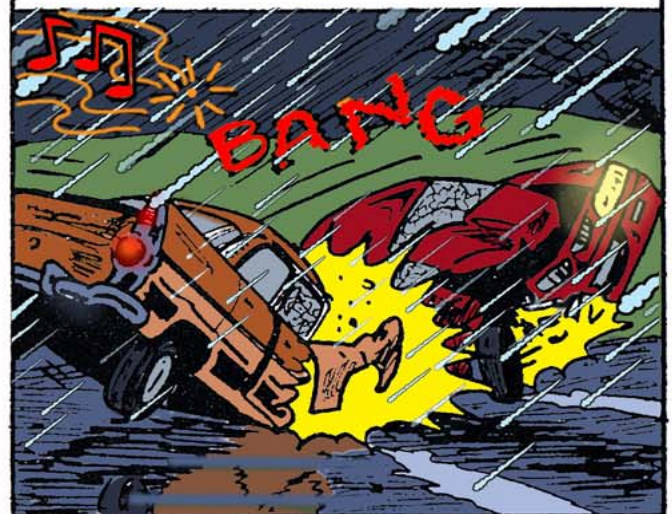

But speeding the other way is a car of partying teenagers...

..who are enslaved to the 'Peddlers' bitter 'fun'...too much folly, drinks, drugs, and mind altering heathen music. Sadly, too many never wise up and when they do, it's too late... Woe to the crown, that pride of Ehraim's drunkards..the pride of those laid low by wine, see the Lord is mighty & strong. Is. 28:1

The youngster's car slams into the right side of Mr. Proselyte's car making it spin then flip over, both cars rip open with all being slung to their deaths. ...for death hath touched most households and even the young are plucked from the streets, their bodies like waste are fallen in the fields... Jer. 9:20-22

*worth reading al of Ez.34.

At the grave side the preacher at last has a captive audience. This is his chance to preach, but his words are untrue and thus cold comfort...

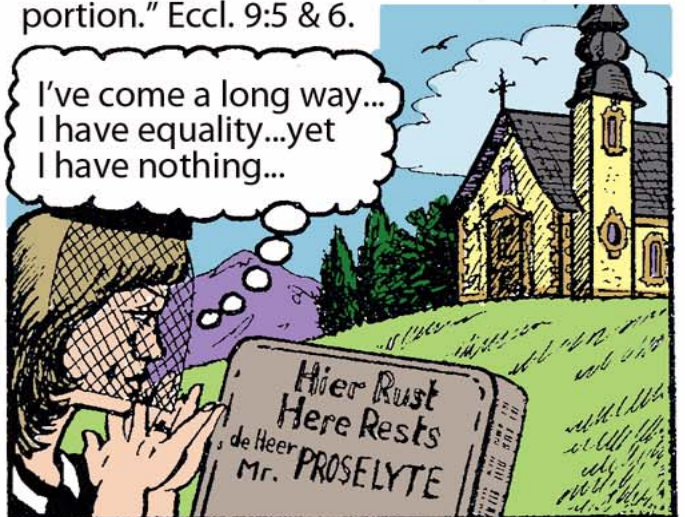

However, today he is in heaven...**

** but heaven is a term the priests misuse. In the Bible it means 'a place of God's Law' or 'God's realm. It can be anywhere where that law is heeded and meant

to be here on earth. Mr. 'P' already was in heaven when he was alive but the priests hide this detail from us so the folk do not aim to do God's will in this realm. Instead many hope for a make-believe heaven...

The Bible says that the dead have NO reward: "the living know (having awareness but)...the dead know nothing (having NO awareness)...neither have they any more portion." Eccl. 9:5 & 6.

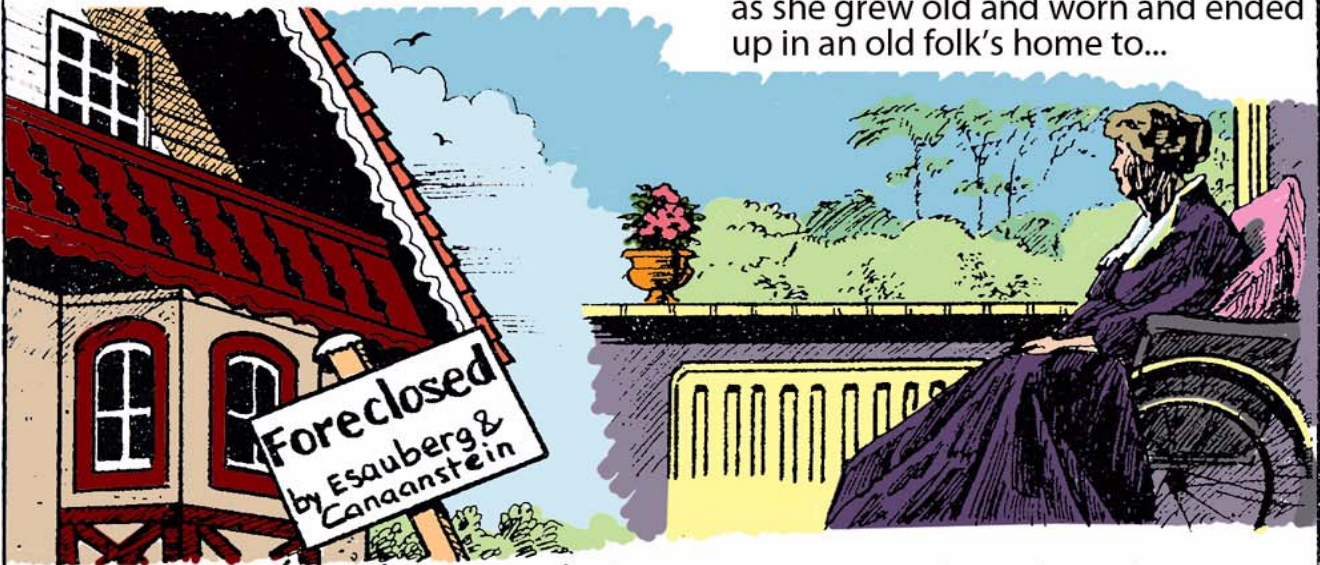

That evening she comes back to an empty house, all thanks to the priests who have taught us to forsake God's Law. They have been busy feeding 'wolves' overseas (raising funds for the heathen) & praying for governments run by man's law and feeding themselves. The Bible condemns the church ministers who all do this and teach the way of Balaam (multi-culturalism, Ez 24 & Rev 2:14). When our folk at will call on God it will be too late and he will refuse to hear our bidding to Him (Is. 55:6). God gave us the priest craft to meet our heart's wants, a rotten priest craft because our folk chose to believe our own lies rather than God's truth... (Jer. 25:13 > 17) so that we should believe lies.

The churches told us that God's Laws were 'nailed to the cross' when in fact it were the laws against us, "MAN'S Laws", that were nailed to the cross. God's Laws were never against us as these were the way to wisdom and life. Man's Laws are the 'Broad (-minded) way that leads to death as this family has found out the hard way...

God gave our folk the dominion mandate, but instead we gave this away to the 'peddlers' who the churches wrongly cal God's Chosen folk and so they now rule over us instead of us ruling. They take our lands, our homes, and our lives. Mrs. 'P' had to leave her goodly home as she grew old and worn and ended up in an old folk's home to...

...pine away her days in loneliness, wishing every minute to have done things another way. But she had been hoodwinked by the lies of the system she thought was so good and her own lies that matched the system's reasoning. All that now awaits her is the grave where the dead have no reward, where they know nothing...

Our folk can never get enough of voting. The system began for us way back in the time of Samuel (1 Sam 8:6) when our forefathers cried, Give us a king like the other nations. God said to Samuel, they have not rejected thee, but me. Voting is a system of rejecting God whereby Man rejects God and his Laws and installing men with their laws. Voting for kings/pm's and presidents is a heathen practice, and it means that when we take part therein, we make a heathen way the chief of ways in our lands. Seeing that Saksons/Israelites were to be the bride of God, by voting, they commit fornication by yielding to other Law-givers (gods). That is why God called his folk a harlot. We are a nation/race of whores voting which wolves will eat us.

The whore that rides the Red Beast System of Esau is our race. They have rejected God.

These are samples of ancient art from India to Western China. In many ancient paintings up until around 1000AD, such as these we see many races together. We see fair/blond types with brown and black types.

It is what we call today, multi-culturalism or the Melting-pot. These images of 1000 years ago of India and surrounds could now also be reflective of modern Europe, North America, Australia, and New Zealand. So what will be the outcome of the Melting-pot as we now see in our lands?

The answer is simple, look at India now a 1000 years after it began there. What do we see? A land that is filthy, poor, and mayhem. The whites of India are bred out into extinction, hybridized into the darker races they so tolerated, and happily mixed with and bred with. Now they are gone and the comeliness of civilization and high art and an orderly well-off society went into extinction with them. Only hybrids outlive the melting-pot and is genocide for the whites who take part in this.

Those who push multi-culturalism are selfish witting or unwitting butchers and murderers of a whole species of people, namely, the Saxons, commonly called, Whites. Their agenda and harmony-dreams always lead to genocide for Whites, and they don't even care. They think it leads to a better world of peaceful hybridization, but it always leads to butchery and every melting-pot has ended in genocide. The diversity they dream of always ends up in a mono-culture whereby the most cruel and mean slay the meek. The Bible warns us to be holy and thus sundered from other races and forbids the hybridizing of all of God's created species.

The last whites of San Domingo (which later became Haiti) believed the blacks when harmony was promised. The White commissioners of the colony wrote a letter (the words shown here right) to the black terrorist leader, Louverture, in 1794...

*Bless the National Assembly
(Proclaiming) that the distinction of colour
is no more: that a negro is as good
as a white man: a white man as
good as a black*

Yet the bible says, "What part hath he that believeth with an infidel?"

2 Cor. 6:15-17

In 1800 the Blacks began to slaughter the mixed bloods despite Black leader, Louverture's general pardon. They were systematically tortured to death with over 10,000 being bayoneted...

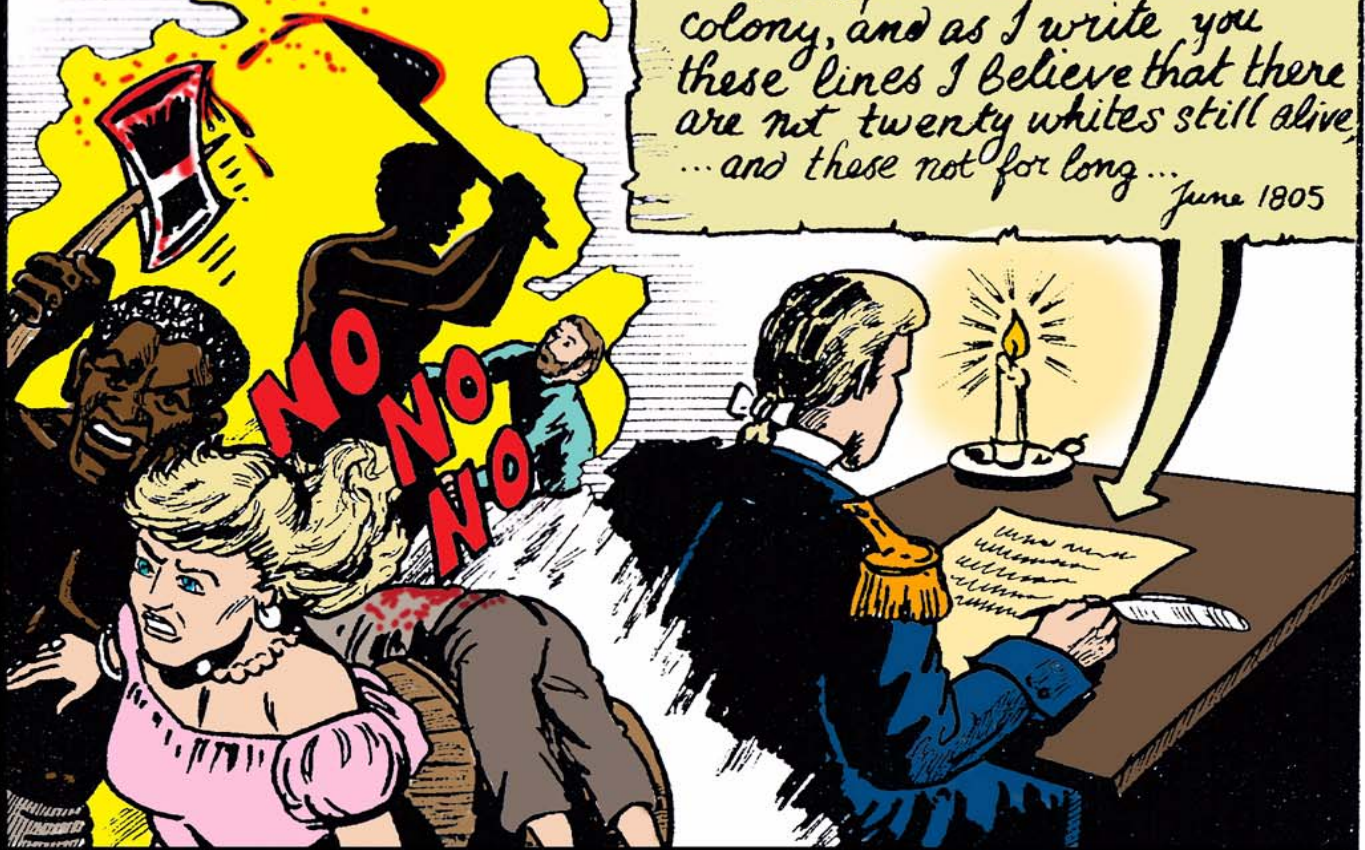

Under the negro, Dessaline (Louverture's underling) the towns were emptied. In one night 800 White women and children were slaughtered simply because they were White!

If thou hast stricken thy hand with a stranger (non-Sakson), thou art snared. Prov. 6:1,2

In 1803, the monster, black supremacist, Dessalines cried independence from France. In 1804 the mixed bloods were all but killed off. The Blacks then said that the whites still alive could stay (in that land THEY built) without fear. Yet, in the history of race, the pledge meant little and on April 25, 1805, the order went forth to Ethnically Cleanse the island of ALL Whites (Sakson-Israelites). A French officer, the very last White left wrote the following in Port-au-Prince...

The whites were finished off en mass, without exception have been massacred down to the very women & children. A mulatto named Fifi Pariset ranged the town like a madman, searching houses to kill the little children. Many of the (white) men and women were hewn down by sappers, who hacked off their arms and smashed in their chests... others were mutilated, others disembowelled with knives or sabres, still others stuck like pigs... a great number were drowned... The same wholesale slaughter has taken place all over the colony, and as I write you these lines I believe that there are not twenty whites still alive... and these not for long... June 1805

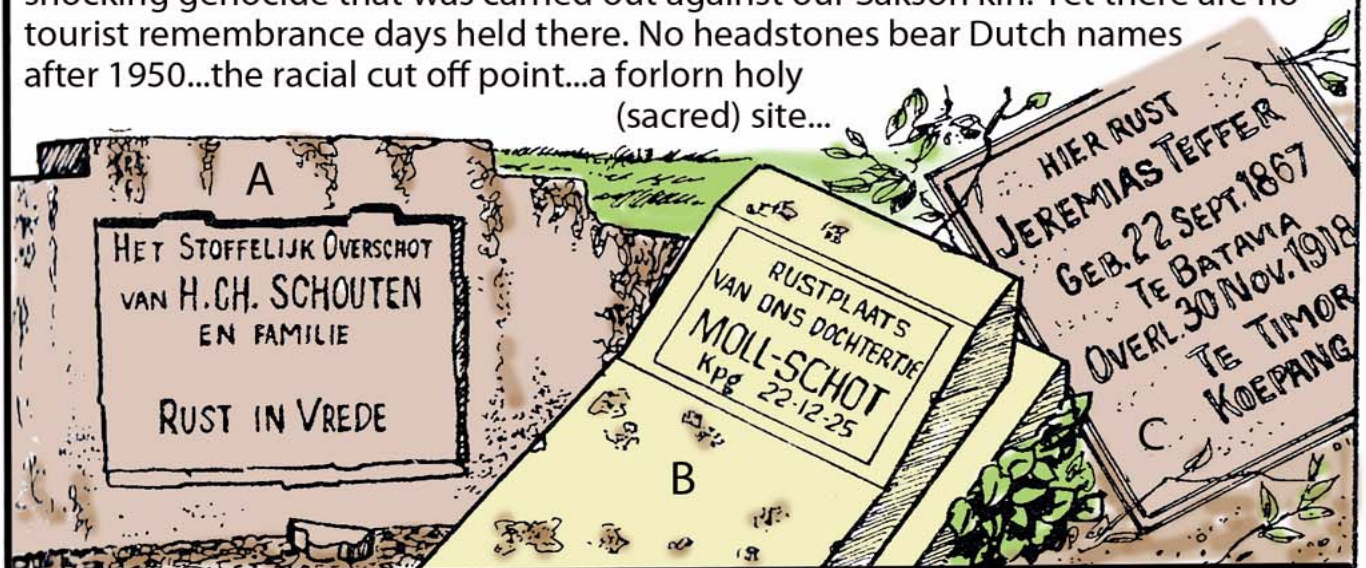

Sadly Whites always believe that they can make 'Spiritual-Whites' out of non-Whites BUT God says it can never be done, "Can the black change his skin, or a leopard his spots?" Jer.13:23

One White 'haven/heaven' (ie., land run by Whites) after another fell to Ethnic-Cleansing. Even so, Saksons (Whites) would refuse Jesus as King and thus ruling monarch and His Laws of God. Instead they rather fight and die for the kings they chose and learn the music, ideas and more of the heathen. For these things they smut the lands which God gives them. So God uses the racial aliens against them because they love it so, loving heathen music to homosexuality to race mixing (Lev 18) and more. Today, no Saksons of the Dutch age now live in Indonesia, even when they were winning the war against the slaughter by the coloureds, the Whites teamed up with the coloureds that they saw as 'Spiritual Dutch'.

The Dutch also trusted the multi-cultural UN. Yet the UN stationed Soviet subs in Dutch-Indonesian waters and also threatened to sanction Holland, so the Dutch handed over their colony to the rebel butchers the UN blessed. The heathen that took over promised safety for the whites remaining, but Sakson businesses were confiscated, N.V. de Kroonduif became Merpartai Air. Whites were then denied food and services. Those who refused to go, were slain.

Yet there were no howls of outrage like when we see death in a coloured land. Do we ever rally for our kind? Do Coloureds ever rally for our kind? Saksons never learn that blood is thicker than water. The grave yard at Koepang (West Timor) in what was the Dutch Indies, now Indonesia is a crumbling, pitiful token of the shocking genocide that was carried out against our Sakson kin. Yet there are no tourist remembrance days held there. No headstones bear Dutch names after 1950...the racial cut off point...a forlorn holy (sacred) site...

A The remains of HCH Schouten and family, rest in frith (peace). B Resting place of our daughter Moll Schot Koepang 22-12-25. C Here rests Jeremias teffer born 22-9-1867 at Batavia (Jakarta) died 30-11-1918 in Timor-Koepang

Saksons have been genocided from many lands now such as Rhodesia, and now the Ethnic Cleansing is happening in Suid Afrka. The media only reports on blacks killed but never when Whites are killed by blacks. That media supports the killing of Whites in Suid Afrika even though the whites were there 150 years before the blacks poured in from the north...

When India turned from White to Brown, its glory faded too. Whites who were indigenous there lived there 1000's of years before coloured invaders came to slaughter as of 700AD. By the 1500's nearly all whites were killed or raped. Only a pocket of some 3000 are left today in the Hindu Cush.

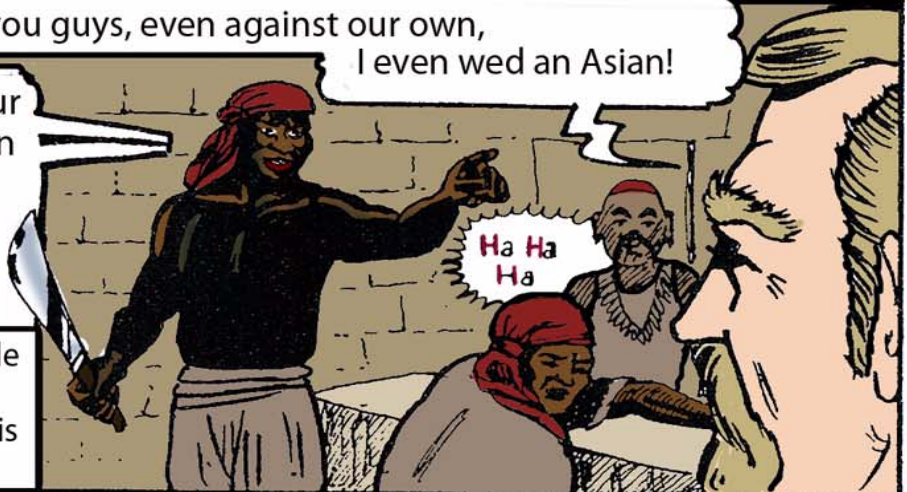

Multi-culturalism is not new. It is as old as the Tower of Babel and always leads to the death of only one race, the Whites of Adam, and thus ending the true Israelite folk of God. It is a transition phase from the Mono-culture of Adamic-Israelite-Saksons to a melting-pot that leads to a new Mono-culture of the last race standing, who end up controlling 'heaven' (lands built by Whites). When the whites become vastly outnumbered, the non-whites always cry, "This is our land". Then the slaughter of the Whites begins in earnest, even and more so, the Whites that sucked up to them. It has been that way for 1000's of years, and will always be so. So wise up!

But we supported you guys, even against our own, I even wed an Asian!

FOOL! You sold out your own kind, how then can we trust you with our kind! Thus you will die FIRST! You useful idiot!

1 Tim. 5:8 But if any provide not for his own (kind) he hath denied the faith and is worse than an unbeliever

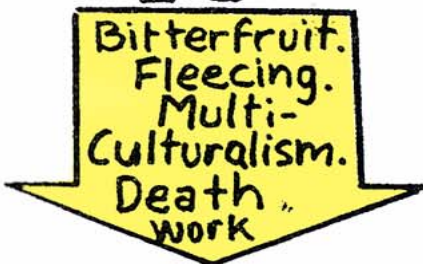

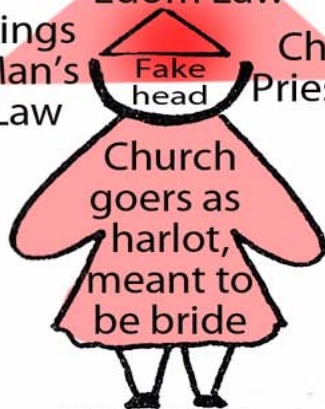

THE WORLD ORDER (known in the Bible as 'The World' ...it does not mean planet, it means, 'the system') is made up of a Triad or Trinity; the Head, the finance, the information outlet. This triad has different names in different ages;

- * King, Money changers, Priests
- * Kings, Bankers, Priests
- * Presidents/PM, Banks, Media.

Leaders need the priests/media to tell 'their' myths to rule, and needs bankers to pay for it all. It is a cosy relationship that was born in ancient Babylon and it serves each of the three. The priest craft includes lawyers who can shift into any of the 3 classes. It is a self serving triad/trinity that fleeces the sheep and then eats them. The system needs to be multi-cultural, in that way the races always live with friction and the triad is there 'to help'. The friction between the races ensures the triad is never attacked and always looked to for help. The trinity is a fake, there is no God, Son AND Holy Ghost. There is ONLY God and Son. Holy Ghost is simply, Godly mindset.

Peddler's (Merchants)

Edom Law
Kings Man's Law Church Priestcraft

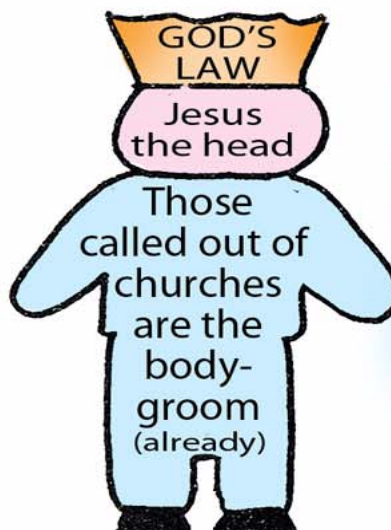

When Saksons get holy ghost ('ghost', means, "thinking", not 'spook'), they get the 'Christ in you', the anointing in you. What anointing? The mindset of Holy- or anointed thinking.

Holy ghost is not a third being, **it is a STATE of being.**

Churches do not teach this as it means that Saksons can do without the priest-craft and get knowledge straight from God. God either gives the right mindset or he doesn't. No priest can give it. Priests and media are different versions of the same thing, they both teach the melting-pot to keep sheep and goats together as fodder & customers. Sheeple pay for the 'right' to live in the lands run by wolves. The head of the churches is not the God of Abraham, Isaac, and Jacob, their head is the "man-king" system they uphold. If they 'thaned' (served) God, then their Law would be the Law of God, instead, the priests and the media uphold the laws of politicians/parliament and world trade...they are thus part of the wolf triad.

THAT IS WHY WE ARE IN THIS MESS.

As of yet the Church goes are too busy playing the harlot to the Beast of the Sea, (the church as organization) but those in that system of Israelite stock will one day be made ready to be the true Bride of Christ

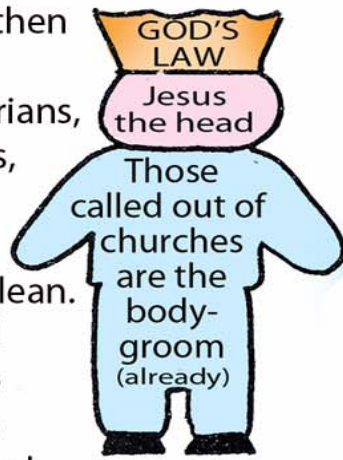

Churches and the media always scorn and persecute those Saksons who speak out against their unholy triad. That's a major part of their job.

GOD'S WORLD ORDER is made up of 'Called Out Ones' who are called to rule in AGREEMENT with the Laws of God. These are Israelites only, and that means, those who later became known as Saksons and Kelts, but only those of these tribes who have come out of the churches and secularism.

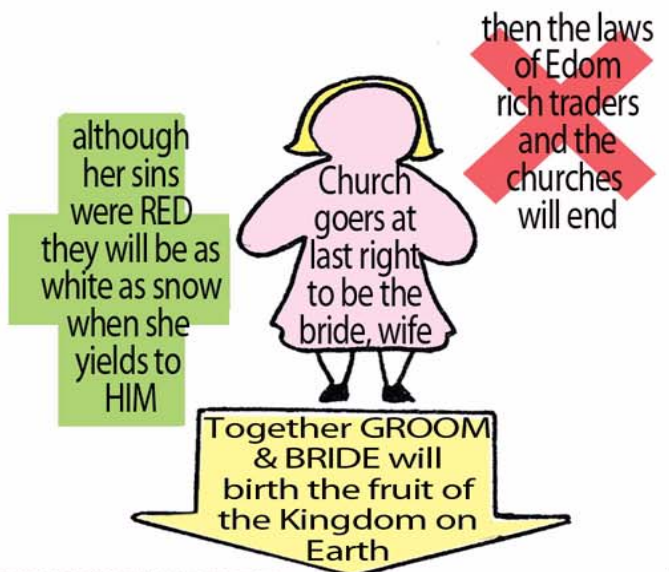

These are men through the ages who the churches have scorned and often persecuted to death. These are the 'BODY folk' company of Christ, and with Jesus as head, they are a whole body which is a groom to be. These men are not Jews as Jews are followers of a state religion started by the Pharisees and deny Jesus.

The State religion of the Pharisees at the time of Christ was set up by the state and ruled with the line of Herod of Edomite stock. Only those Israelites in Judea and the mixed befolkling (population) of Judea were members of that church. All Israelites of the scattering that started 700 years before, were living elsewhere as the Lost Tribes which by then were called;

Scythians, Barbarians, Helens, Parthians, and Romans. The state church called them, unclean. They were called gentiles because they were lost to the word and lived as heathens.

Jesus came to save them, he came to save that which was lost. Paul was the first apostle to 'gentile' lost sheep. These Lost sheep of the scattered Israelites were also named after Isaac, hence Isaac sons, Saksons, and were first called by the Greek word, Christians at Antioch. They began to make churches sundered from state churches, but over the centuries, they went from being persecuted to ruling with the states they were in, the main one being in Rome which became Papal. They forsook God's law and took on statist law, in that way they began to 'whore' with the system. These Lost Israelites lost their status of being the Body (groom) of Christ and became a whore. However, the Groom company would not whore, and will one day woo the whore to become clean and then 'she' will become the BRIDE of Christ, in what is called the Great Wedding Feast. That is how we get out of the mess.

Jesus said that you identify a tree by its fruit. The Holy Writ also tells us that all peoples would benefit from God's Chosen folk. They are made in the Likeness of God. What then is the greatest trait of God? Creator, so he is creative. Which folk are the most creative? Who has created the finest music with the greatest composers, or the finest art galleries, or the finest concert halls, but also who has invented everything from a hammer to the Airbus A380? Identify them and you have found God's chosen folk.

Here then is a partial list of some of the inventions of that folk;

This short list shows that only one specific folk but under many names from Tocharian to Egyptians to Chaldeans to Kelts, Saxons, Dutch, French, German, and so forth, were the inventors or nearly all things, proving time and again, they are God's servant race!

Yet the churches claim that the Jews are God's chosen race, they also claim that the Church as institution is the body and bride of Christ and there is no hope outside them, yet they are wrong on all these points, always have been.

The word 'Jew' is a simplified word from three original word meanings, which does not help matters.

There were 3 word meanings:

Jew, Judean, Judahite, which was clear in the Greek text.

A. Judahite: an offspring of the Israelite tribe of Judah. B. Judean: a burgess/citizen of the Roman Shire of Judea and can be of any race or tribe.

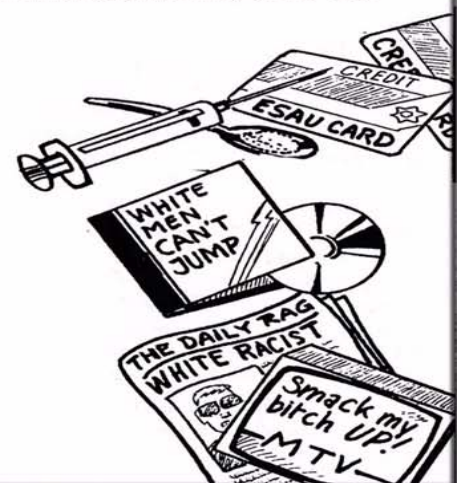

C. Jew: a follower of what was the state religion of said shire, at the time run by the Pharisees and could be of any race and was a burgess of Judea the shire. Only a Judahite is an Israelite as such, and the other two meanings were groups that could and did include Israelites but not exclusively. The Church bishops, as early as the Apostolic age believed that the organizations they created became the body and bride of Christ rather than the folk themselves as that of Israelite stock. They believed this because that the State church of Judea believed this of themselves. But the bishops believed that God transferred the blessings of that state church to their churches, this is called Replacement Theology, and is unfounded. The blessings of God were never upon an institution, it was always for a folk and that folk are Israelites, not Jews of the state religion of Judea.

The Bible says that "there are those who call themselves Jews", that means, the religious sect of Judea, and they use it to

imply, their sect name as proof of their Israelite lineage, but the Bible says "But they are not" of that Israelite lineage, "instead they are the synagogue of satan" (Rev. 2:9). That basically means that they are sect of liars, they lie to themselves and thus to everyone.

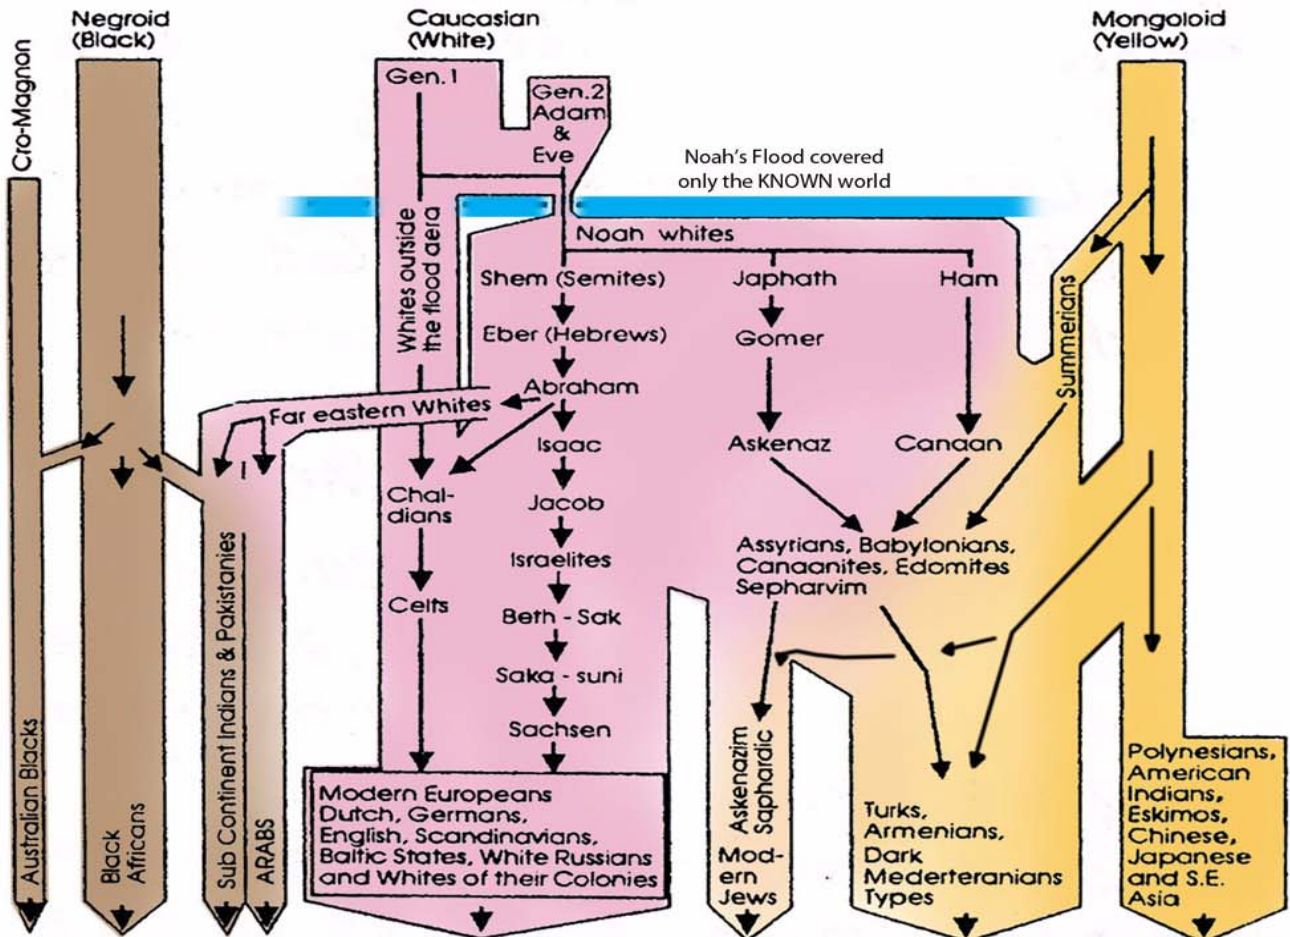

Jesus was NOT one of them, He was a Judahite, not a Jew. Yet the Churches all do the same believing they are the ones who can make "spiritual Israelites" of everyone, and so they play God by replacing what God had designed as his body and bride.

The Sect of Jews have mixed with the Edomites and those of Ashkenaz and have become a Turkic line from Japheth making Spiritual Judeans of them, it is all a religious trick. These Judahized Turks can invent only one thing, the fruit by which we can see they are not Israelites, anti-culture. They use our witty inventions to be tools of death, using our inventions to popularize heathenism. We get Jazz, Reggae, Rock, Pop from Voodoo, their art and architecture is primitivism called 'Modern', their fashion makes cross dressers of our women and our men are in negro ghetto wear. They poison our bodies with their pharmaceuticals, and our folk love it so.

Who's Who

Note: This is a loose guide only. Many details have been left out, history is long and there are many Sub-groups not shown.
Also; the Noadic Flood of the Bible is different to what is taught by the Churches.

The early churches were like clubs, anyone could join as long as they followed what the bishops said, they were institutions that said they believed in Christ, that's all. They learned the ways of the State Religion of Judea. Judaism claims that it learned the Oral Law apart from Moses and codified this as the Talmud. The churches reject the OT and so have no groundwork to the NT, so they made their own interpretation based on Greek thinking and later codifying Roman Law as Church Law. Much later Islam

reinterprets it all. Each claim the same God, but each are the inventions of the Bottomless Pit, the Heart. "The Heart, who can know it, for it is DEEPER than all things." The Churches became the Beast of the Sea, and Judaism became the Beast of The Earth. Both teach that all races came from one root stock, that is simply Evolution. The Bible teaches no such thing. The Bible teaches that Sort Begets Sort and NO OTHER sort. Each race was a separate creation.
